Plunkett's Entertainment & Media Industry Almanac ,2009

IPTV Multimedia Networks Mazen Al-Khatib,Mohammad S. Alam,2007 Discusses Internet protocol television (IPTV) and multimedia networks. This book points out the differences between this novel revolutionary technology and regular cable and satellite television services. It provides knowledge and design principles needed for the delivery of IPTV, along with examples from more than 25 technological companies.

Mergent International Manual ,2009

Canadian Almanac & Directory, 2014 Tannys Williams,2013-10 The Canadian Almanac & Directory contains sixteen directories in one - giving you all the facts and figures you will ever need about Canada. No other single source provides users with the quality and depth of up-to-date information for all types of research. This national directory and guide gives you access to statistics, images and over 100,000 names and addresses for everything from Airlines to Zoos-updated every year. Each section is a directory in itself, providing robust information on business and finance, communications, government, associations, arts and culture (museums, zoos, libraries, etc.), health, transportation, law, education, and more. Government information includes federal, provincial and territorial-and includes an easy-to-use quick index to find key information. A separate municipal government section includes every municipality in Canada, with full profiles of Canada's largest urban centers. A complete legal directory lists judges and judicial officials, court locations and law firms across the country. A wealth of general information, The Canadian Almanac & Directory also includes national statistics on population, employment, imports and exports, and more. National awards and honors are presented, along with forms of address, Commonwealth information and full color photos of Canadian symbols. Postal information, weights, measures, distances and other useful charts are also incorporated. Complete almanac information includes perpetual calendars, five-year holiday planners and astronomical information. Published continuously for over 160 years, The Canadian Almanac & Directory is the best single reference source for business executives, managers and assistants; government and public affairs executives; lawyers; marketing, sales and advertising executives; researchers, editors and journalists, and is a must for all Canadian libraries and universities

Digital Music Distribution Hendrik Storstein Spilker,2017-08-16 The digital music revolution and the rise of piracy cultures has transformed the music world as we knew it. Digital Music Distribution aims to go beyond the polarized and reductive perception of 'piracy wars' to offer a broader and richer understanding of the paradoxes inherent in new forms of distribution. Covering both production and consumption perspectives, Spilker analyses the changes and regulatory issues through original case studies, looking at how digital music distribution has both changed and been changed by the cultural practices and politicking of ordinary youth, their parents, music counter cultures, artists and bands, record companies, technology developers, mass media and regulatory authorities. Exploring the fundamental change in distribution, Spilker investigates paradoxes such as: The criminalization of file-sharing leading not to conflicts, but to increased collaboration between youths and their parents; Why the circulation of cultural content, extremely damaging for its producers, has instead been advantageous for the manufacturers of recording equipment; Why more artists are recording in professional sound studios, despite the proliferation of good quality equipment for home recording; Why mass media, hit by many of the same challenges as the music industry, has been so critical of the way it has tackled these challenges. A rare and timely volume looking at the changes induced by the digitalization of music distribution, Digital Music Distribution will appeal to undergraduate students and policy makers interested in fields such as Media Studies, Digital Media, Music Business, Sociology and Cultural Studies.

The Comprehensive Guide to Careers in Sports Glenn M. Wong,2013 Provides an overview of what students should consider and expect from the varied career options available to them in the sports industry. This book answers the questions students are most likely to have, including what courses they should take, the areas of study available to them, the salary they can expect to earn after graduation, and how they can get the job of their dreams. This essential guide will help increase students' likelihood of finding careers in the highly competitive sports industry.--
