New Life in Christ Steven J. Lawson, 2020-03-03 The single most important event in a person's life is the new birth. Yet, this is also one of the most neglected doctrines in the church. Many Christians would be hard-pressed to describe exactly what the new birth is, let alone what it means to the rest of their walk with God. What happens when we are born again? Does everything in our lives change immediately? Is it just a kind of spiritual do-over, a chance to get it right this time? What happens when we fail? Does it mean we weren't really born again to begin with? With a pastor's heart and a professor's insight, Steven Lawson carefully examines the encounter between Jesus and Nicodemus found in John 3 to uncover the nature of this spiritual rebirth. He shows you the necessity of the new birth, how God changes our hearts through it, and what follows after, from baptism and involvement in a local church to handling doubts and setbacks. This book is perfect for believers who want to understand what happened when they believed and for non-Christians who are curious about what a new life in Christ is all about.

Faith Has No Feelings Norvel Hayes, 2011-01-11 One way to obtain God's mighty healing power is believing in James 5:14-15. Norvel Hayes explains how you must confess and believe that you are healed regardless of whether you feel anything or not. Norvel recounts what happened when he traveled to Alabama by himself for a two-day meeting. He explains the special instructions the Lord gave him on the way and what happened during the first service when he followed the Lord's instructions.

Power for Life Norvel Hayes, 2018-09-18 We need the power of God at work in our nation, our churches, and our lives. In fact, we need to take God's power to the streets to set people free and transform their lives. How? Author and well-known minister Dr. Norvel Hayes says the nine gifts of the Spirit are the supernatural equipment God has given us to get the job done. After all, the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds (2 Corinthians 10:4). In *Power for Life*, Dr. Hayes shares what the gifts are, who qualifies to use them, where they work, and how you can activate them. God gave the gifts to each one for the profit of all (1 Corinthians 12:7). And that means you!

An expert in church growth and evangelism, Bruce Dreisbach reached a crushing dead-end when he realized that old-style efforts of evangelism were becoming increasingly ineffective. Out of his failure and frustration, God led him and others to launch a new ministry with priorities and approaches that varied radically from the traditional. Over time, this new paradigm has proven significantly successful in reaching lost souls in today's culture. After you read *The Jesus Plan*, you'll never think of evangelism the same way again. You'll be equipped and encouraged to reach out to the people around you effectively--and help them discover a new way to live eternally.

New Life in Christ Silvanus Oluoch, 2010-06-07 Whenever a person comes to a new place or position, they always require guidance and directions to help them function or move correctly. This is absolutely true in the case where one becomes a Christian; they need guidance on their newfound faith, and this is the purpose of this book *New Life in Christ*. It clearly addresses the many intricacies and the basics of growing up in the Lord, through topics like the following: „| What happens when one becomes a Christian? „| Practicing the New life „| The company you keep „| Church Involvement „| What is holiness? „| Reading the Bible and other Christian literatures „| Is Salvation sinless perfection? „| Staying right with God „| Learning to take responsibility and so forth As individuals are naturally born into the human family once, there remains a demanding need for them to be born again into God's family. Thereafter, they have to undergo a meticulous spiritual growth, and *New Life in Christ* spells it all out, encouraging them to order their lives by the principles and the obligations of God's word.

Take Your Life Back Stephen Arterburn, David Stoop, 2016-10-04 “I want to have better relationships . . . but is it all on me to fix things?” “This person’s approval means everything to me. It’s like it controls me.” “Why can’t I get free from this cycle?” If you find yourself having these feelings, it’s time to take your life back. Through personal examples, clinical insights, and spiritual truth, Stephen Arterburn and David Stoop will show you how to overcome the habits and history that are keeping you down—and take new, positive steps toward change; heal from the hurts, setbacks, and broken relationships that affect you every day; develop better boundaries with others in your life; stop overreacting and start responding appropriately to any situation or circumstance; break the cycle of behavior that harms you and your relationships; find the freedom you have longed for. Your past and current circumstances don’t have to define you, and they don’t have to determine the direction of your life. *Take Your Life Back* is the key to moving from reactive attitudes and behaviors to healthy, God-honoring responses that will help you live the life you were meant to live.

Norvel challenges you as a child of God to allow God's light to shine through you as you minister to others. Jesus' first action in His ministry was to resist the devil and cause him to flee. We are to follow Jesus' example in ministry as we resist devils, feed the poor, lay hands on the sick, and pray for people letting the light of God pour through us upon those who sit in darkness.

Putting Your Angels to Work Norvel Hayes,2013-09-17 Do you know how to put your angels to work for you? Most people don't know how to put angels to work, and what you don't know can hinder you. Angels are in the ministry of helps. They minister in many different ways, but they always minister on direct orders from God. They work in line with the Holy Spirit and according to the Bible. Norvel Hayes powerfully wrote this handbook on moving into position to allow your angels to minister. Norvel reveals that in order for our angels to move quickly and decisively for us, we must be obedient to God. Angels desire to help you - let them! Angels move in response to obedience and faith - not foolishness and rebellion! You will learn: How angels minister to believers How the Word affects the ministry of angels How to follow God's will and clear the path for your angels to work How your daily speech affects angels What ties the hands of angels How to fulfill the requirements needed to keep the angels on the job For He shall give His angels charge over thee, to keep thee in all thy ways. Psalm 91:11

The God of Second Chances Stephen Arterburn,2010-09-20 A second chance . . . all of us have needed one at some point in our lives. As children, we beg our parents to give us just one more chance. As adults, we turn our pleadings to God for another opportunity, just to start over again. In this revised and updated version of The God of Second Chances, author Stephen Arterburn takes us through his own journey of pleasure-seeking and ambition to a life-changing encounter with the reality of God's grace. Arterburn is painfully honest, sharing his personal experiences with sexual immorality that culminated in the abortion of his child. It was then, desperate and at the end of himself, that Arterburn cried out to God for a second chance. Through his willingness to share his struggles, Arterburn helps us to confront our failures and reach out for God's restorative touch. With a gentle humor, he encourages us to look beyond ourselves and discover the joy in serving others and investing in the things that really matter. In doing so, we will learn what it is to be restored to God through unconditional surrender and receive healing from the scars left by our own mistakes.
