Union with Christ Rankin Wilbourne,2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's Desiring God ministry To experience why the gospel is good news and answer life’s most foundational questions about identity, destiny, and purpose, we must understand what it means to be united to Christ. If you are a Christian, the Bible says that Christ has united his life to yours, that you are now in Christ and Christ is in you. This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation. Yet few Christians today experience or enjoy this reality. Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart: Who Am I? Why Am I Here? Where Am I Headed? How Will I Get There? Nothing is more practical for living the Christian life than union with Christ. The recovery of this reality provides the anchor and engine for your life with God—for your destiny is not only to see Christ, but to actually become like him.

*The Lies Couples Believe* Chris Thurman,2015-10-01 Are faulty beliefs damaging your marriage? If you are experiencing conflict, anger, or hurt in your marriage, you don’t need positive thinking or an escape clause—you need to replace the lies you believe with God’s transforming truths for your relationship to become all that it was meant to be. According to Dr. Chris Thurman, everyone enters marriage with misguided attitudes and expectations such as: “My spouse is a bigger mess than me.” “The purpose of marriage is to be happy.” “My spouse should meet all my needs.” This practical book dismantles the ten most common lies couples believe and helps you renew your mind with God’s truths for a more caring, close, and connected marriage.

**Better** Tim Chaddick,Craig Borlase,2013-09-01 “What does it take to find satisfaction? Will I ever find something in life that’s better than this?” Most people live a life they never would have planned. The good news is that coming to the end of their expectations means they’re on the brink of great wisdom, peace, and joy. That’s what the ancient author of Ecclesiastes helps us figure out—it is quite possible to face detours and dead-ends in life and still find more satisfaction than you ever could have imagined. Better explores the mysteries, scandalous lines, and deep truths of Ecclesiastes and applies them to life today. Better seeks to show how the questions of the heart find their answer in the person of Jesus. Here you will find a vision of life that is neither naive nor cynical, but realistic and hopeful. Because the truth is, when God answers the questions, you finally realize what is better.

*Whitewash* ,2013-04-16 The results of his monochromatic efforts are staggering, and blow almost all other architectural photography out the water. -It's Nice That LA is a city of contrasts-the famous and unknown, blinding light and impenetrable shadow, wealth and poverty, massive success and bitter failure. The promise of fame, fortune, sun, and beauty have lured millions to its beaches, hills, and valleys crammed with low slung buildings and palm-tree-lined boulevards. But beneath this thin veneer of perfection, Los Angeles is a city where the dueling public narratives of glamour and cynicism have inspired the sun-kissed perfection of Aaron Spelling along with the sun-bleached paranoia of David Lynch, the placid malaise of Sofia Coppola and the pulpy violence of Quentin Tarantino, the easy ascension of Pretty Woman and the wrenching sorrow and pain of a fall from grace as depicted in the classic Sunset Boulevard. Nicholas Alan Cope's photographs evoke a unique vision of Los Angeles and its contrasts as seen exclusively through its everyday architecture. Searching for the sublime core of the city's true nature, Cope strips away the extraneous, and focuses on the sheer beauty and simplicity of the cityscape. To an outsider, the profound cultural, historical, and architectural imprint of the City of Angels can be lost amongst the unsightly sprawl of stucco, strip malls, and irrelevant adornment. While the sunlight can be unforgiving and harsh, bleaching the landscape into a pale hue, the allure, for Cope, lies in the consistency and ubiquity of the buildings combined with the severity of the light accentuating the dramatic elegance of the architecture. Whitewash utilizes the whitest whites, the blackest blacks, and the modern and stark architecture of an idealized future that never arrived to tell the visual story of LA's uniquely conflicted soul.

**How Plato and Pythagoras Can Save Your Life** Nicholas Kardaras,2011-04-01 University professor, psychotherapist and recovering former nightclub owner Dr. Nicholas Kardaras presents a mind blowing, reality rocking, and life changing approach to Greek philosophy. Having once owned celebrity-studded NY nightclubs where he had mingled with the likes of JFK, Jr., Uma Thurman and Tom Cruise, Kardaras would emerge from that glamorous-yet-self-destructive world to discover the powerful and transformative teachings of his ancient ancestors. To his amazement, he learned that ancient Greek philosophy, contrary to popular misconceptions, was not a dry and academic pursuit, but a vibrant and holistic transformative practice. In How Plato and Pythagoras Can Save You're your Life, Dr. Kardaras breathes new life into those ancient teachings as he incorporates some of the most cutting edge advances in the fields of quantum mechanics and consciousness research to validate the insights and wisdom of the ancient

Greek sages. As he guides readers through an array of contemplative practices designed to help them live a more meaningful life, Kardaras warns the reader to be prepared because they just might also catch a glimpse of that trippy realm called Ultimate Reality.

A Friend in Me Pamela Havey Lau,2015-06-01 Young women long for relational connection with women further ahead of them on the journey. Yet, without realizing it, many of us tend to distance ourselves from those in younger generations. Can we really have close relationships with women who have different thoughts on church, different experiences with family, and different ways of talking about God? Where do we start? In A Friend in Me, Pam Lau shows you how to be a safe place for the younger women in your life. She offers five patterns women need to internalize and practice for initiating relationships and talking about issues such as faith, forgiveness, sexuality, and vocation. Most significantly, she reminds you that there doesn't need to be a divide between generations of women. Together, we can have a global impact—and experience a deeper faith than we've ever known.

Crazy Love Francis Chan,2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
