Beyond the Baldness Mark Pilgrim,2015-11-01 Mark Pilgrim had wanted to be on radio since he was thirteen years old, yet it always seemed like an unobtainable dream. It took a life-threatening illness to motivate him to pursue his passion. At the age of eighteen his radio dream was on the back burner. Mark had just completed the first year of a B.Com degree at university and had secured a bursary to complete his studies. Things were looking good. Then the blow fell: he was diagnosed with testicular cancer. After surgery and throughout months of chemotherapy his initial despair was transformed into determination. He found the inner strength to fight the illness, change his career direction, and to make his lifelong dream a reality. Beyond the Baldness is a personal account of Mark's journey of determination, following every opportunity to audition for radio and television. From the humble beginnings of living in a trailer park, today Mark is one of South Africa's best-known and most recognisable personalities, having deejayed on South Africa's biggest radio stations and hosted some of the most memorable television shows like Big Brother and SA's biggest ever game show The Power of 10. His voice is also used in countless radio and television commercials. As a motivational speaker, Mark spends a lot of his time engaging with delegates at conferences, chatting about his experience with cancer as well as the sudden heart attack he had at the age of 38. His positive approach to life is inspirational and it will encourage everyone who reads this book to chase their dreams!

Cliffhanger Gareth Cliff,2016-11-28 From campus radio to host of South Africa's biggest youth breakfast show to pioneering his own online hub, Gareth Cliff has always claimed the headlines with his brand of strong opinion and whiplash wit. He has been suspended from the airwaves or crucified by his critics more times than he can remember - whether for interviewing himself as Jesus or comparing Shaka Zulu to Cecil John Rhodes. Most recently, Cliff was fired by M-Net as one of the Idols judges after facing accusations of racism over the Penny Sparrow incident. He fought back, employing the services of the EFF's Dali Mpofu, and was reinstated. In Cliffhanger, South Africa's controversial shock jock goes behind the scenes to give you a first-hand account of the highs and lows of the past two decades.

Biometric State Keith Breckenridge,2014-10-02 Biometric identification and registration systems are being proposed by governments and businesses across the world. Surprisingly they are under most rapid, and systematic, development in countries in Africa and Asia. In this groundbreaking book, Keith Breckenridge traces how the origins of the systems being developed in places like India, Mexico, Nigeria and Ghana can be found in a century-long history of biometric government in South Africa, with the South African experience of centralized fingerprint identification unparalleled in its chronological depth and demographic scope. He shows how empire, and particularly the triangular relationship between India, the Witwatersrand and Britain, established the special South African obsession with biometric government, and shaped the international politics that developed around it for the length of the twentieth century. He also examines the political effects of biometric registration systems, revealing their consequences for the basic workings of the institutions of democracy and authoritarianism.

Hold the Line Kim Stephens,2022-07-25 Navigating motherhood from the age of 18, Kim Stephens shelved her inner journo and embraced a life of media sales and sports marketing, working with some of the biggest sports brands globally, and locally, whilst pursuing her own ultra-running ambitions. Arguing vehemently against the possibility that she was running from her own truth, Covid-19 wiped out Kim's possibilities for continued escape. After three children, two divorces and a gradual sexual awakening, Kim found herself at 40-something virtually unemployed, with all the time in the world to write, sip gin and study a general response to one of the world's most draconian lockdowns. Her humorous observations of middle-class South African behaviour through the various levels of lockdown earned her a certain notoriety and a degree of viral success, and with that the courage to put it all into a book. Hold the Line tells the story of teenage pregnancy, the situational blindness of white South Africa, the disappointment of divorce and the deep joy found through true awakening. Stitched together with the lockdown writing that Kim penned for a growing base of followers, she shares a more in-depth life story with her usual candid self-deprecation. Written to rattle a few truths from within its readers, Hold the Line ends ironically as the world begins to follow a potential third World War via TikTok.

Just Like Click Sandy Grubb,2024-04-16 Nick Townley has lived his entire life-- all eleven years-- at Black Butte Ranch, nestled in the foothills of the snow-capped Cascade Mountains. While his parents push him to study, practice sports, and make friends, Nick prefers to retreat into his superhero universe and create exciting Adventures of Click comics. When a string of robberies threatens Dad' s job, forcing them to move across the country, Nick' s world implodes. He loves his home, and what will he do about the \$237,000 in cash under his bed that Great Gramp gave him before he died? Desperate to stop the move, Nick steps off his comic book pages and ventures into the night as Click, an undercover superhero. Catching thieves would be a lot easier if he had actual superpowers. When three new kids discover his identity and want to join him, Nick vows to stay undercover... until he realizes even a superhero needs friends. But can he ask them to put their lives in danger to save his home? What would Click do?

Molecricket Nick May,2014-10-23 Though I had never met S.M. Stagwerth, it still felt as if I had stood there with Him atop all those train cars, beneath all those pitched tents, where curious congregants would gather momentarily and be swept away by His saline verbal prowess. - Mole Cricket Twelve-year-old Moses Cotton discovers dangerous mysteries, from a plague of field-mowing mole crickets to the long ago death of a fanatic evangelist named Stagwerth. Will Moses' persistence destroy his family, even the whole town? This is author Nick May's third writing adventure. He began with the folktale, Megabelt, and followed it with the thriller, Minutemen. He and his wife, Kayla, live along the Gulf Coast with their dog, Brother.

No Sense of Humor Nick Morgan,2013-09-09 For the fifth time, the Author displays his so-called No Sense of Humor in a laughable array of pet title quests, childrens stories and a pet mystery along with a childrens version of what the Author describes as Unanswered Questions. This book shows the continuing saga of four men who display their sense of humor through pranks, narrated stories and an unending ritual that will never change. In addition, the Author does his best to convince you the reader that the final chapter is only a prelude to the next sequel; the Next Generation.

Slimed! Mathew Klickstein,2013-09-24 The special 5th Anniversary Edition of SLIMED! An Entertainment Weekly

“Best Tell-All” Book One of Parade Magazine's “Best Books About Movies/TV” Included in Publishers Weekly's “Top Ten Social Science Books” Before the recent reboots, reunions, and renaissance of classic Nickelodeon nostalgia swept through the popular imagination, there was SLIMED!, the book that started it all. With hundreds of exclusive interviews and have-to-read-‘em-to-believe-‘em stories you won't find anywhere else, SLIMED! is the first-ever full chronicle of classic Nick...told by those who made it all happen! Nickelodeon nostalgia has become a cottage industry unto itself: countless podcasts, blogs, documentaries, social media communities, conventions, and beyond. But a little less than a decade ago, the best a dyed-in-the-wool Nick Kid could hope for when it came to coverage of the so-called Golden Age (1983-1995) of the Nickelodeon network was the infrequent listicle, op-ed, or even rarer interview with an actual old-school Nick denizen. Pop culture historian Mathew Klickstein changed all of that when he forged ahead to track down and interview more than 250 classic Nick VIP’s to at long last piece together the full wacky story of how Nickelodeon became “the Only Network for You!” Celebrate the fortieth anniversary of Nickelodeon with this special edition of SLIMED! that includes a new introduction by Nick Arcade’s Phil Moore in addition to a foreword by Double Dare’s Marc Summers and an afterword by none other than Artie, the Strongest Man in the World himself (aka Toby Huss). After you get SLIMED!, you’ll never look at Nickelodeon the same way again. “Mathew Klickstein might be the geek guru of the 21st century.”—Mark Mothersbaugh

Nick's Reads & Reviews Nicholas Grabowsky,2008-03-01 A compilation of reviews and essays from Nicholas Grabowsky's web site downwarden.com from the past 4 years.

Looking for Mrs Dextrose Nick Griffiths,2011-05-01 I glanced at Dextrose's nose, pock-marked, crimson and bulbous, the overripe strawberry that everyone leaves in the punnet. As I did so, his right nostril blew a bubble of snot that might fascinate a small child.' Having completed his quest to follow in the footsteps of intrepid explorer Harrison Dextrose, Pilsbury has been hit with a revelation - that he is the product of those terrible loins. And that's not all. His mother has been left behind somewhere on the globe and he must find her. (Dextrose's own words.) There ensues an unprecedented adventure. A shaman and his curious son, sozzled rednecks, a sweet old lady, nauseating poetry and the Nameless Highway all stand in Pilsbury's way. Is he up to the task? Aided only by his alcoholic father and a grumpy basketball player, our sort-of hero sets off - looking for Mrs Dextrose.
