The Speed of Life Nick Linde,2006-07 Description Randall Baker finds his life enriched by new beginnings. His story from small town Nebraska to the rigors of international music success is compromised only by the fact that he hasn't gained any life affirming knowledge through his endeavors. Now, at age thirty-three, Randall finds himself in a California State Penitentiary without much knowledge about how he has become the person he is. From Infynity Nick Linde's unique voice makes this book more like a screenplay. His style is unperfected, yet beautifully delivered in this tale of Randall Baker and his life-reflection quest. This book has been compared to Bret Easton Ellis' *Less than Zero* not only for the similarities in surface over depth, but also because both authors were very young when writing. *The Speed of Life* is a terrific first work from full-time student, part-time writer Nick Linde.

Crystal Clear Nick Mercado,

Straight to the Goal; Or, Nick Carter's Queer Challenge Nicholas Carter,2022-01-17 This is a story of attempted murder and a kidnapping. Another mystery for the detective, Nick Carter, to solve. Nick's Story Nicholas Bilotti,2016-11-09 Nick's Story is a bittersweet retelling of family love, personal struggle and deceit, as well as unfortunate and unexpected betrayals in trust. The events take place in a tumultuous nine-year period in the author's life, culminating in a remarkable ending

Sottopassaggio Nick Alexander,2011-08-01 Following the loss of his partner in a car crash, Mark, the hero from the bestselling *50 Reasons to say Goodbye*, tries to pick up the pieces and build a new life for himself in gay-friendly Brighton. Haunted by the death of his lover and a fading sense of self, Mark struggles to put the past behind him, exploring Brighton's high and low life, falling in love with charming but unavailable Tom and hooking up with Jenny, a long lost girlfriend from a time when such a thing seemed possible. Moving, witty, truthful and wise, this is a story that digs deep into what it is like to lose someone you love and start again.

Tear It Down Nick Petrie,2019-08-27 In the new edge-of-your-seat adventure from bestselling author Nick Petrie, Peter Ash pursues one case--and stumbles into a deadlier one--in the City of the Blues. Iraq war veteran Peter Ash is restless in the home he shares with June Cassidy in Washington State. June knows Peter needs to be on the move, so she sends him to Memphis to help her friend Wanda Wyatt, a photographer and war correspondent who's been receiving peculiar threats. But when Peter arrives in Memphis, he finds the situation has gone downhill fast--someone has just driven a dump truck into Wanda's living room. But neither Wanda nor Peter can figure out why. At the same time, a young homeless street musician finds himself roped into a plan to rob a jewelry store. The heist doesn't go as planned, and the young man finds himself holding a sack full of Rolexes and running for his life. When his getaway car breaks down, he steals a new one at gunpoint--Peter's 1968 green Chevrolet pickup truck. Peter likes the skinny kid's smarts and attitude, but he soon discovers that the desperate musician is in far worse trouble than he knows. And Wanda's troubles are only beginning. Peter finds himself stuck between Memphis gangsters--looking for Rolexes and revenge--and a Mississippi ex-con and his hog-butcher brother looking for a valuable piece of family history that goes all the way back to the Civil War.

If the Sky Falls Nicholas Montemarano, 2005-10-01 If the Sky Falls is the debut short-story collection from award-winning fiction writer Nicholas Montemarano. These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams. Redemption in these intense and sometimes violent stories is found in the lyrical prose, in the act of storytelling itself. A young man tries to rescue his sister from her abusive lover, and in the process must revisit his own family's violent history (Note to Future Self); a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club (The Usual Human Disabilities); a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim (The Other Man). In The November Fifteen, a man is taken from his home and tortured, though he has no idea why; when he returns home he finds a different kind of torture awaiting him. Two of the stories -- Shift and the Pushcart Prize--winning The Worst Degree of Unforgivable -- are stylistic tours de force. But style in this collection is always at the service of story. Montemarano's fiction maintains that rare balance between traditional storytelling and experimentation: his work is innovative without being flashy, sincere without being sentimental. In an age of hype, If the Sky Falls truly is the real thing -- an original and important achievement in the short-story form.

Nick - the Black Tuxedos MC Darlene Tallman, 2019-04-06 Nick Johnson went through hell during his military tours. When he finally comes home, he's no longer the person who left that sunny day. Unable to be around his family, he finds solace as a member of The Black Tuxedos MC. The brotherhood and camaraderie help him keep his PTSD at bay and when he takes over training at the sanctuary his president's old lady starts, he finds his niche. Shayla Hopkins has had a life that she sums up as craptastic. Forced to flee with her nine-month old, she finds herself in a small town struggling to survive. When Nick finds her living in her van, he steps in and she finds her life changing for the better. Can Nick put the demons from his past to rest or will he continue on his self-destructive path despite his president's best efforts? Only Lovers Wear Sunlight Nick Viggiano, 2011-08-17 For most people, life is not a series of grand moments, headlines, or epiphanies. It is a day-to-day struggle, a moment-to-moment grasping for something just a bit better something that makes you feel alive and loved. The characters in Only Lovers Wear Sunlight are such people. A young woman settles into her first apartment and tries to establish her identity. An old couple contemplates what awaits them. A traveler makes an unexpected connection with a child. You may walk past people like them on the street every day and never notice them, but like each of us, they need love and comfort and compassion too. These stories capture those small moments in time, incidents and events that should be familiar to all of us. Who knows? You may recognize your neighbor or a family member or a friend in one of the stories. And because we're all looking for the same things, you may even recognize yourself.

Tony Partly Cloudy Nick Rollins, 2013-10-27 A fish-out-of-water story in the style of My Cousin Vinny or Analyze This, TONY PARTLY CLOUDY is the tale of a Mafia goon who becomes a famous TV weatherman. ** NOTE: contains some profanity, because let's face it: it's hard to get these Mafia guys to talk nice. Forget about it! Tony Bartolicotti (or Tony Partly Cloudy, as his friends in Brooklyn call him) can predict the weather with a level of accuracy that's downright freakish. But no TV station is interested in hiring a weatherman who looks and talks like a Mafia goon. Until now... When a

distantly related mob boss applies a little pressure on Tony's behalf, Tony's career starts to take off. Soon America is falling in love with the only weatherman on TV who would predict a whole lotta freakin' snow. But then the mob decides to call in the favors they've done for Tony. That's when things get stormy. Tony Partly Cloudy combines elements of comedy, satire, Mafia lore and romance into a slick, funny novel that readers of Elmore Leonard and Carl Hiaasen will enjoy.

A Life Untold Glenn Eric,2022-07-08 Sometimes, if you want to have it all, you have to let it all go. Orville and Wilbur Wright came to the North Carolina coast for the strong, steady winds. Daniel Cross has come for something almost as intangible. He comes seeking a new place that he and Noah can call home. Someplace with a future and not a past. Uprooting the two of them from Boston had been a sudden decision—based on nothing more than Daniel's perception that Noah was growing more withdrawn and he blamed that on Boston. Perhaps that decision had been a rash one. Now, he is determined to make the best of it. Samantha Rivers works with her father at Rivers Motorcycle Sales & Service. Is she happy? Maybe not, but she is satisfied and wants only for things to stay the same. When Daniel Cross shows up and buys a junk motorcycle, she thinks he's crazy. And annoying. The feeling is mutual. But then something changes and the small act of buying and rebuilding a motorcycle becomes the catalyst that draws them closer while tearing them apart and putting them back together again too. A reflection on love and life for fans of Nicholas Sparks and Jojo Moyes. 236 pages
