Last Note Anna Seidman,2022-11-03 Whoever decided that the only constant in life is change never consulted Monica Lawrence. She resists every new reality that comes her way during her high school and college years, from a diagnosis of diabetes to a new stepfather who she swears is trying to be as different from her real dad as possible. The person who sees her through it all is Kelly, who has been her best friend ever since Monica offered Kelly help (okay, probably too much help) in history class during their sophomore year of high school.Kelly impulsively ties the knot at twenty while Monica fiercely guards her independence, leading to unspoken resentment until one day the two finally go their separate ways. When Kelly shows up at Monica's door two years after the friends' aEUROebreak upaEUR, embroiled

in a scenario straight out of Jerry Springer, will Monica try to reserve her judgment and let Kelly back into her life; or will she, for the first time ever, embrace a break with the past?

The Reckoning of Noah Shaw Michelle

Hodkin,2019-11-12 In this sequel to *The Becoming of Noah Shaw*, the companion series to the New York Times bestselling Mara Dyer novels, legacies are revealed, lies are unraveled, and old alliances are forged. Noah's reckoning is here. Noah Shaw wants nothing more than to escape the consequences of his choices. He can't. He's sure the memories that haunt him are merely proof of a broken heart. They aren't. He thinks he can move forward without first confronting his past. He's wrong.

The Punch Noah Hawley,2008-05-21 This story traces the path of two brothers, Scott and David Henry, as they prepare for their father's memorial service. Younger brother Scott is responsible for his alcoholic mother, Doris, on their trip to New York. David works on memorial service preparations and secretly juggles marriages in New York and Los Angeles.--

Being Noah Cheryl Hardy,2021-03-11 Ten-year-old Noah has a gift beyond the natural gifts of humans. This ability allows him to hear the thoughts of the family therapy dog, Ozzie, and to see visions of the future, which go unnoticed by the people who should love him and trust him the most.Noah's brother Sean is on the autism spectrum and receives more attention from their parents, at least more than Noah gets...which causes him to feel

angst, sadness, frustration, and jealousy. Noah wants what all children want, love and acceptance. He needs his parents and grandmother to trust him and help him gain confidence in himself. Being Noah is a story of a boy believing in himself, even when others don't, and finding a way to use his gifts so he can affect change in the world and lives of those around him. Being Noah is Margaret Cheryl Hardy's first and only work, written in the MFA program at Western Colorado University. A thoughtful book that is well-paced and includes enough realism to balance the mystical and spiritual content. A great book for introspection and discussion after reading.—School Library Journal

Noah's Compass Anne Tyler,2010-01-05 Liam Pennywell, who set out to be a philosopher and ended up teaching fifth grade, never much liked the job at that run-down private school, so early retirement doesn't bother him. But he is troubled by his inability to remember anything about the first night that he moved into his new and spare condominium on the outskirts of Baltimore. All he knows when he wakes up the next day in the hospital is that his head is sore and bandaged. His effort to recover the moments of his life that have been stolen from him leads him on an unexpected detour. What he needs is someone who can do the remembering for him. What he gets is . . . well, something quite different.

Safe in Noah's Arms Mary Sullivan,2015-09-01
Community service never looked so good Monica Accord knows trends, not tractors...fashion, not

fertilizer. But she's stuck working on Noah Cameron's farm after one mistake lands her with community service. Monica remembers Noah from high school, but she definitely never knew about the crush he had on her. Now it just feels as if she's some bothersome city slicker. Yet she soon realizes there's more growing between her and Noah than just crops—a lot more. As long as the revelation of a family secret doesn't ruin their chance of a lifetime...
