Reading Explorers Year 5 John Murray,2014-09-24 A Guided Skills-Based Journey is a series of books aimed at developing key reading and study skills. This brilliant new series provides teachers with a wide variety of genres, both fiction and non-fiction, which will allow children to access, interpret and understand what they are reading. It increases the child's knowledge and understanding of why certain words are chosen by an author. It gives the reader the chance to speculate on the tone and purpose of the texts, as well as consider both the texts' themes and audience.

Coolmore Stud: Alan Conway,2017-02-17 Nestled in a quiet part of County Tipperary, Coolmore Stud casts as long a shadow as any sporting entity over the history of Irish sport. Founded by the legendary horse trainer Vincent O'Brien, and now managed by John Magnier, Coolmore Stud has grown from a small breeding farm into a global behemoth, renowned the world over for the quality of the horses it produces. Alan Conway tells the story of how Coolmore Stud and its training operation at Ballydoyle have come to dominate the world of horse breeding and racing. Using the stories of the people involved, including the legendary Syndicate of Magnier, O'Brien and Robert Sangster, and of the famous horses it has produced, such as the legendary Sadler's Wells, his sons Galileo and Montjeu, and the mighty Danehill, this book charts the rise of one of Ireland's greatest sporting success stories.

The Advent of Murder Martha Ockley,2013 Faith Morgan, former policewoman and vicar of the small English village of Little Worthy, goes to visit one of her parishioners at his farm, only to discover the house surrounded by police cars. A body has been found in the local river and farmer Markham is charged with murder. Though busy with preparations for Christmas, Faith is called on to investigate when it’s found out that the victim is also a member of her congregation—Lucas Kemp, a member of the choir. Faith’s informal inquiries lead her to uncover a hotbed of tensions and romantic rivalries in the choir, questions about drugs, and a run-in with an unsavory uncle—which leads to a dramatic rescue by Ben, Faith’s former detective partner and ex-boyfriend. In the tradition of Father Brown and Miss Marple, The Advent of Murder brings readers an authentic picture of English rural and church life combined with a satisfying mystery that will keep readers guessing until the end.

Structures and Dynamics of Asphaltenes Oliver C. Mullins,Eric Y. Sheu,2013-11-11 The investigative assault upon the enigmatic asphaltenes has recently resulted in significant advances in many varied disciplines. Taken individually, each discipline exposes certain facets of asphaltenes, but each, alone, can never reveal asphaltenes from all vantages. Even seemingly narrowly focused issues such as the molecular structures of asphaltenes, or the colloidal structures of asphaltenes require a confluence of many lines of investigation to yield an understanding which differs from truth by diminishing uncertainty. An holistic treatment of the asphaltenes is a powerful approach to evolve further their understanding. For example, examination of asphaltenes at the highest resolution yields molecular structure. A slight increase in scale probes asphaltene colloidal structure. Weaving together asphaltene studies performed at different length scales results in a fabric which envelops an encompassing vision of asphaltenes. At the same time, the interfaces of these hierarchical studies provide additional constraints on imagination, more than investigations at individual length scales alone. These considerations shaped the timing, format, and the content of our book. The editors are very appreciative of the diligence and hard work manifest in each of the contributed chapters herein. We thank the contributing authors for making this project a success. Oliver C. Mullins Eric Y. Sheu vii CONTENTS I. Asphaltenes: Types and Sources

The Womb of Uncreated Night Antonides Chris Antonides,Chris Antonides,2009-09 When seventeen-year-old Brewster Wainwright, dressed as Batman, takes a spin around New York City in his Batmobile, an accident removes him from the streets and lands him in jail. A big strapping kid with defective vision and an affinity for bats, Brewster claims he is the Bruce Wayne. As the son of a prominent citizen, officials refer Brewster to psychiatrist Dr. Korngold who must determine if he is delusional or playing some kind of elaborate and dangerous practical joke. Korngold digs into Brewster's mind and his past searching for clues to the young man's comic-book crusade to save the world. But Brewster's focus changes when his girlfriend, Guinevere, is mysteriously attacked in Central Park. Brewster finds her body after she ran off during an argument. She appears to have been bitten by a bat-like creature, but before that can be confirmed, her body disappears. Soon after Guinevere's disappearance, a woman begins haunting the Ramble at night. In addition, other people have been attacked by a vampire-like creature. Ironically, the connection between the victims seems to be the Young Artists Group, of which Brewster is a member. The authorities need to determine if Brewster is the cause or the savior.
