The Theatre of Martin Crimp epub Aleks Sierz,2006-10-12 A guide to all of the plays of Martin Crimp. For a decade, Martin Crimp has been in the vanguard of new writing for the British stage. His main stage plays include *Dealing with Clair*, *The Treatment*, *Attempts on Her Life*, *The Country*, and *Cruel and Tender*, with his 1997 masterpiece, *Attempts on Her Life*, arguably being one of the best plays of the past quarter century. By the author of the landmark study of contemporary British

drama, *In-Yer-Face Theatre*, this is the first study of Martin Crimp's work for stage and radio. Arguing that Crimp is one of the most acute satirists of contemporary British society, Aleks Sierz provides an accessible and fascinating account of the playwright's work. As well as an account of each of Crimp's plays and an analysis of his oeuvre, the volume includes a wide-ranging interview with Crimp himself and interviews with all the key directors responsible for staging his work, including Sam Walters, Katie Mitchell, James McDonald and Lindsay Posner.

The Theatre of Martin Crimp Aleks Sierz, 2013-12-16 First published in 2006, Aleks Sierz's *The Theatre of Martin Crimp* provided a groundbreaking study of one of British theatre's leading contemporary playwrights. Combining Sierz's lucid prose and sharp analysis together with interviews with Martin Crimp and a host of directors and actors who have produced the work, it offered a richly rewarding and engaging assessment of this acutely satirical playwright. The second edition additionally explores the work produced between 2006 and 2013, both the major new plays and the translations and other work. The second edition considers *The City*, the 2008 companion play to *The Country*, *Play House* from 2012 and the new work for the Royal Court in late 2012. The two works that have brought Crimp considerable international acclaim in recent years, the updated rewrite of *The Misanthrope* which in 2009 played for several months in the West End starring Keira Knightley, and Crimp's translation of Botho Strauss's *Big and Small* (Barbican, 2012), together with Crimp's other work in translation are all covered. *The Theatre of Martin Crimp* remains the fullest, most readable account of Crimp's work for the stage.

My Sweet Orange Tree José Mauro de Vasconcelos, 2019-07-09 Fifty years after its first

publication, the multimillion-copy international bestseller is available again in English, sharing the heartbreaking tale of a gifted, mischievous, direly misunderstood boy growing up in Rio de Janeiro. When Zezé grows up, he wants to be a poet in a bow tie. For now the precocious young boy entertains himself by playing clever pranks on the residents of his Rio de Janeiro neighborhood, stunts for which his parents and siblings punish him severely. Lately, with his father out of work, the beatings have become harsher. Zezé's only solace comes from his time at school, his hours secretly spent singing with a street musician, and the refuge he finds with his precious magical orange tree. When Zezé finally makes a real friend, his life begins to change, opening him up to human tenderness but also wrenching sorrow. Never out of print in Brazil since it was first published in 1968, *My Sweet Orange Tree*, inspired by the author's own childhood, has been translated into many languages and has won the hearts of millions of young readers across the globe.

Swahili Made Easy Elisha Punni Gomnah, 2017-12-18 In this book, you will learn Swahili grammar, phonology, morphology, and syntax. You will be brought close to a perfect understanding of the dynamics of the language. Watch out for concordial agreement and noun classes. In Swahili, many morphemes are strung together as one word unlike in English, so do not be surprised when you encounter much longer words with only a few of what looks like prepositions, adverbs, and adjectives now and then. This is called agglutinating language. You will learn how to greet in Swahili, construct simple Swahili sentences while following the prescribed format, or what is called concordial agreement, and pick from a wide array of vocabulary in the minidictionary provided within the book. If you intend to visit Africa soon, lay hands on this book fast, and you will be speaking Swahili before you arrive. For those who are currently studying the language in schools, this book is a must-have. Read this book also for fun and a better understanding of the most popular African language and thence increase your knowledge of African literature and culture.

Specialty Shop Retailing Carol L. Schroeder, 2007-06-04 Unlike other books on retailing, *Specialty Shop Retailing* is aimed at the reader who has a dream of opening a store, but little background in this type of business. The book takes into account the fact that their motivation is often not primarily monetary, but rather the intangible benefits of creating your own business and working with people and products that you love. This new and improved 3rd edition includes material about selling on the Internet, including eBay storefronts; online marketing and customer service improvements; and changes in the retailing field, such as competing with big box retailers and the demise of the sales rep system.

Forbidden Games and Video Poems Yang Mu, Lo Ch'ing, 2016-06-01 Two contemporary poets from Taiwan, Yang Mu (pen name for Wang Ching-hsien, b. 1940) and Lo Ch'ing (pen name for Lo Ch'ing-che, b. 1948), are represented in this bilingual edition of Chinese poetry ranging from the romantic to the postmodern. Both poets were involved in the selection of poems for this volume, the first edition in any language of their selected work. Their backgrounds, literary styles, and professional lives are profiled and compared by translator Joseph R. Allen in critical essays that show how Yang and Lo represent basic directions in modern Chinese poetics and how they have contributed to the definition of modernism and postmodernism in China. The book's organization reflects each poet's method of composition. Yang's poems are chronologically arranged, as his poetry tends to describe a narrative line that closely parallels his own biography. Lo's poems, which explore a world of concept and metaphor, are grouped by theme. Although each poet has a range of poetic voices, Yang's work can be considered the peak of high modernism in Chinese poetry, while Lo's more problematic work suggests the direction of new explorations in the art. In this way the two poets are mutually illuminating. Each group of poems is prefaced by an "illustration" that draws from another side of the poet's intellectual life. For Yang, who is a professor of comparative literature at the University of Washington, these are excerpts from his academic work (written under the name C.H. Wang) in English. The poems by Lo, a well-known painter living in Taiwan, are illustrated by five of his own ink paintings.
