Neal embraces the beauty and wonderment of Pairidaeza a perfect world far distant from his own; but rejects who he is and his responsibility to the people of Pairidaeza, not knowing how that rejection will ultimately affect his own world! But what he experience will also thrust him into the dark and harsh ugliness that dwells within the haunting walls of Castle Ashkenazi! He is transformed after being mentally and sexually seduced by evil itself.....Neal has to learn the value of life, the struggles of mankind, the importance of faith, the richness of humility and the amount of his own worth. *Twelve Years Down the Road* Alan Neil, 2017-06-05 Astronomy and some religions believe that life is a series of cycles. That is certainly reflected in the tale of Al's long, adventurous life; the cycle spun him in many different directions over the years. *Twelve Years down the Road* shares a collection of stories and events detailing the diversity of Al's unique life. From early childhood, he lived with his parents and two brothers in the woods of East Texas on a family farm surrounded by a national forest with a wildlife management area across the road. These stories reveal how he met the love of his life, Betty; what he learned by delivering the Dallas Morning News; how he fared at his first job in the Mississippi Delta in the middle of KKK country; how he perceived his work at a Texas prison; and how he came to work in Siberia for a pipeline company. As Al reflects on the cycles his long and varied life, he shares the stories that shape a person and make a man a man.

*Insatiable* Val Neil,2023-06-12 Carved deep within a Turkish mountain lies the Academy, a fabled school of magic. Like many students, Nikolai came out of World War II with some serious baggage. Unlike the others, he refuses to even acknowledge what he went through, insisting he spent the war in a neutral country. When his lessons begin to pry open old wounds, Nikolai must master his fears or forever be at the mercy of his past.

The Corridor (Volume 3) Vic Neal, 2020-05-31 It's 3rd week along the Oxford corridor and relationships between its residents are starting to get complicated. Ben thinks he's in love with Poppy, but she's hopelessly infatuated with Dr Piers. Rupert still hates Ben, but is he starting to feel sorry for him too? Alfred is suffering from a broken heart and is contemplating becoming a hermit. Lexi thinks everyone is great, but surely that's a side-effect of her newfound free-time since taking a rowing hiatus (and some very strong painkillers)? Newly single Tessa is too busy to care about anything other than her outfit for Sunday's feminist gala. And what of new resident, Ivan? Is he as stupid as he seems? All will become less clear in volume 3 of *The Corridor*.

**Cab and Caboose** Neil Munroe, 2020-08-05 Reproduction of the original: *Cab and Caboose* by Neil Munroe

*The Rejects* Neal F Litherland, 2020-01-14 Whenever you pick up an anthology, the short stories you see are only a fraction of the ones that were originally in the running. Dozens, and in some cases more than a hundred, other stories fought to get onto those pages. But one by one they fell, left behind on the cutting room floor. The stories in this collection are the ones that have refused to die. So why not crack the cover, and see for yourself these tales that have never appeared in print before? Discover what lurks beneath the Abattoir Bridge in *Bloody Bones*, or sit down for a friendly game of cards with a mysterious, green-eyed gambler in *Dead Man's Bluff*. Find out what sort of monsters prey on the innocents in the abandoned alleys of Chicago in *Dressing The Flesh*, and follow a last-ditch recon team as they try to save the world from a nuclear-powered super man in *Assault on Olympus*. If you like your stories scrappy, with a side of the fantastical, then there is definitely

something between these covers that will stick with you.

The Elite Order ,2018-12-18 The train derailment was headline news, and Marsha Dixon and her cameraman were sent by air to cover it. The area around the crash was restricted, no one was allowed close to it except for the firemen and police. Their helicopter pilot noticed something suspicious, a group of men in suits at the end of the train crash. They were standing by watching, as if they were waiting for someone to step off. When a known terrorist contacted Marsha Dixon, he told her he knew who was behind the train crash. He would tell her, but he had his own agenda it was part of the reason why he was in the country. Stopping him was imperative, even the Russians were concerned about the repercussions his terrorist act would have. Marsha was the only link to him and with Homeland Security Director Christen Myres doubting her, she was losing hope in stopping whatever it is that's planned. After her friend's husband was murdered, she was told that if she wanted the truth behind his death she would have to go to where it all started. What they didn't tell her was, the more she dug into the truth she was placing herself in a danger that required her permanent silences. It's where she will learn the real truth behind the crash. Knowing it, she will have to choose between dying, and being dead.

**Edge of Madness** Neal James,2020-10-27 All that Martock loved had been taken away from him, and he now stood at the Edge of Madness - a local haunt for those wishing to shake off their mortal coils. The voice from behind him halted his step at just the right moment. Donald Key was a quiet type. Living his life in a tranquil village was just the kind of cover he needed. Don Key was a career criminal bent on acquiring from others better off than himself. The Hollow was to prove a crushing blow. The fishing tackle shop was not the

place that Tony Bishop had imagined he'd spend the rest of his life running. The business was making money it had to be said, but he'd always wanted to do something else. The old man coming into the shop was about to turn his life upside down. 'Humble Pie' was what you ate after making hash of things, wasn't it? For Charlotte Parry and her husband, Steve, it was to be the answer to an age-old mystery. All happy endings don't always happen to the living.

**A Neil Jordan Reader** Neil Jordan, 1993

**Body Modification** Mike Featherstone, 2000-06-06 This volume explores the growing range of practices such as piercing, tattooing, branding, cutting and inserting implants which have sprung up recently in the West.

**Neil Gaiman** Neil Gaiman, 2001-05 Live At The Aladdin captures the Portland, Oregon stop on Neil Gaiman's eighth and final reading tour to benefit the non-profit Comic Book Legal Defense Fund. More than four hundred fans paid to attend this special event, which includes dramatic readings from his short fiction and poetry, including stories from his collections *Angels & Visitations* and *Smoke and Mirrors*. Of particular note is the short story *Chivalry*, which Miramax President Harvey Weinstein personally optioned for film. Gaiman's readings have a stronger performative aspect than what one commonly expects from an author reading. I've been doing these tours since 1993, said Gaiman. I've really enjoyed returning people to the days when an author would take his work to the public, when a literary reading was something exciting, fun, and theatrical. Dickens did it. Oscar Wilde did it And, in a much lesser way, so have I. Apart from the reading itself, Gaiman's performance

includes a lively Q&A segment that is sure to entertain even the most casual fan of his work. In addition to Gaiman's performance, *Live At The Aladdin* includes behind-the-scenes documentary footage and interview segments shot over the course of his reading tour, making this tape a must-have for any fan of his work.
