Chemistry: The Central Science Theodore L. Brown, H. Eugene LeMay Jr., Bruce E. Bursten, Catherine Murphy, Patrick Woodward, Steven Langford, Darius Sagatys, Adrian George, 2013-10-04 If you think you know the Brown, LeMay Bursten Chemistry text, think again. In response to market request, we have created the third Australian edition of the US bestseller, Chemistry: The Central Science. An extensive revision has taken this text to new heights! Triple checked for scientific accuracy and consistency, this edition is a more seamless and cohesive product, yet retains the clarity, innovative pedagogy, functional problem-solving and visuals of the previous version. All artwork and images are now consistent in quality across the entire text. And with a more traditional and logical organisation of the Organic Chemistry content, this comprehensive text is the source of all the information and practice problems students are likely to need for conceptual understanding, development of problem solving skills, reference and test preparation.

Gringo Injustice Alfredo Mirandé, 2019-09-18 The recent mass shooting of 22 innocent people in El Paso by a lone White gunman looking to Kill Mexicans is not new. It is part of a long, bloody history of anti-Latina/o violence in the United States. Gringo Injustice brings this history to life, shedding critical light on the complex relationship between Latinas/os and the United States' legal and judicial system. Contributors with first-hand knowledge and experience, including former law enforcement officers, ex-gang members, attorneys, and community activists, share insider perspectives on the issues facing Latinas/os and initiate a critical dialogue on this neglected topic. Essays examine the unauthorized use of deadly force by police and patterned incidents of lynching, hate crimes, gang violence, and racial profiling. The book also highlights the hyper-criminalization of barrio youth and considers wide-ranging implications from the disproportionate imprisonment of Latinas/os. Gringo Injustice provides a comprehensive and powerful look into the Latina/o community's fraught history with law enforcement and the American judicial system. It is an essential reference for students and scholars interested in intersections between crime and communities of Color, and for use in Sociology, Latino Studies, Ethnic Studies, Chicano Studies, Criminology, and Criminal Justice.
