InstaFall of U.S.A. Ben Compani,2021-01-13 InstaFall of U.S.A. By: Ben Compani InstaFall of U.S.A. is a science-fiction work demonstrating the details of our nation's security and the threat of other nations' interferences. Author Ben Compani's thrilling work is not for the faint of heart nor for those who do not wish to partake in philosophical questioning. The nation of Chima is posing a threat of biological warfare against the U.S.A. Will the nation of Chima find a way to take over the U.S.A.? If so, will Western democratic governments be a thing of the past? Filled with murder, a hunt for a killer (or two?), and hostile takeovers on a global scale, InstaFall is sure to captivate and inspire discussions about our own situation. Maybe our truth is stranger than fiction.
