

Phrasebook King

Christopher J. Moore

Putnam's Phrase Book ,1919 Since we talk in phrases as well as in words every home needs a phrase book as well as a dictionary. This book has been prepared to meet that need, and contains a dictionary of six thousand choice phrases arranged synonymously for general use; many polite expressions, phrases of charm and courtesy, for use in letter writing; one hundred sample social letters, including instruction concerning the method of their preparation by the use of the dictionary of phrases; a guide to choice phrases for social letter writing; and finally, a handy index, very helpful, even though the phrases have been arranged in dictionary form. I have made an effort to emphasize phrases of commendation, optimism, and courtesy. Also many for use in letter writing--especially phrases suitable for letters of condolence. There is perhaps no more difficult letter to write than one of condolence, hence a considerable number under this designation in order to assist in this necessary and yet most blessed task.

Readings from the Old Testament, and Phrase Book Louise Emery Tucker,1913

How to Speak Brit Christopher J. Moore,2014-09-11 The quintessential A to Z guide to British English—perfect for every egghead and bluestocking looking to conquer the language barrier Oscar Wilde once said the Brits have everything in common with America nowadays except, of course, language. Any visitor to Old Blighty can sympathize with Mr. Wilde. After all, even fluent English speakers can be at sixes and sevens when told to pick up the dog and bone or head to the loo, so they can spend a penny. Wherever did these peculiar expressions come from? British author Christopher J. Moore made a name for himself on this side of the pond with the sleeper success of his previous book, *In Other Words*. Now, Moore draws on history, literature, pop culture, and his own heritage to explore the phrases that most embody the British character. He traces the linguistic influence of writers from Chaucer to Shakespeare and Dickens to Wodehouse, and unravels the complexity Brits manage to imbue in seemingly innocuous phrases like *All right*. Along the way, Moore reveals the uniquely British origins of some of the English language’s more curious sayings. For example: Who is Bob and how did he become your uncle? Why do we refer to powerless politicians as “lame ducks”? How did “posh” become such a stylish word? Part language guide, part cultural study, *How to Speak Brit* is the perfect addition to every Anglophile’s library and an entertaining primer that will charm the linguistic-minded legions.

Origins of the Dream W. Jason Miller,2015-02-03 Since Martin Luther King Jr.’s “I Have a Dream” speech, some scholars have privately suspected that King’s “dream” was connected to Langston Hughes’s poetry. Drawing on archival materials, including notes, correspondence, and marginalia, W. Jason Miller provides a completely original and compelling argument that Hughes’s influence on King’s rhetoric was, in fact, evident in more than just the one famous speech. King’s staff had been wiretapped by J. Edgar Hoover and suffered accusations of communist influence, so quoting or naming the leader of the Harlem Renaissance—who had his own reputation as a communist—would only have intensified the threats against the civil rights activist. Thus, the link was purposefully veiled through careful allusions in King’s orations. In *Origins of the Dream*, Miller lifts that veil and shows how Hughes’s revolutionary poetry became a measurable inflection in King’s voice. He contends that by employing Hughes’s metaphors in his speeches, King negotiated a political climate that sought to silence the poet’s subversive voice. By separating Hughes’s identity from his poems, King helped the nation unconsciously embrace the incendiary ideas behind his poetry.

The King’s Road Xin Wen,2023-01-24 An exciting and richly detailed new history of the Silk Road that tells how it became more important as a route for diplomacy than for trade The King’s Road offers a new interpretation of the history of the Silk Road, emphasizing its importance as a diplomatic route, rather than a commercial one. Tracing the arduous journeys of diplomatic envoys, Xin Wen presents a rich social history of long-distance travel that played out in deserts, post stations, palaces, and polo fields. The book tells the story of the everyday lives of diplomatic travelers on the Silk Road—what they ate and drank, the gifts they carried, and the animals that accompanied them—and how they navigated a complex web of geographic, cultural, and linguistic

boundaries. It also describes the risks and dangers envoys faced along the way—from financial catastrophe to robbery and murder. Using documents unearthed from the famous Dunhuang “library cave” in Western China, The King’s Road paints a detailed picture of the intricate network of trans-Eurasian transportation and communication routes that was established between 850 and 1000 CE. By exploring the motivations of the kings who dispatched envoys along the Silk Road and describing the transformative social and economic effects of their journeys, the book reveals the inner workings of an interstate network distinct from the Sino-centric “tributary” system. In shifting the narrative of the Silk Road from the transport of commodities to the exchange of diplomatic gifts and personnel, The King’s Road puts the history of Eastern Eurasia in a new light.

Biblically Speaking... Familiar Words, Phrases, and Sayings We Get from the King James Version (KJV) of the Bible WILLIAM C. FALKNER,2017-06-26 Did you hear or read any of these today: Break Bread, Count the Cost, Eleventh Hour, Eat Drink, and be Merry, Fell on His Sword? These are only a few of the more than 200 entries noted by author William C. Falkner as having come to us from that most read of all books-The King James Version (KJV) of the Bible. Most of us in the English-speaking world today are vaguely aware of the biblical connection of these words and expressions. But few of us can actually pinpoint their biblical origin and context. Also, many of our younger generations are clueless about their biblical connection. Biblically Speaking... is aimed at filling the gaps in the knowledge of both those groups. This compilation of over 200 entries provides examples of their current usage, their generally accepted definition, biblical source, and a brief commentary.

FAQs About Phrasebook King Books

What is a Phrasebook King PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Phrasebook King PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Phrasebook King PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Phrasebook King PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Phrasebook King PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
