In a Pickle Jerry Apps,2008-05-13 The year is 1955. Andy Meyer, a young farmer, manages the pickle factory in Link Lake, a rural town where the farms are small, the conversation is meandering, and the feeling is distinctly Midwestern. Workers sort, weigh, and dump cucumbers into huge vats where the pickles cure, providing a livelihood to local farmers. But the H. H. Harlow Pickle Company has appeared in town, using heavy-handed tactics to force family farmers to either farm the Harlow way or lose their biggest customer—and, possibly, their land. Andy, himself the owner of a half-acre pickle patch, works part-time for the Harlow Company, a conflict that places him between the family farm and the big corporation. As he sees how Harlow begins to change the rural community and the lives of its people, Andy must make personal, ethical, and life-changing decisions. Best Books for General Audiences, selected by the American Association of School Librarians, and Outstanding Book, selected by the Public Library Association

**Pickle Impossible** Eli Stutz,2011-04-10 Twelve-year-old Pierre's remarkable family is known far and wide for their delicious pickles. But when the pickle farm is threatened, only Pierre can save it-by safely transporting a jar of world-famous pickles to an international pickle competition. When Pierre is kidnapped, a cunning young girl named Aurore rescues him. Together they set off with just twenty-four hours until the competition begins. To protect their pickles on the journey, Pierre and Aurore must navigate the ghostly catacombs of Paris, figure out how to safely crash-land a plane, enlist the help of a world-class scientist, and escape a villain who will stop at nothing to capture their jar of pickles. This madcap adventure has everything a young reader could ask for, including an unlikely friendship, dangerous villains, magical coincidences, and a cliff-hanger at the end of every chapter.

*Phil Pickle* Inc Peter Pauper Press,Kenny Herzog,2016 Phil Pickle lived in a pickle jar and was meant to share the same fate as all the other pickles he lived with -- next to a burger and fries on a plate. But Phil Pickle is like no other pickle you've ever seen: He's got big dreams and big-time aspirations of becoming an actor! Will he become the next big dill? Ages 4 to 8. Hardcover picture book with dust jacket. Fun and quirky full-color illustrations throughout. 8-3/4 inches wide by 11-1/4 inches high. 40 pages. Author Kenny Herzog grew up in Demarest, New Jersey. When he isn't writing about adventurous pickles, he's directing television commercials and short films. He lives in Greenwich, Connecticut, with his wife and three children. This is Kenny's debut children's picture book. Illustrator Kelly Canby was born in London, England, but has lived in Australia since the grand old age of three, which is probably about the same age she started playing with pencils and crayons. And it was probably only a few years after that when she decided that playing with pencils and crayons was something she wanted to do for the rest of her life!
