- especially when your goal is to sound authentic without regurgitating hackneyed quotes or cliches. Everything you do with Pinterest is leverage-able for parallel or future social media venues. She lives in San Jose, CA and in a desert town west of Las Vegas, with her husband Curt. EXCERPT FROM THE BOOK On Pinterest, think about the adventure and exploration of what you do. How is your bakery different? What are the stories of your recipes? Photos of your customers? Great times spent baking? Fun experiments with flavor? Events where your cakes and pastries are enjoyed? Places and people in your community? Constantly benchmark back to your adjectives from questions 1 and 2. Generously pin your customers and events in your area. Think of Pinterest as you keeping your extended family of friends, customers, and potential customers up to date with how you are, how the bakery is doing, and the adventures of your business. Let people get to know you. Be sincere. Be available. Yes, you'll be loading images from your computer. Yes, you'll be pinning images of others.
