**Nikolaj A. Pirosmanašvili, Èrast Davydovič Kuznecov**

Niko Pirosmeni Infinitart Foundation, Niko Pirosmeni, 2019-07-30 For a long time, Niko Pirosmeni (1862-1918) was almost completely unknown outside of his native country of Georgia, but today he is considered the most prominent representative of naïve painting, alongside Henri Rousseau. The son of a farming family was an autodidact. Without any sort of art training, he became a vagabond painter, traveling from village to village, painting portraits, still lifes, animals, and scenes from daily life for village pubs, exchanging pictures for food, wine, and a roof over his head. He remained destitute throughout his life. With their minimal, brilliant colors and visual vocabulary, his paintings are unique, and they played an important role for the Russian avant-garde and its early neo-primitive days. Even Pablo Picasso later dedicated an etching to him. To commemorate the one hundredth anniversary of Pirosmeni's death, the first comprehensive compendium of his oeuvre will be published next year. This bibliophile's survey comes in a slipcase, and its two volumes are devoted to examining the life and impact of the Georgian artist, as well as the importance of his work to art history.

*Niko Pirosmeni* Klaus Albrecht Schröder, Bice Curiger, Ciprian Adrian Barsan, 2018-10-25 A wider public discovery of the Georgian painter Niko Pirosmeni (1862-1918) is long overdue. Today, the autodidact is known not only as one of the most significant representatives of naïve art, but the story of his special reception is remarkable, as he painted his pictures for inns and pubs. Hardly known outside of Georgia these days, his work was nevertheless displayed alongside works by Natalia Goncharova, Mikhail Larionov, Kazimir Malevich, and Marc Chagall in the legendary 1913 exhibition *Mischén* (Target) in Moscow, where he was known as the Rousseau of the East. Pirosmeni's unique visual vocabulary is based on consistently reduced formal elements: against an always black

background, the elementary colors of red, blue, yellow, green, and white developed refined effects, immediately appealing to the viewer. Now, the Albertina in Vienna is devoting a first large retrospective to Pirosmani in the heart of Europe since a long time ago, examining his paintings in the context of art history. The Legend of Pirosmani Valerian Markarov, 2023-01-27 Sometimes amazing people live next to us, whose existence, even before the end of their earthly days, becomes a legend. Such is a lot of the chosen. They, feeding the lofty ideas of humanity, hear, see and feel what is inaccessible to ordinary mortals, and we do not notice them, do not cherish them. Such a creator, whose name is surrounded by a halo of immortality, was Niko Pirosmani. The stories that are told about him, no one can confirm or deny. But they are his biography. He created it himself with his amazing life. A life that turned into a Legend about the Master. And we have no right not to believe her...
