Crime Always Pays Declan Burke, 2014-07-01 Who says crime doesn't pay? The perpetrators of a botched kidnap make their getaway in this hilarious sequel to *The Big O*. Karen and Ray are on their way to the Greek islands to rendezvous with Madge and split the fat bag of cash they conned from her ex-husband Rossi when they kidnapped, well, Madge. But they've reckoned without Stephanie Doyle, the cop who can't decide if she wants to arrest Madge, shoot Rossi, or ride off into the sunset with Ray. And then there's Melody, the wannabe movie director, who's pinning all her hopes on Sleeps, the narcoleptic getaway driver who just wants to go back inside and do some soft time. A European road-trip screwball noir, *Crime Always Pays* features cops and robbers, losers and hoppers, villains, saints – and a homicidal Siberian wolf called Anna. The Greek islands will never be the same again.

The Encyclopaedia Britannica: Demijohn-Edward ,1910 The last great work of the age of reason, the final instance when all human knowledge could be presented with a single point of view ... Unabashed optimism, and unabashed racism, pervades many entries in the 11th, and provide its defining characteristics ... Despite its occasional ugliness, the reputation of the 11th persists today because of the staggering depth of knowledge contained with its volumes. It is especially strong in its biographical entries. These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten - except by the historians, scholars-- The Guardian,

Pink Noises Tara Rodgers, 2010-03-02 *Pink Noises* brings together twenty-four interviews with women in electronic music and sound cultures, including club and radio DJs, remixers, composers, improvisers, instrument builders, and installation and performance artists. The collection is an extension of pinknoises.com, the critically-acclaimed website founded by musician and scholar Tara Rodgers in 2000 to promote women in electronic music and make information about music production more accessible to women and girls. That site featured interviews that Rodgers conducted with women artists, exploring their personal histories, their creative methods, and the roles of gender in their work. This book offers new and lengthier interviews, a critical introduction, and resources for further research and technological engagement. Contemporary electronic music practices are illuminated through the stories of women artists of different generations and cultural backgrounds. They include the creators of ambient soundscapes, "performance novels," sound sculptures, and custom software, as well as the developer of the Deep Listening philosophy and the founders of the Liquid Sound Lounge radio show and the monthly Basement Bhangra parties in New York. These and many other artists open up about topics such as their conflicted relationships to formal music training and mainstream media representations of women in electronic music. They discuss using sound to work creatively with structures of time and space, and voice and language; challenge distinctions of nature and culture; question norms of technological practice;

and balance their needs for productive solitude with collaboration and community. Whether designing and building modular synthesizers with analog circuits or performing with a wearable apparatus that translates muscle movements into electronic sound, these artists expand notions of who and what counts in matters of invention, production, and noisemaking. *Pink Noises* is a powerful testimony to the presence and vitality of women in electronic music cultures, and to the relevance of sound to feminist concerns. Interviewees: Maria Chavez, Beth Coleman (M. Singe), Antye Greie (AGF), Jeannie Hopper, Bevin Kelley (Blevin Blectum), Christina Kubisch, Le Tigre, Annea Lockwood, Giulia Loli (DJ Mutamassik), Rekha Malhotra (DJ Rekha), Riz Maslen (Neotropic), Kaffe Matthews, Susan Morabito, Ikue Mori, Pauline Oliveros, Pamela Z, Chantal Passamonte (Mira Calix), Maggi Payne, Eliane Radigue, Jessica Rylan, Carla Scaletti, Laetitia Sonami, Bev Stanton (Arthur Loves Plastic), Keiko Uenishi (o.blaat)

Energy Flash Simon Reynolds, 2012-03-01 Ecstasy did for house music what LSD did for psychedelic rock. Now, in *Energy Flash*, journalist Simon Reynolds offers a revved-up and passionate inside chronicle of how MDMA ("ecstasy") and MIDI (the basis for electronica) together spawned the unique rave culture of the 1990s. England, Germany, and Holland began tinkering with imported Detroit techno and Chicago house music in the late 1980s, and when ecstasy was added to the mix in British clubs, a new music subculture was born. A longtime writer on the music beat, Reynolds started watching—and partaking

in-the rave scene early on, observing firsthand ecstasy's sense-heightening and serotonin-surging effects on the music and the scene. In telling the story, Reynolds goes way beyond straight music history, mixing social history, interviews with participants and scene-makers, and his own analysis of the sounds with the names of key places, tracks, groups, scenes, and artists. He delves deep into the panoply of rave-worthy drugs and proper rave attitude and etiquette, exposing a nuanced musical phenomenon. Read on, and learn why is nitrous oxide is called "hippy crack."

This Is Not a Novel David Markson,2001-03-01 David Markson was a writer

like no other. In his novels, which have been called hypnotic, stunning, and exhilarating and earned him praise from the likes of Kurt Vonnegut and David Foster Wallace, Ann Beattie and Zadie Smith. Markson created his own personal genre. With crackling wit distilled into incantatory streams of thought on art, life, and death, Markson's work has delighted and astonished readers for decades. Now for the first time, three of Markson's masterpieces are compiled into one page-turning volume: *This Is Not a Novel*, *Vanishing Point*, and *The Last Novel*. In *This Is Not a Novel*, readers meet an author, called only Writer, who is weary unto death of making up stories, and yet is determined to seduce the reader into turning pages and getting somewhere. *Vanishing Point* introduces us to Author, who sets out to transform shoeboxes crammed with note cards into a novel. In *The Last Novel*, we find an elderly author (referred to only as Novelist) who announces that, since this will be his final effort, he possesses carte blanche to do anything he damn well pleases. United by their focus on the trials, calamities, absurdities and even tragedies of the creative life, these novels demonstrate David Markson's extraordinary intellectual richness—leaving readers, time after time, with the most indisputably original of reading experiences.

Dreams Like Enigmatic Paintings Michael Eales, 2013-07-18 Henri Michaux, Belgian poet, writer and painter, finally published his *Dreams Like Enigmatic Paintings* (*En revant a partir de peintures eigmatiques*) in 1972. The text is a series of dreamscapes which came to him having seen a few of Magritte's

paintings. It is not an interpretation of Magritte, but a logical continuation of Michaux's own work in poetic form. Michaux's style of writing has the intimacy of a dream journal, and yet the distance of a chronicler of dislocation. He is not comfortable to read, not only in the form of his writing, but also in the psychotic edginess of his narrative. I have tried to maintain this balance in my translation, avoiding the temptation to save the reader from undue ease. Michael Eales has an MA in Literary Translation

The Red Dancer Richard Skinner, 2017-10-05 When Margaretha Zelle, a young woman living in The Hague, answers a lonely hearts advertisement she becomes drawn into a relationship with an army captain twice her age. After a hasty wedding, they depart for Indonesia, where the marriage collapses amid infidelity and violence. Seeking a new life, Margaretha returns to Europe and travels to Paris, where she adopts the stage name Mata Hari, reinventing herself as an exotic dancer. In her new role she attracts the attention of numerous admirers, many of whom are officers, ready to share their secrets with a woman of notorious allure and intrigue, as Europe lurches towards explosive conflict.

An Introduction to Twentieth-century French Literature Victoria Best, 2002-05-31 In this accessible guide, Victoria Best explores the turbulent twentieth century in France through its literature, introducing the works that created fresh perspectives on the human condition in an age of rapid change and insecurity. Challenging and experimental, modern French

writing reflects the problems of a culture transformed by sophisticated theoretical inquiry and violent historical events. Preoccupied with finding ways to express new extremes of experience, twentieth-century texts dramatise the realisation that stories provide a significant means of making sense of the world. The book provides an overview of the key literary movements and the major writers of prose, poetry and drama, from great novelists such as Proust, to great thinkers like Sartre, by way of controversial figures such as Genet, Beckett and Marguerite Duras.

Legend of the Necessary Dreamer Maria Fusco, 2017-01-06 Legend of the Necessary Dreamer is: - a novella - a prose essay - an excavation of the historic Palacio Pombal - a work of impatience and death.
