Royal Love (fall in love again) Lily Anand ,2023-12-12 In the enchanting pages of *Royal Love*, Sheikh Ajmal Bin Shalik, a soulful royal and business magnate, discovers an extraordinary connection with Molly Cohan, a spirited self-made photographer. Their serendipitous encounter becomes the poignant overture to a symphony of emotions that echo in the chapters of fate. As love whispers its tender secrets, the revelation of Ajmal's regal lineage unfurls a tapestry of challenges and heart-stirring moments. A Royal Proposal, Love in the Air, and Mixed Up Feelings paint the canvas of their shared journey, leading to the grand crescendo of The Grand Wedding. Within these

pages, characters come to life with the early days sketching Sheikh Ajmal's nobility, Molly's steadfast devotion, and the benevolence of John Cohan, a pillar of unwavering support. Noor, the vivacious embodiment of joy and royalty, dances through the narrative, adding hues of warmth and charm. In the ebb and flow of the plot, Royal Love becomes a tale that transcends mere words. An accident, mysterious letters, and the intricate dance of wedding preparations elevate the narrative, creating a mosaic of love, sacrifice, and the harmonious merging of two disparate worlds. It's a story that doesn't just unfold; it wraps itself around the reader's heart, leaving an indelible mark—a celebration of love that resonates beyond the final chapter.

Go Kiss the World Subroto Bagchi, 2009-08-05 'Go, kiss the world' were Subroto Bagchi's blind mother's last words to him. These words became the guiding principle of his life. Subroto Bagchi grew up amidst what he calls the 'material simplicity' of rural and small-town Orissa, imbibing from his family a sense of contentment, constant wonder, connectedness to a larger whole and learning from unusual sources. From humble beginnings, he went on to achieve extraordinary professional success, eventually co-founding MindTree, one of India's most admired software services companies. Through personal anecdotes and simple words of wisdom, Subroto Bagchi brings to the young professional lessons in working and living, energizing ordinary people to lead extraordinary lives. Go Kiss the World will be an inspiration to 'young India', and to those who come from small-town India, urging them to recognize and develop their inner strengths, thereby helping them realize their own, unique potential.
