Enabling the Business of Agriculture 2017 World Bank Group,2017-04-03 Enabling the Business of Agriculture 2017, the third report in the series, offers insights into how laws and regulations affect private sector development for agribusinesses, including producer organizations and other agricultural entrepreneurs. Globally comparable data and scored indicators encourage regulations that ensure the safety and quality of agricultural inputs, goods and services but are not too costly or burdensome. The goal is to facilitate the operation of agribusinesses and allow them to thrive in a socially and environmentally responsible way, enabling them to provide essential agricultural inputs and services to farmers that could increase their productivity and profits. Regional, income-group and country-specific trends and data observations are presented for 62 countries and across 12 topics: seed, fertilizer, machinery, finance, markets, transport, water, ICT, land, livestock, environmental sustainability and gender. Data are current as of June 30, 2016. For more information, please see <http://eba.worldbank.org>

Real Inspiring Stories Maj. (Retd.) Pradeep Khare, 2014-01-01 There are many self-help books. Quite a few of them sound like sermons. They enumerate success principles, but the readers find it difficult to apply them in their life. Instead of being theoretical, this book describes the real life situations, in which common people actually applied the success principles in their life, and achieved what is considered impossible by many! Going through the pages of 'Real Inspiring Success Stories,' will urge you to recharge yourself, gather confidence, and dare to do what you were hesitant to do earlier. The heroes of these real success stories are common people like you and me, who struggled against all odds— social, financial, physical or emotional, and emerged winners because of their indomitable spirits. They followed their dreams passionately and turned obstacles into stepping stones in their journey of success. You never know your success story may be featured in one of the subsequent seasons!
