Celebrity Cultures Lee Barron,2014-12-01 What is celebrity? How do celebrities influence society? Why do we hang on their every word, tweet or status update? *Celebrity Cultures* offers a fresh insight into the field of celebrity studies by updating existing debates and exploring recent developments. From the PR campaigns of Alexander the Great and Julius Caesar to the election of Arnold Schwarzenegger as Governor of California, this book critically evaluates a number of diverse celebrity case-studies and considers what they reveal about contemporary global society. Taking into account issues such as gender, sexuality, ethnicity, economics, politics and the media, the book draws upon a range of cultural theorists including Theodore Adorno and Jean Baudrillard. Over the course of ten richly illustrated chapters, the book: Draws upon sociology, cultural theory, media analysis and celebrity commentary to explore and re-evaluate the study of celebrity. Examines the international appeal of celebrity including examples from India, China, South Korea and Indonesia. Includes chapter introductions identifying key points and annotated further reading suggestions. *Celebrity Cultures* is an invaluable resource for students of celebrity, media and cultural studies.

Far from Home Lorelie Brown,2016-08-01 My name is Rachel. I'm straight ... I think. I also have a mountain of student loans and a smart mouth. I wasn't serious when I told Pari Sadashiv I'd marry her. It was only party banter! Except Pari needs a green card, and she's willing to give me a breather from drowning in debt. My off-the-cuff idea might not be so terrible. We get along as friends. She's really romantically cautious, which I find heartbreaking. She deserves someone to laugh with. She's kind. And calm. And gorgeous. A couple of years with her actually sounds pretty good. If some of Pari's

kindness and calm rubs off on me, that'd be a bonus, because I'm a mess-anorexia is not a pretty word-and my little ways of keeping control of myself, of the world, aren't working anymore. And if I slip up, Pari will see my cracks. Then I'll crack. Which means I gotta get out, quick, before I fall in love with my wife.
