Pure Dead Brilliant Debi Gliori, 2003-09-09

There's trouble brewing at StregaSchloss! When Signora Strega-Borgia invites some would-be witches to stay, weird things begin to happen. Pandora can't resist the temptation of time travel. Titus picks up a strange-and deadly-computer virus. And it looks like they may have to trade in the family riches for a family curse. Are they falling under the witches' spell? Or is the ghost of the Strega-Borgias' past coming back to haunt them all?

Pure Dead Magic Debi Gliori, 2002-08-13 Things are not right at the Strega-Borgia castle. Signor Luciano Strega-Borgia has been kidnapped. Signora Baci Strega-Borgia is struggling with her spells at the Advanced Witchcraft Institute. Titus and Pandora don't like their suspiciously cheerful and fearless new nanny. Baby Damp has been accidentally shrunk, e-mailed, and lost on the World Wide Web. And to top it off, there's a gangster in a bunny suit lurking about. . . . This seriously over-the-top, gothic romp is sure to have readers clamoring for the next Strega-Borgia adventure.

Pure Dead Wicked Debi Gliori, 2013-01-30 With the slates of the StregaSchloss roof crumbling round their ears, the Strega-Borgia family, complete with staff and dungeon-dwelling beasts, is forced to decamp to a local hotel for Christmas. Bored of being cooped up with only his laptop for entertainment, Titus tries his own experiment in cyber-cloning, only to end up besieged by 500 miniature versions of himself and his sister Pandora. The beasts too are fed up at the hotel. Determined to return to StregaSchloss, Ffup the dragon, Sab the gryphon and friends set off cross-country, only occasionally distracted by the call of the wild . . . A superbly labyrinthine plot weaves together clones, kids, beasts and dodgy roofers with great humour and a touch of magic in this highly acclaimed second novel.

Drunk Stoned Brilliant Dead Rick Meyerowitz, 2019-03-15 Reprints and reminiscences from the magazine's first decade: "Fun to flip through . . . Where would American humor be without the National Lampoon?"—The New Yorker From its first issue in April 1970, the National Lampoon blazed like a comet, defining comedy as we know it today. To create *Drunk Stoned Brilliant Dead*, former Lampoon illustrator Rick Meyerowitz selected the funniest material from the magazine and sought out the survivors of its first electrifying decade to gather their most revealing and outrageous stories. The result is a mind-boggling tour through the early days of an institution whose alumni left their fingerprints all over popular culture: *Animal House*, *Caddyshack*, *Saturday Night Live*, *Ghostbusters*,

SCTV, Spinal Tap, In Living Color, Ren & Stimpy, The Simpsons—even Sesame Street counts a few Lampooners among its ranks. This is the story of a band of young talents who “irrevocably rewrote the landscape of American humor” (Publishers Weekly). “A vivid picture of a tight-knit family of twentysomething humorists at the dawn of their careers.” —Newsweek The other night I started laughing so hard I had to leave the room . . . And then I realized that I hadn’t laughed so hard in 35 years, since I was a teenager, reading National Lampoon.” —The Wall Street Journal “If you grew up with the Lampoon, this book is a trip down memory lane like no other; if not, it will demonstrate that the much maligned 70s could produce humor that has never been surpassed.” —Vanity Fair

Gone Again Doug Johnstone, 2013-02-26 'It's just to say that no-one has come to pick Nathan up from school, and we were wondering if there was a problem of some kind?' As Mark Douglas photographs a pod of whales stranded in the waters off Edinburgh's Portobello Beach, he is called by his son's school: his wife, Lauren, hasn't turned up to collect their son. Calm at first, Mark collects Nathan and takes him home but as the hours slowly crawl by he increasingly starts to worry. With brilliantly controlled reveals, we learn some of the painful secrets of the couple's shared past, not least that it isn't the first time Lauren has disappeared. And as Mark struggles to care for his son and shield him from the truth of what's going on, the police seem dangerously short of leads. That is, until a shocking discovery...

A Brilliant Death Robin Yocum, 2016-04-05 A 2017

EDGAR® AWARD FINALIST! Amanda Baron died in a boating accident on the Ohio River in 1953. Or, did she? While it was generally accepted that she had died when a coal barge rammed the pleasure boat she was sharing with her lover, her body was never found. Travis Baron was an infant when his mother disappeared. After the accident and the subsequent publicity, Travis's father scoured the house of all evidence that Amanda Baron had ever lived, and her name was never to be uttered around him. Now in high school, Travis yearns to know more about his mother. With the help of his best friend, Mitch Malone, Travis begins a search for the truth about the mother he never knew. The two boys find an unlikely ally: an alcoholic former detective who served time for falsifying evidence. Although his reputation is in tatters, the information the detective provides about the death of Amanda Baron is indisputable—and dangerous. Nearly two decades after her death, Travis and Mitch piece together a puzzle lost to the dark waters of the Ohio River. They know how Amanda Baron died, and why. Now what do they do with the information?

Pure Dead Wicked Debi Gliori, 2002-08-13 Just when the Strega-Borgias think it's safe to relax in their ancestral castle . . . it isn't. First their roof collapses, forcing them into the Auchenlochtermuchty Arms—the only local hotel that will accommodate three mythical beasts and one crocodile. Then Titus accidentally creates 500 tiny naked pink clones. And 500 tiny naked pink clones are not easy to manage. But not surprisingly, this isn't the biggest Strega-Borgia

dilemma—there's also a few evil contractors plotting to destroy their home forever. Perhaps the miniature kilted warriors arising from the spilled magic potion can help. . . .

When the Dead Come a Knockin' B L

Brunnemer, 2017-05-15 My name is Alexis Delaney, and I'm your average 17-year-old girl. Except I'm a Necromancer. Which means I can see the dead, talk to them and help them move on. Well, I used to be able to. Someone has sealed the Veil. Now the dead are stuck here. And with the extra energy floating around town, the ghosts are getting stronger. It's been two months since I came to Spring Mountain to live with Uncle Rory. And the guys, my five best friends, have done everything they can to help since. Things for once were almost normal, my issues with the dead had become routine. Until they all found girlfriends. Now I'm back to hiding everything again. With ghosts leaving their haunting grounds at will, new people asking questions and trying to build my link to the Veil, I don't know how the hell I'm going to pull this one off. But it can't get that bad, right?

Pure Dead Trouble Debi Gliori, 2006-08-08 Danger continues to find the members of the eccentric Strega-Borgia family at their Scottish castle, this time in the form of a butler who wants to blow up a nearby corporation and a demon who seeks the all-powerful Chronostone.

Dear Dead Person Benjamin Weissman, 1994 As the publishers say, these stories make the Mendezes look like Ozzie and Harriet. A mother hires hit men to kill her husband's second wife to get back her child, a boy has sex with a naked woman in a painting, a serial killer keeps body parts for sexual stimulus.

Mr. Men in Scotland Adam Hargreaves, 2019-01-10 Mr Strong is taking part in the Highland Games in Scotland and on the way, along with his friends, decides to take in the sights. They all have different ideas about what to see on their tour - Little Miss Splendid wants to visit a Woollen Mill, Mr Uppity demands to see Edinburgh castle and Little Miss Greedy wants to try haggis! But will Mr Strong manage to win the competition to become ultimate Highland Games champion?

Pure Dead Frozen Debi Gliori, 2008-09-09 As usual, the Strega-Borgia family can't seem to get a break: They've just welcomed a newborn boy Strega-Borgia into the world, but before they can give him a name, he's snatched and replaced with a demon baby. Mrs. McLachlan, the super-efficient (and supernatural) nanny is back, safe and sound—but so is the demon Isagoth, and he hasn't forgotten what he wants from the Strega-Borgias. And evil Uncle Lucifer has resurfaced, but this time he has the added ammunition of a pact with

S'tan the First Minister of the Headen Executive—otherwise known as His Imperial Inflammableness, his S'tainless Steeliness, and the Arch-Fiend. And S'tan himself is desperate to find the Chronostone, because. . . well, to put it bluntly, Hades is starting to freeze over, and without the Chronostone, he may never regain his power. The family's got to be ready—because this will be the final battle between good and evil, the battle where winner takes all. And they're going to need all the help they can get. . . .

Deep Trouble Debi Gliori, 2013-01-30 When the Strega-Borgias return from holiday to find that their faithful family retainer, Latch, has collapsed from unknown causes, it is only the start of their problems. Signora Strega-Borgia is feeling very peaky in the mornings, Titus is trying to save the world and Pandora has an embarrassing crush on the new butler (to say nothing of the fact that a demon is trying to invade StregaSchloss). Only Ffup the dragon is truly happy, due to her forthcoming marriage to the Loch Ness Monster. A fantastically epic plot, culminating in Flora McLachlan making the ultimate sacrifice, which will have committed fans and newcomers turning the pages late into the night.

Pure Dead Brilliant! Jock McNeill, 2021-07-08 Are ye Scottish AF? Get this notebook then, ya dobber! Yer maw loves it. 120 pages 6x9 Inches Ruled lined paper That's pretty much it

Pure Dead Batty Debi Gliori, 2012-03-28 Autumn has come to StregaSchloss, and as the days grow dark, an even darker depression has come over the Strega-Borgia family. Ever since the disappearance

of their beloved nanny, Mrs. McLachlan, nothing has been the same. To make matters worse, Luciano has been wrongfully charged with her murder and thrown into prison. Never has the family needed Mrs. McLachlan so badly! But with the help of a magical camera and a mysterious silver thread, there may still be hope. . . .

Pure Dead Trouble Debi Gliori, 2009-02-19 After a vacation in Italy, the Strega-Borgia clan arrives home to a shocking discovery: their faithful butler Latch lying comatose on the front doorstep, reeking faintly of sulphur. Horrified and troubled, Titus and Pandora suspect this may be an omen of bad fortune, but both are soon distracted by their own problems. Only Nanny McLachlan realizes the truth: Whatever it was that came for Latch is coming back. And when it does, will she alone be strong enough to protect the family?

Deep Fear Debi Gliori, 2013-01-30 An epic tale of a final battle between good and evil. The Strega-Borgias are in deep fear for their lives! The forces of evil are converging on StregaSchloss - demons, the Mafia, a changeling with a nasty bite - and the wild and weird Strega-Borgias must gather together their allies to fight back. But there are just a few too many distractions, with Damp the toddler-witch missing in action and a house full of wolves and bickering teenagers getting in the way. Can the family keep it together - even when they're scattered over time and place? A deliciously inventive and hilarious finale to the Pure Dead . . . series

Dead Brilliant Christopher Ward, 2017-06-02 Dying is the best way to revive your musical career ...

even if you're not really dead. It's all slipping away from Roc Molotov - his band, his girlfriend, and worst of all, his ability to play the game demanded by the star-making machinery of the music business. When the best record he's ever made is about to pass unnoticed, his oldest friend and manager, Uncle Strange, concocts the perfect scheme. Roc will fake his death, on MTV, in front of millions of viewers, assuring massive success on his latest project and the ability to create a body of ''''posthumous'''' songs to feed the grieving fans and satisfy his still-active artistic imagination. The plan works to perfection, but the ever-restless Roc finds that being dead has its limitations in this novel that's sex, death, and rock n' roll, played in a satirical key.
