Purple Passion: The inclination of the rightful sin Wilton Anthony Orr,2023-03-03 This book is about the artistry and interpretation of life in all forms. These are some of my favorite pieces that I've written. I couldn't figure a way to personally express my story to others so I write it down in words. I hope my story will not only empower others but also inspire them; that one day, your unspoken words will not only be seen and heard, but also recognized regardless of the color of your skin or the origin which you have come from.

**The Passion of the Purple Plumeria** Lauren Willig,2013-08-06 NEVER BEFORE PUBLISHED! Lauren Willig's Pink Carnation novels have been hailed as "sheer fun"\* and "charming."\*\* Now she takes readers on an adventure filled with hidden treasure and a devilishly handsome English colonel.... Colonel William Reid has returned home from India to retire near his children, who are safely stowed at an academy in Bath. Upon his return to the Isles, however, he finds that one of his daughters has vanished, along with one of her classmates. Because she served as second-in-command to the Pink Carnation, one of England's most intrepid spies, it would be impossible for Gwendolyn Meadows to give up the intrigue of Paris for a quiet life in the English countryside—especially when she's just overheard news of an alliance forming between Napoleon and an Ottoman Sultan. But, when the Pink Carnation's little sister goes missing from her English boarding school, Gwen reluctantly returns home to investigate the girl's disappearance. Thrown together by circumstance, Gwen and William must cooperate to track down the young ladies before others with nefarious intent get their hands on them. But Gwen's partnership with quick-tongued, roguish William may prove to be even more of an adventure for her than finding the lost girls.... READERS GUIDE INCLUDED

*Penelope's Purple Passions* Penelope Chaisson,2021-10-03 Have you ever fallen madly in love with someone who toyed with your emotions, shattered

your heart, and left you to pick up the pieces? Whether you're a novice, an intermediate, or seasoned individual on the relationship scene, the common thread is relationships can bring out the best and worst in human beings. This truth is at the essence of Penelope's *Purple Passions*. The book metaphorically borrows the emergence process of a butterfly to take readers on a journey of how innocent love starts out pure, gets exposed to pain, and uses the experiences to grow in the knowledge of self and love. Author Penelope Chaisson uses lessons from her personal roller coaster experiences and three decades of poetry writing to show different ways of turning a seemingly negative situation into a positive one. If you're at the intersection of love and hurt and need directions to the path of transformation, this is the book for you. Penelope passionately paints pictures with words to convey that love is a beautiful struggle.
