PWN the SAT: Math Guide Mike McClenathan,2016-02-17 PWN is back, and better than ever. The PWN the SAT Math Guide was created to help ambitious, highly motivated kids maximize their SAT math scores. Do you crave a higher score? Are you willing to do a little hard work to achieve it? Good. I knew I liked you. Read this book from beginning to end, with a pencil in hand and a calculator and an Official SAT Study Guide by your side. When you're done, you'll be able to approach the SAT with confidence—very few questions will surprise you, and even fewer will be able to withstand your withering attacks. Stand tall, intrepid student. Destiny awaits. Updated for the New SAT This new edition of the Math Guide has been updated, rather painstakingly, to reflect the realities of the new SAT coming March 2016. This book was not rushed to market to take advantage of interest in the new exam. I took my time, and hopefully I got it right. Chapters are broken into five major sections: Techniques, Heart of Algebra, Passport to Advanced Math, Problem Solving and Data Analysis, and Additional Topics in Math. Each chapter concludes with a reference list of similar questions from official practice tests. Practice questions are designated as either “Calculator” or “No calculator.” Students will be forbidden from using their calculators for one whole section of the new SAT. Emphasis is placed on nimbleness—the ability to approach problems in multiple ways to find the one that works best. Calculator solutions and shortcuts are provided where appropriate. Join me online Readers of this book are encouraged to register as Math Guide Owners at the PWN the SAT website. There will be video solutions and other bonus content there. Signing up there will also give me a way to get in touch with you if I make book updates. See details at <http://mathguide.pwnthesat.com>.

Ina's Kitchen Ina Pinkney,2015-10-19 Ina Pinkney—the beloved restaurateur known affectionately as the “Breakfast Queen”—has been feeding Chicago for more than 30 years. When she closed her namesake restaurant's doors in 2013, it headlined news across the Midwest. Now, the favorite dishes that thousands came to love at Ina's are showcased in the first paperback edition of her newly retitled book, *Ina's Kitchen: Taste Memories and Recipes from the Breakfast Queen*. Ina first self-published this book in hardcover in 2014, and it has already sold thousands of copies with minimal bookstore distribution. Ina's Kitchen is part cookbook part memoir, collecting 39 of Ina's favorite recipes with stories from her life. From milestone moments and warm memories to the “truth” about owning a restaurant, readers will gain a deeper understanding of one of Chicago's best-known culinary icons. Ina views her life as a recipe, and the book's chapters reflect that notion. From “Ingredients” and “Preparation” to “Clean Up,” readers will come to understand what inspired and drove Ina's love of food—and her culinary success. Recipes include everything from Ina's signature Blobs and Heavenly Hots to Foolproof Pancakes and Baked French Toast. In addition to breakfast favorites, Ina has also included savory dishes and dessert recipes. Ina's Kitchen is a love letter to the diners Ina has fed over the years. In it, she shares her wisdom with the same generosity—both of food and of spirit—that kept people coming back to her restaurant for decades.

Bed and Breakfast and Murder Patti Larsen,2017-02-21 A Poo Poo Kind of Morning I tried not to look down the mouth of hell staring back at me from inside the glaringly pristine outer ceramic shell of the white throne, my throat catching, stomach doing half flips and a rather impressive rollover routine that would have gotten at least a 9.5 even from the Russian judges. Instead, I forced myself to smile and swallow and remind myself the elbow length yellow rubber gloves grasping the handle of the standard issue plunger were all that stood between me and Pooageddon. Suck it up, Fee. Big girl panties and adulting and all that. At what point, I waved the dripping plunger, wincing as droplets of yuck flew, did I think owning a bed and breakfast was going to be glamorous and romantic? Fiona Fleming hasn't lived in Reading, Vermont in over a decade, her escape from small town living leading her to New York City and a life of adventure. An adventure that has left her with no career, an ex who cheated on her and zero plans for the future. Her grandmother's death grants her a new chance-inheriting Petunia's, Iris Fleming's bed and breakfast, seems like the ideal fresh start. But when Fee finds out ownership of the property Iris willed her might be in question, she's drawn into the seedy underbelly of the cutest town in America after being singled out as the main suspect in a murder.

How to Open and Operate a Bed and Breakfast Gerry MacPherson,2019-10-26 How do I open a bed & breakfast?This is a question I am often asked and probably the reason you are checking out this book. Before I answer, let me begin by asking you a couple of questions. Does the idea of being your own boss sound appealing to you? Is the thought of sharing your corner of the world with guests intriguing? Have you ever thought about owning your own bed and breakfast, but are not sure where to start? If you have answered YES to any of these questions, this book is for you. *It is designed to get you started if you have dreams of becoming a successful bed and breakfast proprietor. *I'll take you through the process of evaluating your or finding the right location. *Explain why you need a bed & breakfast organizational strategy. *Show you how to design your management strategy. *Help you develop an operation manual and show you how it works.*And what you need to know about outsourcing? As a travel authority with decades of bed & breakfast visitation experience, I wanted to share my expertise and knowledge with potential bed & breakfast owners who do not have the benefit of a ready-made organizational structure, branding and marketing that chain properties provide.
