Greg Cox

The Q Continuum Greg Cox, 2003-10-07 The unpredictable cosmic entity known only as Q has plagued Captain Jean-Luc Picard and the crew of the Starship Enterprise™ since their very first voyage together. But little was known of Q's mysterious past or of the unearthly realm from which he hails. Until now. A brilliant scientist may have found a way to breach the energy barrier surrounding the Milky Way galaxy, and the Enterprise is going to put it to the test. The last thing Captain Picard needs is a surprise visit from Q, but the omnipotent trickster has more in mind than his usual pranks. Kidnapping Picard, he takes the captain back through time to the moment the Q Continuum faced its greatest threat. Now Picard must learn Q's secrets -- or all of reality may perish!

St:tng:#47: Q-space Greg Cox, 2012-07-31 The Q Continuum is an extradimensional domain in which Q and others of his kind exist in immortality. Although immensely powerful and intelligent, they require the stimulus of novelty to maintain their vitality hence their interaction with other species. The unpredictable cosmic entity known only as Q has plagued Captain Jean-Luc Picard and the crew of the Starship Enterprise since their very first voyage together. But little is known of Q's mysterious past or that of the unearthly realm from which he hails. Now Picard must learn Q's secrets - or all of reality may perish!

The Q Continuum: Book Two: Q-Zone Greg Cox, 1999-07-14 The puckish super-

being called Q has bedeviled Captain Jean-Luc Picard and the crew of the Starship Enterprise™ since their first encounter at Farpoint Station. But little was known of Q's enigmatic past or that of the transcendent plane where he sometimes dwells. Now Picard must discover Q's secrets—for the sake of all that exists. While the Enterprise struggles to survive an alien onslaught, Captain Picard has been kidnapped by Q and taken on an astounding journey back through time to that immeasurably distant moment when the Continuum faced its greatest threat. But far more is at stake than simply the mysteries of the past, for an ancient menace is stirring once more, endangering the future of the galaxy, and neither Q nor Starfleet may be able to stop it!

The Q Continuum: Book One: Q-Space Greg Cox, 1999-07-14 The unpredictable cosmic entity known only as Q has plagued Captain Jean-Luc Picard and the crew of the Starship Enterprise™ since their very first voyage together. But little is known of Q's mysterious past or that of the unearthly realm from which he hails. Now Picard must learn Q's secrets—or all of reality may perish! Ever since its discovery, the great galactic barrier has impeded humanity's exploration of the universe beyond the Milky Way. Now a brilliant Federation scientist may have found a way to breach the barrier, and the Enterprise is going to put it to the test. The last thing Picard needs is a return visit from an omnipotent troublemaker so, naturally, Q appears. But Q has more in mind than his usual pranks, and while the Enterprise struggles to

defeat a powerful inhuman foe, Captain Picard must embark on a fantastic odyssey into the history of the Q Continuum itself, with the fate of the galaxy hanging in the balance.

Star Trek: Q Squared Peter David, 2012-10-30 In all of his travels Captain Jean-Luc Picard has never faced an opponent more powerful than Q, a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™. In the years since, Q has returned again and again to harass Picard and his crew. Sometimes dangerous, sometimes merely obnoxious, Q has always been mysterious and seemingly all-powerful. But this time, when Q appears, he comes to Picard for help. Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum. This renegade Q is named Trelane, also known as the Squire of Gothos, who Captain Kirk and his crew first encountered over one hundred years ago. Q explains that, armed with this incredible power, Trelane has become unspeakably dangerous. Now Picard must get involved in an awesome struggle between super beings. And this time the stakes are not just Picard's ship, or the galaxy, or even the universe, this time the stakes are all of creation.

The Q Continuum: Book Three: Q-Strike Greg Cox, 1999-07-14 The mischievous creature who calls himself Q has subjected Captain Jean-Luc Picard and the crew of the Starship Enterprise™ to many of their strangest experiences. But

little had been known of Q's curious existence or that of the advanced dimension from which he comes. But now Picard knows more than he ever dreamed about an ancient conflict whose consequences might spell the doom of the entire galaxy. The galactic barrier has fallen and Q's oldest enemy is free once more. Captain Picard and his crew find themselves in the middle of a cosmic war between vastly powerful entities. The future of the Federation may be at stake, but how can mere mortals turn the tide in such a superhuman battle? Picard has to find a way, or neither the Q Continuum nor the galaxy will survive.

Q's Guide to the Continuum Michael Jan Friedman, Robert Greenberger, 1998-09-01 Captain's log, Stardate Eleventy-leven eighty six point negative nine. Charted a blah blah blah with my blah blah crew today, collecting samples of blah blah blah... Aren't you tired of surveying all the brave new worlds and startling new civilizations of the galaxy with the safe, polite, politically correct members of the Federation? After all, they only have fun when they break their own rules and leave a communicator behind on a planet of curious mimics, or travel through time to play with tribbles. Wouldn't you rather travel the stars with me? Who am I? Spelled the same way front as back: Q! You've heard of me. All-seeing, all-knowing, dashing beyond comparison. The Q have been here since the dawn of time (and in some cases, a

little before that, but that's another story), and we've seen it all. But I've put it all together in a form you can understand. The title? Q's Guide to the Continuum! (Well, what did you think I would call it? Picard's Incessant Droning About Stellar Gas Formations?) Want to know what the longest-lived race in the galaxy is? It's here. Ever wonder who is the greatest mass murderer of all time? I know that, too. And are you dying to find out if a certain relative of mine ever played the harpsichord while dressed like a Victorian nobleman? Well, there are some things I won't tell you, but the rest will be revealed in Q's Guide to the Continuum! (Love that title, don't you?) Prepare to be enlightened!

Star Trek: The Q Conflict Scott Tipton,David Tipton,2019-10-30 The captains of the Original Series, The Next Generation, Voyager, and Deep Space Nine meet for the first time in a contest of unwilling champions! When a dispute between godlike beings threatens the galaxy, it will take all of Starfleet's best captains to stop them. Join James T. Kirk, Jean-Luc Picard, Kathryn Janeway, and Benjamin Sisko as they go head-to-head in a competition that will determine the fate of the Earth and beyond. Will they be able to emerge victorious, or will they be torn apart by THE Q CONFLICT?

All Good Things Michael Jan Friedman,2012-12-11 Seven years ago, Captain Jean-Luc Picard first faced the judgment of the Q Continuum -- a race of beings with God-like powers over time and space who presumed to gauge humanity's fitness to exist in the galaxy. Seven years ago they suspended judgment, but now a decision has been reached: The human race will be eliminated, not only in the present, but throughout time. Humanity will never have existed at all. The only chance to save mankind lies with Captain Picard. An old enemy has granted him the power to revisit his life as it was seven years before, and to experience his life twenty-five years in the

future. With the help of friendships that span time and space, Picard struggles to defeat the plans of the Q Continuum. But even as he fights to save the human race from total extinction, he has been set up to be the unwitting agent of mankind's destruction. In an effort to save humanity, Picard must sacrifice himself and all those he commands and if their sacrifice fails all mankind is doomed.

Star Trek: The Next Generation: Before Dishonor Peter David, 2007-10-30 An enemy so intractable that it cannot be reasoned with. The entire race thinks with one mind and strives toward one purpose: to add our biological distinctiveness to their own and wipe out individuality, to make every living thing Borg. In over two centuries, the Federation has never encountered a greater threat. Twice Starfleet assembled and threw countless starships to stand against them. The Borg were stopped, the price paid in blood. Humanity breathed a sigh of relief, assuming it was safe. And with the destruction of the transwarp conduits, the Federation believed that the killing blow had finally been struck against the Borg. Driven to the point of extinction, the Borg continue to fight for their very existence, for their culture. They will not be denied. They must not be stopped. The old rules and assumptions regarding how the Collective should act have been dismissed. Now the Borg kill first, assimilate later. When the Enterprise manages to thwart them once again, the Borg turn inward. The dark places that even the drones never realized existed are turned outward against the enemy they have never been

able to defeat. What is revealed is the thing that no one believed the Borg could do.
