Q Q. Anon,2018-07-04 What is #Qanon? Who is Q?Q is an anonymous poster claiming to be a person or team of persons with the highest level of clearance in the Trump administration.The original threads (also called breads) were posted on 4chan or 8chan, social media sites with absolute free speech. The posters on those sites are called Anons because all posting is Anonymous. To prove identity, other 'Proofs,' must be used, such as those provided by several of the puzzles posed by Q.The Q phenomenon raises many fascinating questions. Is Qanon a larp (short for live action role play), a psyop (propaganda war, short for psychological operation, usually from a hostile source)? Or is Q who he/they claim to be: a person or small group in Trump's administration--possibly including Trump himself? Even if Q is indeed a person with high level security clearance, are Q's explosive claims to be exposing and fighting treason at the highest levels of the American government true?The implications for America and the world are momentous either way. The Q Storm will go down in history as a critical turning point in the course of the United States of America, and, indeed, in politics world wide. The Storm represents an amazing confluence of the most grass roots form of political participation with possibly the highest level of military intelligence--in the context of an enormous struggle over the future of human freedom.The documents here are provided without opinion, so that you, the reader, can study, research, and decide.Read this and expand your thinking.

Q Rayna Gangi,2018-07-25 A fictional account of the Q phenomenon. Who is Q?A conspiracy theory? A ray of hope for so many? Q, The Awakening will make you ponder the possibilities.
