Working Toward Success Amy E. Van Deuren, Thomas F. Evert, Bette A.

Lang, 2016-02-10 The importance of positive board/superintendent relationships cannot be understated. The need to balance competing political pressures to create the best possible learning opportunities for students is ever present. Most importantly, board/superintendent relationships should be cultivated with openness and transparency among each other and the public. This book is a resource for both board members and superintendents, and explores issues related to the board/superintendent relationship and superintendent hiring practices. The book includes contributions from experienced and new superintendents and board members on a wide range of topics that boards and superintendents must navigate together successfully in order to move districts in a positive direction for students, staff, parents, and communities. This book is unique in that the intended audience is both boards and superintendents. It is not a resource wherein "experts" tell board members how they should conduct board business, nor a resource

that informs superintendents how to “manage” school boards. Instead, the book promotes and encourages a productive working relationship and partnership that moves school districts forward in a positive manner.

Thriving as a Superintendent Thomas F. Evert, Amy E. Van Deuren, 2013-02-13
Thriving as a Superintendent: How to Recognize and Survive an Unanticipated Departure is a resource for active and aspiring superintendents, which explores issues surrounding superintendent unanticipated departures. The book places special emphasis on lessons learned from the superintendents interviewed and current research about how to prepare for, recognize, and negotiate through an unanticipated departure, as well as how to move forward should such a departure occur.
