*The Black Pullet* Anonyme,2023-01-31 The work which we offer to the public must not be confused with a collection of reveries and errors to which their authors have tried to give credence by announcing supernatural feats; which the credulous and the ignorant seized with avidity. We only quote the most respectable authorities and most dignified in faith. The principles which we present are based on the doctrines of the ancients and modern, who full of respect for the Divinity, were always the friends of mankind, endeavoured to recall them to virtue, by showing them vice in all its deformity. We have drawn from the most pure sources, having only in view the love of truth and the desire to enlighten those who desire to discover the secrets of Nature and the marvels which they unfold to those who never separate the darkness which surrounds them. It is only given to those who are favoured by the Great Being, to raise themselves above the terrestrial sphere, and to plan a bold flight in the etheric regions; it is for these privileged men that we write...

A Witch's Craft Volume 2: A Witch's Book of Correspondences Viktorija Briggs,2012-05-07 A Witch's Craft, Volume 2: A Witch's Book of Correspondences is a book of tables for all of the correspondences a Witch will use in their Craft work. A Witch's Craft, Volume 1: Dictionary for a Witch's Grimoire completes the set with all of the terminology, symbols, and cross-referenced correspondences a Witch will ever use.

The Black Pullet, English Edition Edmund Kelly,2019-07-15 THE BLACK PULLET The book itself contains information regarding the creation of certain magical properties, such as talismanic rings, amulets and the Black Pullet itself. The book also teaches the reader how to master the extraordinary powers from these magical properties. Perhaps the most interesting magical property claimed in the book is the power to produce the Black Pullet, otherwise known as the Hen that lays Golden Eggs. The grimoire claims that the person who understands and attains the power to instruct the Black Pullet will gain unlimited wealth. The notion of such a lucrative possession has been reflected throughout history in fables, fairy tales and folklore. This text has often been associated to two other texts, known as the Red Dragon (or The Grand Grimoire) and the Black Screech Owl. Edited and translated into English by Edmund Kelly The Black Pullet Is a book that holds its place in occult literature.

Handbook of Research on Digital Citizenship and Management During Crises Öngün, Erdem,Pembecioğlu, Nilüfer,Gündüz, Uğur,2021-11-12 Today, individuals and societies of the digital age are no longer constrained by conventional contexts, narratives, settings, and status; they are surrounded and guided by digital tools and applications leading to a digital revolution. That digital revolution changed the individual along with living styles and cultural and social relations among people. Moreover, these revolutionary changes and the increasing capabilities of smart devices have brought today's people a new kind of public sphere with questionable freedoms but also restraints in its digital dimensions. Now, it is possible to talk about the digital dimension and equivalence of all the concepts that are both individually and socially constructed in a new digital world. The Handbook of Research on Digital Citizenship and Management During Crises covers many different components engaged with digital world responsibilities. The authors assess the position, status, and reactions of the new citizen against future catastrophes. Covering topics such as epistemic divide, internet addiction, and new media technologies, this text serves as a cutting-edge resource for researchers, scholars, lawmakers, trainers, instructional designers, university libraries, professors, students, and academicians.

**The Jewish War** Flavius Josephus, 1997 Josephus, soldier, statesman, historian, was a Jew born at Jerusalem about 37 CE. A man of high descent, he early became learned in Jewish law and Greek literature and was a Pharisee. After pleading in Rome the cause of some Jewish priests he returned to Jerusalem and in 66 tried to prevent revolt against Rome, managing for the Jews the affairs of Galilee. In the troubles which followed he made his peace with Vespasian. Present at the siege of Jerusalem by Titus, he received favours from these two as emperors and from Domitian and assumed their family name Flavius. He died after 97. As a historical source Josephus is invaluable. His major works are: History of the Jewish War, in seven books, from 170 BCE to his own time, first written in Aramaic but translated by himself into the Greek we now have; and Jewish Antiquities, in twenty books, from the creation of the world to 66 CE. The Loeb Classical Library edition of the works of Josephus also includes the autobiographical Life and his treatise Against Apion.
