Informal Politics in Post-Communist Europe Michal Klíma,2019-09-19 This book offers a fascinating, thought-provoking and ground-breaking study of post-communist political life. It is published just as the countries of Central and Eastern Europe mark thirty years since gaining freedom and have embarked on the path of democracy. This book is one of the first full-length academic works to explore the question of how informal structures, headed by bosses, godfathers and oligarchs, affect formal party politics and democracy. The unique post-communist transition is observed as a specific historical moment of disorder, offering a window of opportunity for the large-scale exploitation of public resources in the sense of a kind of Klondike Gold Rush. Phenomena of corruption, clientelism, patronage, party capture and state capture are topical themes that are deeply explored. This text will be of key interest to scholars and students of Central and Eastern European politics, democratisation, transitional societies, clientelism, party systems and more broadly of comparative and European politics.

Postcards from Absurdistan Derek Sayer,2022-11-01 A sweeping history of a twentieth-century Prague torn between fascism, communism, and democracy—with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural and political history of Prague from 1938, when the Nazis destroyed Czechoslovakia’s artistically vibrant liberal democracy, to 1989, when the country’s socialist regime collapsed after more than four decades of communist dictatorship. Derek Sayer shows that Prague’s twentieth century, far from being a story of inexorable progress toward some “end of history,” whether fascist, communist, or democratic, was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan. Situated in the eye of the storms that shaped the modern world, Prague holds up an unsettling mirror to the absurdities and dangers of our own times. In a brilliant narrative, Sayer weaves a vivid montage of the lives of individual Praguers—poets and politicians, architects and athletes, journalists and filmmakers, artists, musicians, and comedians—caught up in the crosscurrents of the turbulent half century following the Nazi invasion. This is the territory of the ideologist, the collaborator, the informer, the apparatchik, the dissident, the outsider, the torturer, and the refugee—not to mention the innocent bystander who is always looking the other way and Václav Havel’s greengrocer whose knowing complicity allows the show to go on. Over and over, Prague exposes modernity’s dreamworlds of progress as confections of kitsch. In a time when democracy is once again under global assault, Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world.

Praha na hřbitově metropolí Miroslav Belica,2018-01-01 Afghánistánu se po sérii neúspěšných britských tažení v minulém a předminulém století přezdívá hřbitov metropolí. Účastí na kontroverzních velmocenských operacích dobových spojenců se zde v posledních čtyřech dekadách angažuje také Praha. V první den sovětské okupace Afghánistánu roku 1979 byl z československého exilu do prezidentského paláce v Kábulu Moskvou dosazen komunistický předák Babrak Karmal. Po sovětském stažení a ovládnutí země militantními islámskými skupinami, které se ve své době těšily podpoře Washingtonu, okupovaly po 11. září hřbitov metropolí zase Spojené státy spolu s Velkou Británií. Do čela Afghánistánu dosadily amerického občana Hamída Karzajího. To, co začalo jako válka proti Al-Káidě, se ale rychle změnilo v permanentní válku proti pastevcům a vesničanům, kteří nechápou důvod přítomnosti cizích vojsk v jejich zemi a odmítají se s tím smířit. Praha vysílá naše vojáky do Afghánistánu od roku 2002 a celkově se jich zde v několika turnusech vystříдалo sedm tisíc. Praktický efekt celé této „křížové výpravy“, jak ji předvídavě hned týden po 11. září nazval americký prezident Bush, zůstává přinejmenším sporný. Svět dnes není bezpečnější a ani Afghánistán se stabilizovanou a prosperující zemí nestal.

Karel Rožánek: Zápisky z Afghánistánu Karel Rožánek,2022-01-01 Autentické svědectví z válečných oblastí Afghánistánu od známého reportéra Působil jako zahraniční korespondent ČT v Afghánistánu a natáčel reportáže z míst, kde sloužily jednotky Armády ČR. Karel Rožánek přináší osobní svědectví o zahraničních misích v divoké zemi lovců draků. V čem spočívá práce reportéra v místních oblastech? Jak probíhala návštěva Miloše Zemana nebo koncert Daniela Landy pro české vojáky? Silná výpověď doplněná o unikátní fotografie zaujme všechny, kdo se zajímají o Afghánistán, novinářskou praxi i vojenská témata. „Válka v Afghánistánu měnila životy nejen obyvatel této země, ale ovlivňovala dění v mnoha místech světa. Pro USA to byla nejdelší válka v historii, Česko v tomto konfliktu ztratilo nejvíc vojáků od 2. světové války. Málokdo sledoval české vojáky a jejich boj – se zbraní v ruce i o srdce a mysl místních obyvatel – z větší blízkosti než Karel Rožánek. V této unikátní knize zachycuje jejich příběhy i proměny Afghánistánu v průběhu dvaceti let války – jako vždy s neopakovatelnou přímostí a autenticitou.“ – Michal Kubal, zahraniční reportér a moderátor České televize

Vězení jako zrcadlo společnosti Klára Pinerová,Michal Louč,Kristýna Bušková,2021-06-01 Československé vězeňství prošlo ve druhé polovině 20. století výraznými změnami. Po druhé světové válce zde vládla represe a dehumanizace. V šedesátých letech vývoj vězeňství následoval proměnu společnosti. Represivní přístup začal být považován za neefektivní a cílem měla být resocializace odsouzeného na základě odborných výzkumů. V období tzv. normalizace vězeňská zařízení prostoupila disciplinace a požadavky na plnění neúměrných pracovních norem. Po roce 1989 muselo dojít k zásadní transformaci celého systému. Jak se vězeňství od šedesátých let vyvíjelo a jaké myšlenky v převýchově byly uplatňovány? S jakými podmínkami se nejenom političtí vězni museli vyrovnat? Jak personál přistupoval k odsouzeným a obhajoval použití disciplíny a těžké práce? To jsou otázky, na které se tato kniha snaží odpovědět. Ukazuje, že se ve vězeňství zrcadlí charakter celé společnosti a mnohé o ní vypovídá.

The Velvet Philosophers Barbara Day,1999-01-01 No Marketing Blurb

Good-bye, Samizdat Marketa Goetz-Stankiewicz,1992 Good-by, Samizdat offers the first collection of some of the best of underground texts. Divided into three sections, it includes fiction, cultural and political writing, and philosophical essays. The writings reflect the creative thought of some of the best minds of modern times, from the well-known - Ivan Klima, Ludvík Vaculík, Václav Havel - to writers who are as yet unknown in the West.

Nové čtení Radovana Richty Pavel Sirůček,Radim Valenčík ,2023-06-04 Akademik, filozof, sociolog, prognostik, vedoucí mezioborového výzkumného týmu PhDr. Radovan Richta, DrSc. (1924 – 1983)2 náleží k předním českým marxistickým vědcům 20. století. Těžiště celoživotního úsilí soustředil na studium problémů vědeckotechnické revoluce za socialismu a jejích společenských a lidských souvislostí. Na Východě i Západě se proslavil knihou Civilizace na rozcestí, která v mnohém předběhla dobu. Poselství R. Richty zůstává inspirativní i ve světle civilizačních rozcestí současných. Richtu (a jeho týmy) lze označit za předchůdce úvah o tzv. společnosti vědění, kybernetické revoluci, globalizaci, ohledně tzv. čtvrté průmyslové revoluce a dopadů technologií 4.0 či 5.0, zpráv Římského klubu, ovšem i teorií lidského kapitálu, systémového přístupu anebo (post)moderní teorie chaosu etc. Monografie představuje Richtův život a dílo, zasazené do kontextu dobového i dnešního. K cílům náleží iniciování diskuzí o otevřeném odkazu R. Richty ve světle kulatých Richtových výročí (100. let narození v roce 2024, resp. 40. let od jeho úmrtí v roce 2023).

A Czech Dreambook Ludvík Vaculík,2019-10-01 It’s 1979 in Czechoslovakia, ten years into the crushing restoration of repressive communism known as normalization, and Ludvík Vaculík has

writer’s block. It has been nearly a decade since he wrote his last novel, and even longer since he wrote the 1968 manifesto, Two Thousand Words,” which the Soviet Union used as one of the pretexts for invading Czechoslovakia. On the advice of a friend, Vaculík begins to keep a diary: a book about things, people and events.” Fifty-four weeks later, what Vaculík has written is a unique mixture of diary, dream journal, and outright fiction – an inverted roman à clef in which the author, his family, his mistresses, the secret police and leading figures of the Czech underground play major roles.

APPENDICE STATISTICA 2012/2013 - Soccer World Special Edition Lorenzo Gravela,

Writing Underground Martin Machovec,2019-12-01 Výbor ze studií literárního historika a editora Martina Machovce, které vznikaly v posledních dvou dekadách (2000–2018), představuje celou řadu faset uvažování o fenoménu undergroundu. V jednotlivých studiích se zabývá zejména undergroundovou literaturou z okruhu I. M. Jirouse a rockové skupiny The Plastic People of the Universe, ale věnuje pozornost i širším souvislostem této literatury – jejím předchůdcům z 50. let (okruh Egona Bondyho a Ivo Vodseďálka), roli ve společenství Charty 77, vazbám na angloamerické prostředí nebo hudebním a scénickým realizacím a způsobu, jakým byly tyto texty v samizdatu šířeny. In this collection of writings produced between 2000 and 2018, the pioneering literary historian of the Czech underground, Martin Machovec, examines the multifarious nature of the underground phenomenon. After devoting considerable attention to the circle surrounding the band The Plastic People of the Universe and their manager, the poet Ivan M. Jirous, Machovec turns outward to examine the broader concept of the underground, comparing the Czech incarnation not only with the movements of its Central and Eastern European neighbors, but also with those in the world at large. In one essay, he reflects on the so-called Půlnoc Editions, which published illegal texts in the darkest days of the late forties and early fifties. In other essays, Machovec examines the relationship between illegal texts published at home (samizdat) and those smuggled out to be published abroad (tamizdat), as well as the range of literature that can be classified as samizdat, drawing attention to movements frequently overlooked by literary critics. In his final, previously unpublished essay, Machovec examines Jirous’s “Report on the Third Czech Musical Revival” not as a merely historical document, but as literature itself.

The Far Reaches Michael D Gubser,2014-07-30 “By restoring morality to phenomenology, and phenomenology to East European politics, Gubser has rewritten the intellectual history of the twentieth century.” —Samuel Moyn, author of Liberalism Against Itself When future historians chronicle the twentieth century, they will see phenomenology as one of the preeminent social and ethical philosophies of its age. The phenomenological movement not only produced systematic reflection on common moral concerns such as distinguishing right from wrong and explaining the status of values; it also called on philosophy to renew European societies facing crisis, an aim that inspired thinkers in interwar Europe as well as later communist bloc dissidents. Despite this legacy, phenomenology continues to be largely discounted as esoteric and solipsistic, the last gasp of a Cartesian dream to base knowledge on the isolated rational mind. Intellectual histories tend to cite Husserl’s epistemological influence on philosophies like existentialism and deconstruction without considering his social or ethical imprint. And while a few recent scholars have begun to note phenomenology’s wider ethical resonance, especially in French social thought, its image as stubbornly academic continues to hold sway. The Far Reaches challenges that image by tracing the first history of phenomenological ethics and social thought in Central Europe, from its founders Franz Brentano and Edmund Husserl through its reception in East Central Europe by dissident thinkers such as Jan Patocka, Karol Wojtyla (Pope John Paul II), and Václav Havel. “In his fascinating and elegantly written book, Michael Gubser leads us away from intellectual history’s traditional stomping grounds in France, Germany, and the United States, and focuses on the understudied Eastern bloc.” —Edward Baring, Modern Intellectual History

Making History Michael Long,2005-02-02 Making History: Czech Voices of Dissent and the Revolution of 1989 brings together the personal narratives of eleven former dissidents who, though close associates of Václav Havel, operated without his international celebrity. The narratives, based on interviews conducted by the author in Prague and Berlin, relate each individual's personal experiences on topics such as growing up in Czechoslovakia, life as a dissident, the Velvet Revolution, and the achievements and failures of the Czech Republic since 1989.
