Out of Her Mind T. R. Ragan,2020 A string of copycat crimes leads a reporter down a terrifying path in a heart-stopping thriller by New York Times bestselling author T.R. Ragan. Crime reporter Sawyer Brooks still grieves for the family she and her two sisters never had. Raised in a house of horrors, they continue to fight through the trauma--releasing their rage by seeking justice for those who are just as vulnerable as they were. When a little girl's bones are unearthed in Sacramento's Land Park and twelve-year-old Riley Addison disappears, solving these cases becomes an obsession for Sawyer--one that puts her job at risk. Yet she can't turn back, and the deeper Sawyer's investigation goes, the darker it gets. A psychopath is on the loose and has been trolling Sacramento for years--hiding in plain sight behind a motherly facade. The more Sawyer persists, the closer she gets to a disturbing place reminiscent of her own terrorized childhood. With time running out, Sawyer will risk anything to save Riley from the dark. But the killer will do anything to keep her there.

Philadelphia's Black Mafia S.P. Griffin,2003-07-31 Philadelphia's 'Black Mafia' could be used as primary reading in deviance and organized crime courses.

Academicians in the fields of criminology, sociology, history, political science and African-American Studies will find the book compelling and important. This book provides the first sociological analysis to date of Philadelphia's infamous Black Mafia which has organized crime (with varying degrees of success) in predominantly African-American sections of the city dating back to the late 1960's. Philadelphia's 'Black Mafia': -is a first step in developing both data and sophisticated theoretical propositions germane to the ongoing study of organized crime; -uses primary source documents, including confidential law enforcement files, court transcripts and interviews; -explores the group's activities in detail, depicting some of the most notorious crimes in Philadelphia's history; -thoroughly examines the organization of the Black Mafia and the group's alliances, conspiracies and conflicts; -challenges many of the current historical and theoretical assumptions regarding organized crime.
