

Rainbow Stories

L'Rain McConnell

The Rainbow Stories William T. Vollmann, 1989 From a writer who has won comparison with Thomas Pynchon and William S. Burroughs comes thirteen unnerving and often breathtaking stories populated by punks and angels, skinheads and religious assassins, streetwalkers and fetishists--people who live outside the law and in the clear light of the every day. Set in landscapes as diverse as ancient Babylon, India, and the seamy underbelly of San Francisco, these daring and innovative tales are laced with Vollman's fertile imagination. The Rainbow Stories ushers us into a world that bears an awful yet hypnotic resemblance to that of our deepest nightmares, confirming Vollman's reputation as a dark visionary of contemporary fiction.

The Rainbow Stories William T. Vollmann, 1992-07 A collection of thirteen short fiction stories about people around the world who live outside the law.

Stories from 'Rainbow'. , 1979-01-01

Rainbow Stories George Walter Caldwell, 1919

Rainbow Rainbow Lydia Conklin, 2022-05-31 Longlisted for The Story Prize & the PEN/Robert W. Bingham Prize for Debut Short Story Collection A fearless collection of stories that celebrate the humor, darkness, and depth of emotion of the queer and trans experience that's not typically represented: liminal or uncertain identities, queer conception, and queer joy In this exuberant, prize-winning collection, queer, trans, and gender-nonconforming characters seek love and connection in hilarious and heartrending stories that reflect the complexity of our current moment. A nonbinary writer on the eve of top surgery enters into a risky affair during the height of COVID. A lesbian couple enlists a close friend as a sperm donor, plying him with a potent rainbow-colored cocktail. A lonely office worker struggling with their gender identity chaperones their nephew to a trans YouTube convention. And in the depths of a Midwestern winter, a sex-addicted librarian relies on her pet ferrets to help resist a relapse at a wild college fair. Capturing both the dark and lovable sides of the human experience, Rainbow Rainbow establishes debut author Lydia Conklin as a fearless new voice for their generation.

Rainbow Tales for Kids Richard de Gallienne, Mary Edward Feehan, Richard Hallet, 2013-09-14 Four short stories about rainbows are selected from several books of fairy tales from different sources. These tales are designed to be fascinating reading for young children. The tales are: (1) The Maker of Rainbows, (2) Rainbow Pete, (3) Mary's Rainbow, and (4) The Rainbow, After the Thunder-Storm. Children have enjoyed reading these fairy tales for years and it is good to find them in one single volume. It is a pleasure to publish this new, high quality, and affordable edition of these timeless stories.

Rainbow Stories Viera G. Faith, 2015-11-30 Children's book and parent's handbook This book helps with raising your child with the knowledge of their RAINBOW NUMBERS & COMMUNICATION ® and thus develops the child's personality and prevents conflicts. To read this story choose a calm evening and before sleep with minimal distractions. The picture part of this book faces the child so that the child will fully perceive the illustrations while at the same time listening to the stories, therefore better imagine the situation. According to instruction, in the first part of the book the child should allocate the two fir cones to the tree that they view as being most important in the whole forest. After reading the story, leave your sweetheart to settle down while you study the second half of the book. Here you will find the knowledge of RAINBOW NUMBERS & COMMUNICATION ®. I believe that this knowledge will help you to make a beautiful relationship with your most dearest. With love, Viera G. Faith

Rainbow Stories Edward Harshman, 2019-10-27 □Daddy, tell us a story about a dog rainbow.□ Another night, it might have been a fish rainbow, a monster rainbow, or even a bad rainbow. These stories, about rainbows and fairies and witches and ghosts and other things, were the few that Edward remembers from the days when his children were small

and appreciated the magic of fairyland and the lively imagination of his father. Most stories that he told then, including those of Cartoonland and of the Walking Heads, were told once and are gone forever. But all of the Rainbow Stories have survived. No publisher will accept this anthology. The vocabulary is for adults and older children, and the concepts are for young children. But perhaps the pleasure that Edward's children felt can be felt by other people young at heart. There is, however, a serious message. The Fairy of Good Vision, who appears in many of the Rainbow Stories, bases her behavior and even her color on the work of rebel eye doctor William H. Bates, teaching in The Happy Rainbow a visual exercise that helps prevent young children from acquiring the need for eyeglasses. Take a trip to Fairyland. It's a lovely place.

Cuento Del Arcoíris Omar and Oyuki Hodoyan Aguilar, 2018-08-14 The rainbow story is a narrative written and illustrated by children for children. It is a journey into the imagination of a boy and a girl who travel on a rainbow to colorful landscapes and learn words in two different languages. Everyone is invited to ride on the rays of knowledge and to discover the magic of light through poetry, science facts and one simple experiment.-- Publisher's description.

Reading Rainbow Readers: Family Stories You Can Relate To Chronicle Books Staff, Chronicle Books, 2001-07 Based on the PBS television show, this series of books encourages readers to take the next step as they learn to read independently. In this title, two grandmas disagree about everything, and two siblings scramble to cover their tracks before Mom and Dad get home. Features stories by Marc Brown, Arnold Lobel, and others. Full-color illustrations.

The Rainbow of Stories Aadya Garnaik, iNTELLYJELLY proudly introduces an AUTHOR who always surprised her mentors with her inquisitiveness, talent, wit, and charm. Aadya Garnaik, 10 years, Shiv Nadar Schol, Gurugram is one of the most promising authors of 'Author & Publish program by iNTELLYJELLY'. This is an ecstatic moment, as we invite you to read her book, 'The Rainbow of Stories'- a colorful collection of short stories, designed, illustrated and published by iNTELLYJELLY. Heartiest congratulations to Aadya, one of the youngest authors, as she has achieved what many aspire for! Aadya enjoys creating stories and feels that everything around her, has a story of its own. For her writing is a way to open her heart to the world and share what she feels. iNTELLYJELLY helps young writers through its 'Author & Publish workshop series' to become PUBLISHED AUTHORS. The book also unveils messages by the author's mentors and parents thereby adding a personal touch and creating a bridge between the author and her readers. Her stories are a rich manifestation of imagination and experiences culminating in an exquisite book with vivid illustrations alongside. View the world around us through the eyes of a young author and get transported to a magical world of her own making. Read about Eva and her dog Marmaduke's adventures, a magical pillow that transforms a young proud princess and makes her humble, a little inventor who successfully invents a device to help the old, a story about a talking brinjal plant- find all this and more inhabiting the pages of this exquisite book, which has been developed based on the learnings of the 'Author & Publish' workshops conducted by iNTELLYJELLY. Reading can be so much fun when written by someone like Aadya who has always been forthcoming in penning down her thoughts and experiences.

What if the Rainbow is a Place L'Rain McConnell, 2009-10-20 What if the Rainbow is a Place ... a Magic Rainbow Story Engages the reader and the child. Filled with fun activities to increase knowledge of all the rainbow colours, inspirational and comforting. Written to increase self-esteem and confidence in children supporting optimal performance in school and in life. A joy to read. The author encourages group readings and may be contacted to appear in full costume. This is a story about a young Irish boy who had a dream. His dream is to catch a Rainbow, follow it to the end and reach the Pot

of Gold. One day the boy's dream comes true. According to the Legend Lloyd George must learn all about the colours of the Rainbow before he can catch it. Two Grandfathers teach him the secret qualities of each colour. The boy finds a very big surprise and a blessing. The activities are designed to bring out the artist... because everyone is an artist. Life is Art

Jan's Rainbow; Stories of Hope; How Those We Have Loved and Lost Stay in Touch Lindsay Collier, 2002-06-05 It was just one day after Lindsay Collier's wife of forty years, Jan, lost her battle with ovarian cancer that a beautiful rainbow surrounded their home in upstate New York where family members were gathered to celebrate her life. Since that time there have been many amazing experiences that have provided some very compelling proof that Jan is not very far away. And Lindsay, a former engineer (engineers always need proof), is not one who is prone to fantasy which makes these occurrences all the more believable. He also tells about some other rather amazing experiences that he and his family have had following losses of other loved ones. These stories alone will make a believer out of you. But there is much more! Lindsay also found that, as he related these stories to friends and associates, he would often find that they would frequently offer their own stories about how lost loved ones had made contact with them. The stories were amazing and revolved around everything from dragonflies to birds to lights and clocks changing to things appearing out of nowhere. There are more than twenty-five of these included in the book, all of which will leave you feeling very good - and a little less lonely for those you have lost. Lindsay made a commitment to learn as much as he could from his loss and to help others to find ways to survive their loss. He has spoken to a number of bereavement groups about how to survive loss and shares these insights in Jan's Rainbow. His suggestions and ideas on dealing with loss come from true experience. Before taking early retirement, Lindsay was the Creative Thinking Guru for Kodak so his ideas tend to be different. As he says, Losing a loved one is a life-changing experience and it requires some very creative thinking to get through it. There are some wonderful, and very different, tips for dealing with loss included that will ease the journey through the bereavement process. Included are ways to re-frame your thinking, how to use positive humor in your healing, and the use of metaphors to expand your thinking or finding innovative ways to survive, and much, much more. This book is a must for anyone who has lost a loved one or knows of someone who has. It is the ultimate feel good book for helping people to deal with losing a loved one. You'll cry, you'll laugh, and you'll be lifted to a new level of hope. A substantial portion of the proceeds of this book will be donated to Gilda's Club of Rochester (New York), an organization built in memory of Gilda Radner which provides help to women with cancer.

Stories of Rainbow and Lucky Jacob Abbott, 1861

My Rainbow Stories Rupert Junior, 2023-06-14 My Rainbow Stories is a special journal to describe the adventures you would have following a rainbow path. Image the world within the rainbow, and write & draw all that you discover. Would you meet any creatures, what would you learn from the rainbow environment? My Stories are a series of interactive writing journals, to help inspire creativity in the minds of little ones. Each book has writing prompts and illustration spaces to help kids bring their stories to life on paper.

The Rainbow People Laurence Yep, 1992-08-30 Culled from 69 stories collected in a [1930s] WPA project, [these 20] tales are organized into sections with themes like 'Tricksters' or 'Virtues and Vices,' each with a thoughtful introduction placing the individual stories in the context of feelings and background of the original tellers. Yep's telling is vigorous, often poetic, imbued with earthy humor and realism touched with fatalism. A handsomely designed collection. —K. Notable Children's Books of 1989 (ALA) The USA Through Children's Books 1990 (ALA) 1989 Boston Globe-Horn Book Award for Nonfiction 1990 Fanfare Honor List (The Horn Book) 1989 Children's Editors' Choices

This Is Our Rainbow Katherine Locke, Nicole Melleby, 2021-10-19 The first LGBTQA+ anthology for middle-graders featuring stories for every letter of the acronym, including realistic, fantasy, and sci-fi stories by authors like Justina Ireland, Marieke Nijkamp, Alex Gino, and more! A boyband fandom becomes a conduit to coming out. A former bully becomes a first-kiss prospect. One nonbinary kid searches for an inclusive athletic community after quitting gymnastics. Another nonbinary kid, who happens to be a pirate, makes a wish that comes true--but not how they thought it would. A tween girl navigates a crush on her friend's mom. A young witch turns herself into a puppy to win over a new neighbor. A trans girl empowers her online bestie to come out. From wind-breathing dragons to first crushes, *This Is Our Rainbow* features story after story of joyful, proud LGBTQA+ representation. You will fall in love with this insightful, poignant anthology of queer fantasy, historical, and contemporary stories from authors including: Eric Bell, Lisa Jenn Bigelow, Ashley Herring Blake, Lisa Bunker, Alex Gino, Justina Ireland, Shing Yin Khor, Katherine Locke, Mariama J. Lockington, Nicole Melleby, Marieke Nijkamp, Claribel A. Ortega, Mark Oshiro, Molly Knox Ostertag, Aisa Salazar, and AJ Sass.

Rainbow Stories Dorothy E. White Christian, Ruth Lellah Carr Wheeler, 1943

Reading Rainbow Readers: Adventure Stories That Will Thrill You Chronicle Books Staff, Chronicle Books, 2001-07 Reading Rainbow RM is known across the country for making the picture book reading experience a welcome adventure. Since the launch of Reading Rainbow RM Readers a year ago, this award-winning TV show has been encouraging children to take the next step as they learn to read independently. Bringing together the best first-level easy-to-read stories into 8 theme-related collections. Reading Rainbow RM Readers continue to make reading more fun than ever! Explore the Arctic tundra with a pack of sled dogs, or go sailboating into the middle of a wild storm! Includes 5 stories, featuring Betsy Byars, Arnold Lobel, Cynthia Rylant, Mark Teague, and more. Features cover art by Trina Schart Hyman.

Noah Henry Deana Sobel Lederman, 2020-06-15 Just like any other day, Noah Henry is getting ready to go to school until he is told by his parents that the school is closed. Sadly, the zoo is also closed and he won't be able to play with his little friends, either. The situation doesn't change even when, after talking to his teacher, he and his younger brother wash their hands as they are told. Not until he goes out for a walk with his family, does he notice that his friends have drawn a rainbow and displayed it on their windows, realising that they also share the same uncertainty, and that hopefully soon, they will all play together again.
