*Chemical Khichdi* Aparna Piramal Raje, 2022-05-06 Aparna Piramal Raje's life looks successful. Hailing from a well-known business family, she is married, has two children, is a published author, a popular columnist with a leading daily and was the CEO of a leading furniture company. However, only a few close friends and family members were aware that she struggled with a serious mental illness--bipolar disorder--for two decades. Also known as manic depression, bipolar disorder is characterized by extreme shifts in moods and energy levels, leading to euphoric highs and damaging lows. Now, Aparna wants to tell the story of how she learnt to come to terms with her condition. Part memoir, part reportage and part self-help guide, *Chemical Khichdi* seeks to remove some of the stigma associated with a serious mental illness in an empathetic, accessible and candid way. Its 'seven therapies' present a hopeful and helpful pathway for all those with a mental health condition, their loved ones and their mental health practitioners, with the message that they can live with a vulnerability and thrive.

*Security and Microservice Architecture on AWS* Gaurav Raje, 2021-09-08 Security is usually an afterthought when organizations design microservices for cloud systems. Most companies today are exposed to potential security threats, but their response is more reactive than proactive. That leads to unnecessarily complicated architecture that's harder to implement and even harder to manage and scale. Author Gaurav Raje shows you how to build highly secure systems on AWS without increasing overhead. Ideal for cloud solution architects and software developers with AWS experience, this practical book starts with a high-level architecture and design discussion, then explains how to implement your solution in the cloud in a secure but frictionless manner. By leveraging the AWS Shared Responsibility Model, you'll be able to: Achieve complete mediation in microservices at the infrastructure level Implement a secure and reliable audit trail of all events within the system Develop architecture that aims to simplify compliance with various regulations in finance, medicine, and legal services Put systems in place that detect anomalous behavior and alert the proper administrators in case of a breach Scale security mechanisms on individual microservices independent of each other.

*Angry Man! Go Away!* Raje E. Voega,2013-04 *Angry Man! Go Away!* presents the true story of the life of author Raje E. Voega, who was raised by an abusive father who beat his mother and him often. The oldest of eight children, he was very harsh with his siblings due to his father's actions; even so, as an adult he has never hit or been violent with anyone. Voega was born on the western coast of Canada and moved to Alberta when he was almost six. As a child, he was moved around a lot, from Edmonton to northern Alberta. At fifteen, he went to live with his father in Edmonton but only stayed for six months, although he remained in the area until he was nineteen. Eventually, he moved from that area and settled in western Canada, finally ending up in southern Alberta. In his early twenties, he started down a path that might have led his imprisonment or death, but he was able to turn his life around. Recently, he ended a relationship that put him in a very dark and hopeless place. But instead of crossing a line that would have destroyed both his life and others' lives forever, he decided to write about the violence that exists in families today. By telling his story in this memoir, he hopes to save others from the violence that he has endured, and at times created, in his family.

**Freedom** Aruna Raje,2017 Growing up in a newly free India, film-maker Arunaraje Patil came to be deeply invested in the idea of freedom for herself, those around her and for the society she was growing up in. To be truly independent, though, there was a lot of unlearning and disengaging she had to do: from conversations of the past, from who she knew herself to be and from the image that she had trapped herself in. It was with her fourth film *Rihaee* (1988) that Patil rediscovered herself and her own creative expression. *Freedom: My Story* is the chronicle of a radical thinker and film-maker in a male-dominated world, her struggles, her inspirations, the prejudices she had to deal with and, ultimately, the freedom her art offered.

*Lord of Royal Umbrella - Shivaji Trilogy Book II* Gautam Pradhan, 2019-12-13 LAND OF THE MARATHAS, 1661 - 1674 Epic Story of Shivaji Maharaj, India's Greatest Warrior-King, And Birth of the Maratha Empire Shivaji Bhosale's struggle against imperial powers continues as massive Mughal armies repeatedly descend upon his tiny fiefdom. Emperor Aurangzeb recognizes the dangerous threat of the Mountain Rat and resolves to finish him off, once and for all. He sends Shaista Khan, his maternal uncle, with a large army, but Shivaji, in a daring night raid, attacks the much decorated Mughal General, cutting off his fingers. Turning his attention once again to Sultan Adilshah, Shivji systematically expands his holdings in the Konkan. Along the coast, the British, Portuguese and Abyssinian also find him a serious obstacle to their coastal interests. Infuriated, the Mughal Emperor sends Jai Singh and Diler Khan to the Deccan with another large army. Jai Singh proves to be the toughest challenge Shivaji has faced. After winning almost every battle for two decades, Shivaji is finally subdued by Jai Singh and faces the humiliation of receiving Aurangzeb's firmaan to surrender a large part of his fiefdom and serve in the Mughal army. In a final insult, Shivaji is compelled to visit Agra and bow before Aurangzeb at court. By royal order, he and his son are detained in Agra, under heavy guard. The ingenious Maratha, however, foiling all attempts to assassinate them, escapes, leaving the Emperor seething in impotent fury. Safely home again, Shivaji embarks on the re-conquest of his lost forts and territories. Finally, in 1674, in defiance of imperial rule, he crowns himself King of the Marathas. After more than three and a half centuries of enslavement, the Marathi people have their own King. Shivaji Raje Bhosale thus becomes Chhatrapati, Lord of the Royal Umbrella..

*Ruling Dynasties of Independent India - Volume 2* Ravindra Padalkar,2021-02-14 This book is written to get an overall idea of "dynastic politics" in India. It is always kept in mind that a citizen of India should know more about the politicians who are in the Government and form policies, etc. to take the country in the proper direction, at the same time the book should be interesting. Wherever possible, family trees are shown as well as the assets of our politicians. It was natural to start with the Nehru Gandhi family, being one of the largest and long-ruling families at the helm of all affairs. Then State-wise, the families are chosen and the account is presented. Since the volume is huge, this book is in two volumes. States are chosen alphabetically. So, even if the Nehru Gandhi family is in Volume 1, Tamil Nadu, Telangana, Uttar Pradesh, etc. are in Volume 2. Early rulers in Indian history used to handover the throne to their sons and then to the next generations for generations to come until some larger event upset the process, mostly conspiracies by persons like very close aides of the king or a revolt. Similar lines were followed even during our democracy passing on the rule to the next generation, which gave rise to dynastic rule. Indian politics has witnessed a large spectrum of politicians from various fields. Initially, it consisted mainly of leaders from the field of law. But now, we find that we have eminent personalities from the sports field, actors, actresses, superstars from the silver screen; the literary field is no exception; we have writers, poets, and so on; economists find a special place in the political arena; politics does not shun even criminals or few dacoits who then turned to politics after their surrender. Businessmen, lings or we can say princes from princely states as Britishers decided to call them are also found here. We have the learned people in politics as well as the illiterate people (angutha chhaap) who learnt to sign only after assuming office on getting elected.
