Benjamin Clough

A Dictionary of the English and Singhalese and Singhalese and English Languages Benjamin Clough,1830

Of Time and Spirit Maurice W. Dorsey,2020-09-21 Of Time and Spirit is a tribute to my father, James Roswell Dorsey Sr. (1919–2000). His story is told from my perspective as a son and traces his journey to inner peace and the struggles of a father and his son to communicate. Further, it is a historical chronology compiled from my dad’s personal papers, military records, civilian personnel records, notes jotted down on scripts of paper, and the many conversations we’ve had over my lifetime. Especially those conversations we had toward the end of his life when I had become a man and could understand some of his innermost feelings, thoughts, and wisdom. This is a project he wanted to undertake prior to his death; however, age and poor health prevented his version of his life. My account of his life is a small fraction of the man he truly was, but he wanted his life recorded in history, and now it is. My father remains in this book, Of Time and Spirit.

District Primary Education Programme Digumarti Bhaskara Rao,1998 The District Primary Education Programme is one of the home grown innovative educational programmes with three main goals universal access, retention and achievement. It is an ambitious national programme firmly rooted in the national policy on Education aiming to achieve Education For All by 2000 A.D. It is a sustainable, cost-effective are replicable one on a national scale. It is also an exercise in decentralised planning which puts local communities in charge of education. The districts chosen under it represent those where female literacy is below the national average of 52.21%. With great hope, conviction and preparation it was launched on November 8, 1994. DPEP will be another success story in the field of education. Let the goals of DPEP be realised and in process, every one of the society be a part of this success story.

Holographic Human Transformation Theory Janey Marvin,2021-05-31 Holographic Human Transformation Theory; What part of the airplane makes the airplane fly? It takes every part for the airplane to be able to fly. Doing things right or doing right things what is most important? Doing right things is the greater choice, we each have different ways of accomplishing right things. Intelligence is not the things we know, it's the way we have of knowing things. We all have limitless potential to know all things the key is in the nature of our knowing. The inner-self should not be a mystery. Know Thy Self (Take the mote out of thine own eye.) Heal Thy Self (Turn your weaknesses into strengths.) Know and Heal Others (Love thy neighbor as thy self.) This book teaches the neurological firing order of every aspect of the self from identity to behaviors, every aspect of our human experience is a program/model in our inner-self (subconscious). Holographic Human Transformation Theory teaches the body map of our inner-being. With a little practice anyone can identify most everything within themselves and others. You cannot change what you do not have a knowledge of. As eternal beings we are Holographic of all we could be through all eternity. Mankind nor their wisdoms have the key to your inner-being. The key is already within you. In many ways man's wisdoms have taken us further from your own inner-knowing. The spirit surrounds every atom of our physical being and is the substance through which every part of us corresponds with our whole. Holographic Human Transformation Theory teaches you to identify your inner weakness and ways to turn them into personal strengths.
