For a young Black woman, searching for answers in a city ruled by the KKK could mean real danger. Still, with her literary hero Sherlock Holmes as inspiration, Annalee launches her hunt for clues, attracting two surprising allies: Eddie, a relentless young white boy searching for his missing father, and Jack, a handsome Black pastor who loves nightclub dancing and rides in his sporty car, awakening Annalee's heart to the surprising highs and lows of romantic love. With their help, Annalee follows clues that land her among Denver's powerful elite. But when their sleuthing unravels sinister motives and deep secrets, Annalee confronts the dangerous truths and beliefs that could make her a victim too.

Undivided Patricia Raybon,Alana Raybon,2015-04-28 “Mom, I have something I need to tell you...” They didn’t talk. Not for ten years. Not about faith anyway. Instead, a mother and daughter tiptoed with pain around the deepest gulf in their lives – the daughter’s choice to leave the church, convert to Islam and become a practicing Muslim. Undivided is a real-time story of healing and understanding with alternating narratives from each as they struggle to learn how to love each other in a whole new way. Although this is certainly a book for mothers and daughters struggling with interfaith tensions , it is equally meaningful for mothers and daughters who feel divided by tensions in general. An important work for parents whose adult children have left the family’s belief system, it will help those same children as they wrestle to better understand their parents. Undivided offers an up close and personal look at the life of an Islamic convert—a young American woman—at a time when attitudes are mixed about Muslims (and Muslim women in particular), but interest in such women is high. For anyone troubled by the broader tensions between Islam and the West, this personal story distills this friction into the context of a family relationship—a journey all the more fascinating. Undivided is a tremendously important book for our time. Will Patricia be able to fully trust in the Christ who “holds all things together?” Will Alana find new hope or new understanding as the conversation gets deeper between them? And can they answer the question that both want desperately to experience, which is “Can we make our torn family whole again?”

Double the Lies Patricia Raybon,2023-02-07 In the cold and dangerous spring of 1924, amateur detective Annalee Spain races the clock to solve the murder of a white barnstorming pilot before the clever Black theologian—a target of the ruthless Colorado Klan—is framed for the crime, and before she is lured by the risky flirtations of the victim’s dashing twin brother. As this second installment of Patricia Raybon’s critically acclaimed mystery series opens, Annalee Spain offers her fancy lace handkerchief—a gift from her complicated pastor boyfriend, Jack Blake—to a young woman crying in a Denver public library. But later that night, when police find the handkerchief next to the body of the young woman’s murdered husband, Annalee becomes the number one suspect, and her panic doubles when she learns that Jack has gone missing. With just days to solve the murder before the city’s Klan-run police frame her for the crime, Annalee finds herself hunting for clues in the Colorado mountain town of Estes Park. She questions the victim’s wife and her uncle, a wealthy Denver banker, at their mountain lodge, desperate for leads. Instead, she finds a household full of suspects and even more burning questions. Who keeps threatening her, why can’t she find Jack, and will a dangerous flirtation be her undoing? Her answers plumb the depths of the human heart, including her own, exploring long-buried secrets, family lies, even city politics—all of which could cost the young detective her fledgling love . . . and perhaps even her life.

An Asian at My Table Raybon Kan,2004-01-01 So you decided to pick up this book. And now you're reading the back. How revealing. Do you choose a car by staring at its boot? Do you choose a lover by looking at their rear? Actually, you probably do and that's quite normal. Comedian Raybon Kan has been writing since before he could spell. In this hilarious greatest hits album, Raybon crawls hands and knees across the front lines of his worst fears. Tremble as he competes in an American game show. Swoon as he admires the world's most comfortable bra. Burrow as he explains the war in Iraq. In many ways, this is the definitive history of civilisation. But don't trust me. I'm just the blurb.

Truth Be Told Patricia Raybon,2024-06-11 Denver's newest detective. A garden's deadly secrets. On a lovely June night in 1924, amateur detective Annalee Spain is mingling bravely at a high-class political fundraiser in the lush backyard garden of famed political fixer Cooper Coates, one of the wealthiest men in Denver's Black neighborhood of Five Points. When Coates's young daughter discovers a pretty stranger dead in her father's garden shed, Annalee is thrust onto the baffling new case just as she's reeling from another recent discovery--a handwritten letter, found buried in her own garden, that reveals the identity of her mother. Not ready to face the truth about her hidden past, Annalee throws herself into solving the mystery of the young woman's demise. With the help of her pastor boyfriend Jack Blake, her orphaned buddy Eddie, and her trustworthy church friends, Annalee follows the clues to three seemingly disconnected settings--a traveling carnival set up downtown, a Black civic club, and a prestigious white seminary on the outskirts of Denver. Intriguing advice also comes from a famous, real-life Denver visitor. But is Annalee on the right track or just running in circles, fleeing from conflicts racing in her heart? In a taut, heart-gripping narrative driven by secrets, romance, and lies, Annalee must unravel a case with higher stakes than she imagined--one where answers about a lovely woman's death point to truths and tensions still throbbing today. A clean historical mystery featuring an amateur female detective, from the Christy Award-winning author of All That Is Secret Third installment in the Annalee Spain series Includes discussion questions for book groups

Much to their families' and country's chagrin, they volunteer as smokejumpers rather than enlisting, parachuting into and extinguishing raging wildfires in Oregon. But the number of winter blazes they're called to seems suspiciously high, and when an accident leaves Jack badly injured, Gordon realizes the facts don't add up. A member of the Women's Army Corps, Dorie Armitage has long been ashamed of her brother's pacifism, but she's shocked by news of his accident. Determined to find out why he was harmed, she arrives at the national forest under the guise of conducting an army report . . . and finds herself forced to work with Gordon. He believes it's wrong to lie; she's willing to do whatever it takes for justice to be done. As they search for clues, Gordon and Dorie must wrestle with their convictions about war and peace and decide what to do with the troubling secrets they discover.
