Having the Frenchman's Baby Rebecca Winters,2014-08-15 Rachel Valentine is the wine buyer for the Valentine family's exclusive Bella Lucia restaurants, and her relationship with master winemaker Luc Chartier should be strictly business.... Romanced by the beautiful Alsace vineyards, and seduced by the charismatic Luc, Rebecca can't help but fall in love. But their one night of passion is followed by a shocking revelation about Luc's past. Heartbroken, Rebecca returns home—only to discover that she is pregnant with Luc's child.

Undeliverable Rebecca A. Demarest,2014-06-04 \$1 from every sale goes to support the National Center for Missing and Exploited Children. When Benjamin Grant's son disappeared a year ago, he felt it was his duty as a father to do everything in his power to find his son, and he tried. He threw himself into the search, but his obsession left him without a home, wife, or job. Now, he's managed to find work at the United States Postal Service's Mail Recovery Center, which he hopes will prove an invaluable tool in his search. With the help of Sylvia—a kleptomaniac artist—Ben learns the ins and outs of a warehouse full of lost mail and explores every lead in his son's case. But when that investigation leads him to Leonard Moscovich, Ben fears the worst.

Changes. Life is a Story - story.one Rebecca Schechtel,2023-06-29 A story about loss and love, about the complexity of relationships and the hardships of one's own personality. Sometimes one needs to lean on somebody in order to become independent, sometimes one needs to let go in order to forgive.

Rebecca and Lucie in the Case of the Missing Neighbor Pascal Girard,2021-12-29 Rebecca's got an eight-month-old baby and a mystery to investigate! Late one summer night as she's breastfeeding Lucie, she spots two men carrying something heavy into a white minivan. It's probably nothing serious, but when Rebecca hears that a home health care provider named Eduardo Morales disappeared from the neighbourhood that very night, she puts her detective hat on and gets to work. Over the course of the subsequent weeks, Rebecca juggles motherhood and detective work—alternating between unproductive visits with the Simard family, for whom the missing Eduardo worked, and tearful visits to potential daycares for Lucie. She faces down inconclusive interviews with evasive subjects and inconveniently timed diaper changes. Pascal Girard's observational humor and perfect timing shine through each page, highlighting how Rebecca's (over)confident, brash approach gets results, not just with the troublesome Simards but with everyone in her life. Rebecca and Lucie in the Case of the Missing Neighbor is a lighthearted maternity leave mystery that centers a new mother in all her postpartum glory.

Once Upon a Lie Rebecca Taylor,2023-03-23 Mia Strauss is trying to be a good mother. She's worked hard to build a stable life since losing her memory at eighteen when the assailant, who shot and killed her famous father, pushed her from the third-story landing of their gold coast mansion. But lately, Mia is losing control and feels she's being watched wherever she goes. The eyes...they are everywhere. She is trying to keep herself together and is taking more and more of her prescription drugs to quiet the rising panic and anxiety. But when her husband, Alexander, comes home to find her face down on their living room floor, she'll need to make some drastic changes, or risk losing her girls. Alexander Strauss, neuropsychologist and professor at Columbia University, can no longer trust his wife. Her behavior and moods have grown evermore erratic since the birth of their twin girls six years ago. She has lost too much weight, covers herself from head to toe in only black clothing, and has removed every mirror from their home. She has a cadre of doctors that supply plenty of medications but don't help her make any progress. She has become a danger to herself, and their children. It has long been believed that Mia will never be able to remember her life prior to the assault, but Alexander has other ideas. Based on her recent brain images, and the things she says in her sleep, Alexander is confident Mia's continued amnesia is purely psychological. Whatever the reason, she doesn't want to remember. He gives her an ultimatum, either she gets real help, or he'll leave her and take the girls. Desperate to save her marriage and keep her family intact, Mia signs up for one of the few therapies she's never tried before—an experimental treatment that hypothesizes psilocybin may help traumatized patients process and recover their forgotten lives. But as Mia makes progress and her history begins to take shape, it becomes apparent that those closest to Mia never want her to remember what happened that night. And they'll do whatever it takes to stop the truth from being uncovered.

Rebecca, Born in the Maelstrom Marie-Claire Blais,2009 With this astounding fourth novel in her ongoing series of contemporary masterpieces, Marie-Claire Blais invites us again to enter a complex circle of unforgettable characters. But this time, the tone is different: Blais' writing has acquired a new, buoyant, electrifying rhythm – a rhythm described as the heartbeat of the world. As we follow a central character named Rebecca, the voice in the novel becomes the voice of the world inventing itself, and the future playing itself out. Here Nigel Spencer, Marie-Claire Blais' longtime translator, gives us Blais' singular vision in supple English prose that is as transcendent and nuanced as the original French.

All the Wrong Places Rebecca Fisher,2014-09-10 Driving aimlessly through the stormy suburbs of San Francisco, Casey Wheeler is fleeing from her abusive and unfaithful husband with her five year old daughter Maddy asleep in the backseat. With nowhere to go and no one to turn to, Casey loses control of her emotions and her car, crashing into a hillside below a mortuary. Desperately seeking shelter, and more so independence, she finds herself taken in by the mortuary director who apprehensively offers her a job and a place to live. As she stumbles through the ins and outs of her new and morbid surroundings, Casey is forced into a hostile custody battle with her relentless and increasingly violent husband. In the midst of all the chaos, she finds a new family and even love in the eccentric and protective people of Golden Oaks Funeral Home. But just when she has found all she could hope for, she will have to fight to the death to protect it. This semi-

autobiographical story of a single-mother and her journey to self-discovery, independence and a true understanding of love will keep readers captivated and yearning for more.

Total Rebecca Miller,2022-09-01 A pregnant mother of two finds herself increasingly in thrall to her help, Nat. And when Roxanne rescues her sister from an institution, she comes to realise how vulnerable they both are. Deftly navigating the fault lines of relationships – new, established or remembered – Total is a powerful collection of brilliantly imaginative stories. Faithful Rebecca Janice Eidus,1986 Faithful Rebecca will not easily be forgotten. In this wildly erotic, magical and comic novel of fast-paced suspense, Rebecca, a modern day Scarlett O'Hara from New York City, embarks on an impassioned search for hr infant daughter, Lily, and Lily's kidnapper. Her quest leads to a mountaintop community of women emulating mythical Amazon warriors where Rebecca is reunited with both Lily, being raised as an Amazon, and Sagana, formerly Rebecca's devoted best friend and now the passionate, fierce, and beautiful Amazon queen. She also meets the equally memorable Howard Geller, a wisecracking, romantic, runaway teenager living on the fringe of the community. After a mysterious mountain, these characters' stories merge in an exciting climax on Manhattan's lower east side. This many-leveled contemporary fable incorporates such motifs as personal ads and female bodybuilding, while asking difficult questions about women's roles as friends, lovers, mothers, and daughters.

The French Impressionist Rebecca Bischoff,2016-12-06 Rosemary is fifteen and gloriously free, on her own for the very first time. Part of an exchange program for aspiring artists, she arrives in sunny southern France with a single goal: she doesn't plan to leave, ever. She wants a new life, a new family, and a new identity. But her situation, crafted from lies big and small, is precarious. Desperate to escape haunting images from her past and a stage one helicopter parent, Rosemary struggles to hide her lack of artistic talent and a communication disorder that has tormented her all her life. She believes her dream of a new start will come true, until she unwittingly finds herself enveloped in a decades-old mystery that threatens to ruin her only chance for success. Determined to stay, Rosemary must choose whether or not she'll tell the biggest lie of all, even if it means destroying the life of someone she cares about. Dramatic, heartwarming, and full of teenage angst, The French Impressionist perfectly captures the struggle of those who feel they have no voice, and also shows the courage it takes to speak up and show the world who we really are.
