**The Gift Horse** Leslie Sifton, 2022-03-23 Maggie Malone is a first-class painter who just graduated from art school. On a tip from a fellow artist, she goes to Fleetwater, a small, thriving artist colony on Long Island. Taken up by gallery owner, Arthur Cotillion, Maggie is finally getting the accolades she deserves. The big shows and big-ticket sales are finally happening. So, what's wrong? The thing is: when someone sends you a gift horse, of course you don't want to turn it down, no matter what the history books say.

Walk Me To The Willow Arnab Majumdar, 2022-05-11 In the foothills of Northern India, four friends decide to meet after two decades of absolute silence. The hurried plan to meet and come to terms with their past is fraught with risks, but they persevere. For Sharmishtha, Tilottama, Mainaak and Arundhati, things have changed a lot. After all, twenty years is undeniably a long time. The woods that were their playground have eroded, the river that was their cradle is dying, the friendships they held so close to their hearts are floundering. Even the cottage that had been rightfully theirs long before the grown-ups signed it away to them is groaning under its own weight. They come to the sullen realization that what was theirs is slowly, irrevocably, slipping away from them. But the longer they stay in the cottage, the longer they come to realize that twenty years is not nearly enough. They are at a crossroad where together, they must decide if the past that they shared, if the memories they made, and the stories they wrote and cherished within the confines of the cottage and the woods under the stress of imminent destruction, is worth saving.

Why does milk, when added to tea, look like billowing storm clouds? In an engaging voice at once warm and witty, Czerski shares her stunning breadth of knowledge to lift the veil of familiarity from the ordinary.

### **The Sunset Years of Agnes Sharp** Leonie

Swann, 2023-08-29 A quirky group of seniors attempts to solve one murder while covering up another—with the help of an enterprising tortoise—in this twisty, darkly funny mystery from the author of *Three Bags Full*. It has been an eventful morning for Agnes Sharp and the other inhabitants of Sunset Hall, a house share for the old and unruly in the sleepy English countryside. Although they have had some issues (misplaced reading glasses, conflicting culinary tastes, decreasing mobility, and gluttonous grandsons), nothing prepares them for an unexpected visit from a police officer with some shocking news. A body has been discovered next door. Everyone puts on a long face for show, but they are secretly relieved the body in question is not the one they're currently hiding in the shed (sorry, Lillith). It seems the answer to their little problem with Lillith may have fallen right into their laps. All they have to do is find out who murdered their neighbor, so they can pin Lillith's death on them, thus killing two (old) birds with one stone (cold killer). With their plan sorted, Agnes and her geriatric gang spring into action. After all, everybody likes a good mystery. Besides, the more suspicion they can cast about, surely the less will land on them. To investigate, they will step out of their comfort zone, into the not-so-idyllic village of Duck End and tangle with sinister bakers, broken stairlifts, inept criminals, the local authorities, and their own dark secrets.

Taylor, Adam Gorgoni, Christine Verstraete, Leone Ciporin, Wendy Harrison, Joseph S. Walker, 2024-01-09 Hitting the charts only once isn't just unfortunate...it's a crime. Over the decades, tons of musical artists and groups have had a hit song that has lived on long after the tune topped the charts and is often looked upon fondly for decades to come. For some musicians, this may be the only the song they're ever known for and they fade into obscurity soon thereafter. These are affectionately known as one-hit wonders, and are much celebrated by fans and music publications, particularly on September 25th each year on One-Hit Wonder Day. 12 of today's best short story authors have taken their favorite one-hit wonders and reimagined them as the influence for some pretty heinous crimes. (I Just) Died in Your Arms features a decades-spanning collection of immediately recognizable hit songs turned into stories from the amazing talents of Vinnie Hansen, Jeanne DuBois, Josh Pachter, J.M. Taylor, Christine Verstraete, Sandra Murphy, Joseph S. Walker, Wendy Harrison, Bev Vincent, Leone Ciporin, Adam Gorgoni and Barb Goffman.
