Choices and Chances John Kailunas, 2014-07-08 Regal Investment Advisors isn't generating over one million dollars in revenue through luck. It comes through hard work. Or as Regal's CEO John Kailunas II puts it, Luck is a choice to work hard. *Choices and Chances* is like a life-changing dinner conversation with a successful financial entrepreneur, except you don't have to scratch notes onto a napkin, because all of his priceless, real-world advice and personal stories are right at your fingertips. No matter where you are in your journey toward success, the steps this book outlines, from mission statement to growth and expansion, will revitalize and challenge the way you think about your business. The recent financial meltdown caused radical changes in client confidence and new regulatory standards. To continue to succeed in this climate takes innovation, and this is where the narrative begins. Kailunas introduces his innovative approach to the hybrid model, using a three-pronged strategy to fulfill clients' needs in the volatile market. But innovation alone can't grow a

business. It also takes relationships of all kinds, and it should come as no surprise that thoughtfulness and loyalty are two of Kailunas's hallmarks of success. He explains how the simple things, like random acts of kindness, or asking a client to bring a friend with similar interests to a meeting, can be huge stepping stones on your climb up the financial mountain. It's the abundance mentality, the perspective that the pie is big enough for everyone to have a sizeable piece, that has so many satisfied at his firm's table, and Kailunas's book invites you to pull up a chair. The treatise bangs to a close with the concept of synergy. One person, or even two, can't do it all, so stop trying, and listen to the detailed, problem-solving advice of one who has been there and, not just done that, but knocked the darn thing out of the park.

Regal Tina Martin, 2018-09-25 His eyes would always follow her signature strut with her tall heels and fitted dresses. He always had something witty to say with her because he just HAD to say something. But the small talk was no longer cutting it. He wanted to know the real Felicity James. Regal St. Claire isn't single because someone broke his heart. He never desired marriage because he didn't think it fit him. He was okay with being himself and not tied down to a woman. But when he met Felicity, he knew he wouldn't mind being forever joined to a woman like her. She's feisty. Smart. She's the kind of woman who could keep him on his toes. The only problem is, she can't stand him. Felicity has been going out of her way to avoid Regal, but she can't avoid him when he comes into her place of business, Wedded Bliss, Inc., ready to sign up for her marriage matchmaking

service. He figured the best way to get to know the woman of his dreams is to pretend like he's searching for someone else. All the while, he's learning her mannerisms and hoping that she'll eventually see that she's really the woman he wants.* * *The St. Claire Series are all standalone books: ROYAL (A St. Claire Novel, Book 1)RAMSEY (A St. Claire Novel, Book 2)ROMULUS (A St. Claire Novel, Book 3)REGAL (A St. Claire Novel, Book 4

Washington County's Aluminum Industry Janean Mollet-Van Beckum, Washington County Historical Society, 2009-08-31 The aluminum and cookware industries in Washington County were main employers during the 20th century. Manufacturing competitors West Bend Aluminum Company and

Kewaskum Aluminum Company (later Regal Ware, Inc.) began production early in the 20th century only eight miles apart. These company histories, while interesting in themselves, would be remiss without discussion of broader influences. Both companies had a substantial effect on American consumerism, women's social roles, and industrial design. Today the West Bend Company and Regal Ware, Inc., are two of the best-known makers of cookware and small appliances around the world. Their ability to survive economic depression, war, and changing times are three reasons for their success and make them excellent examples of the American dream come to life. With deep roots in Washington County, they were able to spread wide nets and capture loyalty around the globe.
