Le fantôme de l'église Saint Rémy Paul Bruard,2024-04-18 Émile le savait. Dans le but de redonner le plein de confiance à son petit-fils en souffrance, il savait que la légende de Joseph Rémy fonctionnerait. Une histoire de revenant qu'il ne faut réveiller pour rien au monde, une tombe à ne surtout pas fouler, et deux adolescents avides de sensations. Un parfait mélange pour une aventure qui transforme pourtant les vacances de Valentin et Margot en cauchemar. Car, à jouer avec la mort, on risque de l'attirer. Et si la légende disait vrai, finalement ? À PROPOS DE L'AUTEUR Paul Bruard - Originaire de Franche-Comté et père de trois enfants, il a réussi à suivre, malgré son côté rêveur, plusieurs cursus de formation. Après une licence en économie, il a obtenu le diplôme d'État d'éducateur spécialisé qui lui a permis de travailler dans différentes structures et auprès d'un large public. Il est revenu depuis peu dans l'animation, et accompagne au quotidien des enfants de maternelle jusqu'au CM2. Amoureux des mots depuis le plus jeune âge, il est sans cesse à la recherche de nouveaux projets. Après un passage dans le monde de la scène (auteur-compositeur-interprète de plusieurs chansons répertoriées sur différents sites de musique), il a décidé de se lancer dans l'écriture de romans et d'histoires plus courtes, dans le but de les partager avec les enfants qu'il accompagne au quotidien. « Faire voyager et transmettre le pouvoir merveilleux des mots » telle est sa devise !

Vodou and Christianity in Interreligious Dialogue Celucien L. Joseph,Charlene Desir,Lewis A. Clormeus,2023-10-30 Vodou and Christianity in Interreligious Dialogue addresses both historical factors and ideological issues that created antagonism and conflict between Christians and Vodouists in Haiti. The book offers practical solutions and strategies to help create a harmonious and peaceful environment between religious practitioners associated with Vodou and Christianity. Toward this goal, this volume considers various perspectives and theories, such as autobiography, anthropology, ethnographic fieldwork, religious experience, and gender to examine the subject matter. This volume offers practical examples and resources on how to engage in interreligious dialogue and promote interreligious education in Haiti. There are three philosophical and practical ideas underlying this book project: (1) it is grounded on the belief that religion has value, and it could bring social goods to different communities and enhance human dignity and justice; (2) it is premised on the idea that dialogue and cooperation are necessary for nation-building and human development (as democratic ideals) and that one of the leading functions of the world's religious traditions is to promote both cooperation and dialogue through mutual understanding and for the common good; and (3) that the power and public role of religion in society can be used as a major force of unification and peace-building among divergent factions and schools of thought, and to promote reconciliation, mutual respect, and friendship in the world.

Can We Zoom into God? Andrew Hemingway,2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020, Christians quickly turned to an art form, a form of theater, to deliver their worship. It was a quest for immanence, the very thing the Reformation dealt with by the elevation of transcendence. What an intriguing thought: Could John Calvin with his dictum regarding piety have practiced Zoom worship? Served as he was with the principle that the finite cannot contain the infinite, we must admit it looks very unlikely! At least in this Calvin saw eye-to-eye with Erasmus, but what of Luther? He may have been a comfortable Zoom worshiper, with his views that “Religious artworks are neither here nor there” and “We may have them or not as we please.” Little did the church realize that it would be a step back into the past, because “what you permit you promote.” The desire to use images was much more sinister than in Medieval times, as these were now images of ourselves! Regardless of the age, the image reigns supreme. What had caused the demise? Was it bereavement? It could not be bereavement of God; rather, it was the loss of the social, the bereavement of “one another.” The need for “one-anothering” had forced the hand of Christians to turn to a practice completely untested. Zoom worship was born—the genie is out, and will never go back in. But in the face of the now-acceptable force of contemporary narcissism, who cares?

The Arverni and Roman Wine Matthew Loughton,2014-01-19 Large numbers of Greco-Italic and Dressel 1 amphorae were exported to many parts of Gaul during the late Iron Age and they provide a major source of information on the development and growth of the Roman economy during the late Republican period.

Frankland Paul Fouracre,David Ganz,2020-01-03 This collection of highly original essays by leading early medieval historians honours the work and career of Dame Janet (Jinty) Nelson, one of the most respected and influential scholars of her generation. The essays build on the spirit of Janet Nelson's work by linking the study of Francia with at least one other area or general theme of early medieval history. The papers range across all of the regions of Europe affected by Frankish culture and explore themes which reflect the cutting edge of the work she inspired: memory, queenship, the treatment of prisoners of war, penance, the use of property, historiography, palaeography, prosopography and religious organization. The volume includes an appreciation of her career, and is rounded off by a topical index to highlight its thematic aspects. The contributors are drawn from those who have worked alongside Janet Nelson and from some of her former students. They include David Bates, Stephen Baxter, Wendy Davies, Paul Fouracre and David Ganz.

Ordines Coronationis Franciae, Volume 2 Richard A. Jackson,2017-01-30 The ordines coronationis are essentially the scripts for the coronation of Frankish and French sovereigns. Combining detailed religious, ceremonial, and political material, they are an extraordinarily important source for the study of individual rulers or dynasties, as well as for the study of kingship, queenship, and the evolution of political institutions. Complete in two volumes, Richard A. Jackson's is the first full edition of these texts, including all the ordines from the early thirteenth century through the end of the fifteenth century, a period during which the texts shift from Latin to the vernacular, and the institutions of kingship become distinctively French.
