Victorian Literature, Energy, and the Ecological Imagination Allen MacDuffie, 2014-05-29 Reading Victorian literature and science in tandem, Victorian Literature, Energy, and the Ecological Imagination investigates how the concept of energy was fictionalized - both mystified and demystified - during the rise of a new resource-intensive industrial and economic order. The first extended study of a burgeoning area of critical interest of increasing importance to twenty-first-century scholarship, it anchors its investigation at the very roots of the energy problem, in a period that first articulated questions about sustainability, the limits to growth, and the implications of energy pollution for the entire global environment. With chapters on Charles Dickens, John Ruskin, Robert Louis Stevenson, Joseph Conrad and H. G. Wells, Allen MacDuffie discusses the representation of urban environments in the literary imaginary, and how those texts helped reveal the gap between cultural fantasies of unbounded energy generation, and the material limits imposed by nature.

**Evenings and Mournings** Rick Maloy, 2017-10-20 Jordan Carpenter has finally achieved the life he's dreamed of since his teens. His self-conscious, seedy years as a trial lawyer have made him wealthy beyond life's pleasures, enough to buy charity accolades and a spot on the Federal bench. He has everything he wants, except the love of his wife, Diane. Eleven years ago she shut him out and turned him into a stranger in his own home, for an offense that wasn't his fault. When rapid-succession calamities devastate the family, Jordan sees the tragedies as an opportunity to resuscitate life with Diane. But he soon wonders if she's intent on preserving the family, or if she's

exacting revenge for his past sins. Will his gamble end in the reconciliation he wants or will it tear down his life of accomplishment?

**The Ruffians** Rick Johnson, 1994-09-15 The Ruffians are a legendary canine neighborhood watch group. They patrol the streets at night and keep the neighborhood safe from unsavory characters. There's something fishy going on by the duck pond in the park. The squirrels are eating all their nuts plus all the nuts stored up for the winter's supply. Mystified by this discovery, The Ruffians realize that unless they can solve this unusual development by the time winter arrives, there won't be any squirrels left at the park with nuts. The Ruffians investigation into the matter is stymied by the unexpected invasion of Russian terrorists in the neighborhood. Forced into an uneasy alliance with their arch-nemesis, The Godfather, and his career criminal counterparts, The Fang Mafia, Butch, Jim, Dandy, Empty, and Mixer are in for the battle of their lives. Betrayal and deceit abound as a sinister force plots the complete and total destruction of the very existence of The Ruffians. The Ruffians are drawn into a final and epic confrontation that will forever shape the animal kingdom. However, there's Butch. Don't ever forget about Butch. That would be nuts!

**Rickus** Rick Campbell, 2020-05-07 My name is John Richard Campbell. I've been called Rick all my life. Instead of Ruckus, I named this book Rickus. That was the name of my band, whenever I had one. For you, who choose to read this book, I hope you find it interesting. It contains some events that happened in my life. I would swear in a court of law they are true.

Charlie's Landing Rick Smith,2020-06-28 You can practically hear the twang of steel guitars and fiddle strings as the Lunkleys risk everything to build Charlie's Landing. Along the way the boys endure alligator attacks; jealous husbands; real estate developers who look like Adolf Hitler; Eminent Domain; has-been Nashville divas; bloody bar fights; tornadoes; schoolyard bullies; and each other. Anyone who has ever dreamed bigger than the pot they have to piss in will love this story. Life ain't always what you want, but it is always what you get. - Connie Lunkley
