**The Mindset of a Champion** Rick Meyers,2019-10 This book is a compilation of columns written to teach you different ways to become a better MENTAL player. You will learn different methods to have better and more consistent concentration, better focus, how to handle your emotional control, adversities and misfortunes. It emphasizes the importance of performing mentally. Most books and seminars are difficult to understand and even more difficult to put into a real competitive situation. Knowing this, I feel I was able to explain things that can be more easily understood and, more importantly, can be applied to everyday life. I don't use PHD language. I explain everything in plain English that you can interpret easier. This entire book is dedicated to the betterment of your MENTAL game. This book is for any athlete in any sport, not just tennis players. I have had golfers, basketball coaches, skeet shooters and gymnasts tell me that they would read these columns and just change the word tennis to golf or basketball and apply it to their sport.

**Mystic Travelers** F. W. Rick Meyers,2012-04 Have you ever wanted to escape to a place where you could order a cup of coffee, a glass of water, and a new life? Michael Wyman has. Disillusioned and in search of something unknown, he finds himself at a cafe on a deserted road in the north woods of Michigan's Upper Peninsula at three o'clock in the morning. There, he encounters Angelina, the most beautiful woman he's ever met. She takes his order and introduces him to a whole new way of life. But what he doesn't know about Angelina could hurt him. She's the spousal partner of a missing Nobel Prize laureate, William C. Fischer Michael's longtime friend and associate. This chance meeting is more than either of them could have imagined. They embark on a twenty-first-century psychological adventure that draws them, and those closest to them, into an intriguing investigation of awareness and self-discovery that uncovers a personal and global crisis concerning life, death, new life, and a common destiny. Inevitably the intricately woven mysteries of interconnected lives, unexpected entanglements, and what has been called the perennial philosophy asks: Who are you? What do you want? Why are you here?

**The Making of a Champion** Rick Meyers,2019-10 This book is a compilation of columns written to teach you the various PHYSICAL aspects of tennis on each shot. Some of these things have been portrayed to you already from various venues but not with my spins and interpretations. I guarantee that you will learn things that you have not thought about before or you will learn them in a different way that makes better sense to you. There are also columns about COMMITMENT, PRACTICING CORRECTLY AND WHAT IT TAKES.

**Wristy Tennis** Rick Meyers,2019-10 This book will be controversial because some coaches and pros will disagree with some of my philosophies of the utilization of the wrist on all shots in tennis. But after you read this book you will be convinced of the importance of using the CORRECT WRIST ACTION on every shot. But I also wanted to bring attention to the importance of having a STRONG WRIST for your tennis. I share with you a turning point in my life of when I realized this importance. Once you read this book you will be upset with yourself for not starting sooner the process of strengthening your wrist. The later bonus chapters include various sayings and quotes to apply to your game, a Troubleshooting Chart and a column convincing you that TENNIS IS THE GREATEST SPORT IN THE WORLD for anyone and everyone to play.

**Meyers Tennis Drill Book** Rick Meyers,2019-10 This book is a compilation of all the drills that I have accumulated through my decades of teaching tennis players of all levels and all ages. Some of these drills I have stolen from other teaching pros and coaches and others I have learned by attending seminars. Each drill has a fun name so that you and the players will remember them. The kids will say to you Hey, can

we do Pretzel and Bring It On today? Cat and Mouse and Uh Oh were fun yesterday. There are some bonus chapters with footwork drills, sayings and suggestions as to better identify with your students and also various other thoughts and ideas to help you on the court. Every teaching pro and coach is always looking for new and different drills to do so here are 120 drills to do on the tennis court.

**Genesis 1-2-3** Dwight O. Troyer, 2007-12 Troyer uses his study of Genesis to prove to the Jewish people and the rest of the world that Jesus is the Anointed One. No other person fulfills the interwoven complexities of the living Word of God. (Christian)

**Eyes on the Horizon** Richard Myers, Malcolm McConnell, 2009-03-17 Even centuries later, the final decades of the twentieth century are still regarded as one of the darkest and most perilous chapters in the history of humanity. Now, as an ancient and forbidden technology tempts mankind once more, Captain James T. Kirk of the Starship Enterprise(TM) must probe deep into the secrets of the past, to discover the true origins of the dreaded Eugenics Wars -- and of perhaps the greatest foe he has ever faced. 1974 A.D. An international consortium of the world's top scientists have conspired to create the Chrysalis Project, a top-secret experiment in human genetic engineering. The project's goal is the creation of a new super-race to take command of the entire planet. Gary Seven, an undercover operative for an advanced alien species, is alarmed by the project's objectives; he knows too well the apocalyptic consequences of genetic manipulation. But he may already be too late. One generation of super-humans has already been conceived. Seven watches as the children of Chrysalis -- in particular, a brilliant youth named Khan Noonien Singh -- grow to adulthood. Can Khan's dark destiny be averted -- or is Earth doomed to fight Singh a global battle for supremacy? The Eugenics Wars: Volume One is a fast-paced thriller that explores the rise of the conqueror known as Khan.

**Living Waters from Difficult Passages** Thomas Moore, 2019-11-14 This book is an unforgettable journey that is a must read for every believer. As the days grow darker it is essential everyone who desires to live for Jesus, understand the difference between Churchianity and Christianity. This book clears a path through the religious jungle, and clearly identifies the Way of Salvation. This necessarily involves the full extraction of the common religious practice of tithing from Christian doctrine. What is this book about? It is about everything that pertains to Godliness, and everything that frustrates Godliness. It is about growing in Christ and blossoming in faith, as well as dying to pride and rejecting the world. We are shown the difference between the treasures of Grace and the treasures of the world as we learn a new appreciation for our Lord Jesus Christ and all He won on the cross for us. This book is a guide to spiritual maturity where we learn to say along with John the Baptist, He must increase, but I must decrease. (John 3:30 KJV) Something involved in these issues is dealing with questions that have plagued many believers about how Malachi 3:8-11 has been taught to them: Am I really cursed as a robber of God for failing to pay my tithes? Will I really open up new Heavenly windows of blessing by faithfully paying my tithes? The answers to these questions involve all the schools of systematic theology which requires a deep thorough inspection into the contents of the Gospel of Grace, the plan of salvation, and the Priesthood of Christ

Life with God Larry White, 2008-07 1Life with God is a biblical study of salvation and eternal life. Through this study, Dr. White helps us take a close look at God's Word as he explains many fascinating, theological concepts relating to knowing Jesus Christ as Lord and Savior. His practical manner of teaching is fresh and exciting. His deep insights are thought provoking to all who enjoy the Bible (both the well studied and beginners too). You will enjoy your study of Life with God as Larry leads you from one glorious truth to another. Then, you will better enjoy your Life with God as you live each day and prepare for eternity. Some of the intriguing topics discussed are: What does it mean to believe as relating to salvation? What is eternal life according to God's Word? What causes some to believe but their lives are not changed? Why does God condemn unbelievers? Why does God not condemn believers? What happens to a believer who dies with unconfessed sins? What happens to children who die before the age of accountability? What must an unsaved person do to be saved? Why is it imperative for believers to believe in the eternal wrath of God? After almost 30 years of serving as a pastor, Larry saw the need to write a book to help believers know what we believe and why we believe as we do concerning Life with God. Larry is confident those who study this book will have gained a better working knowledge of what the Bible teaches about salvation and how to teach, preach or share one's faith more effectively. Larry has a driving passion for revival and spiritual awakening in America. That desire flows from the deepest passion of his life, which is the glory of God through the Lord Jesus Christ.

*The Threshold of Exile* Marc Paladino, 2023-06-10 The author's interpretive approach invites us to see how a vast amount of the New Testament's eschatological material is linked directly to the Old Testament prophets. Jesus, his apostles, and the New Testament authors extracted those ancient texts, together with their imagery and linguistic style, and presented them to the Jewish nation in their own day. They served as a warning that the tragic consequences of their history, especially those of the sixth century BC, were about to be repeated in their own generation. This book will take readers on a journey of discovery, a journey that may fundamentally transform our understanding of the New Testament's prophetic outlook. Above all, it underscores the central and universal impact of the cross and the emergence of a new, inclusive, and enduring biblical economy under the reign of Christ. Visit <http://crosslights.net>

**A Bullet for Buñuel** Rick Myers, 2017 A Bullet for Buñuel: Fragments of a Failed Bullet documents Rick Myers' attempt to complete a project begun by the late filmmaker Luis Buñuel: to create a bullet possessing such a weak charge that it would simply bounce off the filmmaker's shirt when fired at him. Consulting with the estate and sources ranging from online forums for bullet makers to a ballistics lab

associated with the United States Secret Service, Myers sought to make the bullet and fire it at a shirt that had been worn by Buñuel. While trying to bring this absurdist endeavor to completion, the artist was met with a colorful cast of characters and failures at almost every turn--Publisher website, accessed May 3, 2017.

Why Be Fundamental Kevin S. Holland,2011-04-20 Today we live in a society that has changes and we go to churches that have changed too. In *Why Be Fundamental*, we go back to the basics and rediscover that the Bible and God has not changed at all. In this book we go back to Salvation and find that there is much more to it than what is being taught today. Next, we look into the doctrine of baptism and learn about the proper subject, the proper mode, and the proper administrator. And what doctrinal book would be complete without discussing the subjects of Hell, the Lord's Supper, and ect. Read it! You will be surprised what you might learn!

**Searching for the True Bottom Line** Carl McConchie,2021-02-09 People write books. They write books lifting up issues that they believe are vitally important for living a successful Christian life. The problem is: writers of the New Testament Epistles like Paul, Peter, James and John never mention these matters. How can something be so important to some modern-day writers and not even be mentioned in the Epistles? This is a book about exhortations, commandments and admonitions. It is a matter of what is actually exhorted in the Epistles and what is not. It is the writer's hope that people will find freedom and peace with regard to the several matters exhaustively considered in these pages, matters such as exorcism of demons, fasting, and Sabbath keeping. Bottom line truth is to be found in the New Testament Epistles with regard to instruction for living the normal Christian life.

**Sixth Fleet Under** Scott Malensek,2002-07 Nuclear War is obsolete in the 21st Century. With the scientific mapping of the human genome the same medicine that targets specific cancer-causing genes can be turned into precision-guided, chemical/biological weapons of genocidal destruction.Terrorist attacks in the Holy Land finally lead to a vigilante attempt at genocide. The Arab World unites in vengeance, and the largest coordinated air and naval attacks in the history of the world are launched. The confined space of the Eastern Mediterranean Sea is filled with hundreds of ships, planes, and submarines. Only the U.S.S. George Washington Carrier Battlegroup stands in the way!

*Pilgrimage toward Recovery* Darren LaBrecque,2011-12-30 Author Darren LaBrecque presents *Pilgrimage toward Recovery* offers the reader a very original from a fellow sufferer of mental illness. All knowledge in this book is firsthand, as LaBrecque dealt with the very things on which he writes. He believes that *Pilgrimage toward Recovery* can point you in the right direction toward your own recovery. His book is unique in the sense that as he was writing it, he was on his own pilgrimage toward recovery. The idea for this book came to LaBrecque in prayer when the Lord answered him, saying he was going to write a book. LaBrecque's first reply was that he didn't know how, and He replied, "But I do, and I will guide you through it every step of the way. You will not be disappointed; it will be a tremendous help to you."

Let's Go - "Somewhere Else" Richard Myers,2003-08-13 The journey to Somewhere Else is easy to read straightforward light verse with illustrations reminiscent of the works of Shel Silverstein and Bruce Lansky. Everyday situations are made absurd and the impossible is made to seem probable with style and wit to be enjoyed by all ages. **The Journey Through the Crushing** David Roy,2022-08-01 If you are finding yourself at a point in your life where it seems that you are being crushed on all sides, that no one seems to understand you, or that no one can offer you any encouragement, then your journey has brought you to the right place. In *The Journey Through the Crushing*, you will find that someone else had experienced these same hardships so now He can sympathize with you. *The Journey Through the Crushing* brings forth a detailed revelational description into what Jesus was going through as He found Himself in the garden of Gethsemane the night before His crucifixion. However, what makes this story even more meaningful is that *The Journey Through the Crushing* meets you right where you are in life right now. As you go through *The Journey Through the Crushing*, you will receive an awareness that will help you gain insight and understanding into what you are experiencing in life. As we dissect and expound upon each scripture, it will bring deep revelational knowledge that will allow you to see this story in a way that you have never seen it before. You will learn what lead you personally into the garden, why certain things take place while you are there in the garden, and most importantly, the reason for the garden. My prayer for you is that you would find encouragement in these scriptures no matter where you may find yourself in *The Journey Through the Crushing*.

**Who Is a God Like You?** Meshach Baptiste,2021-03-04 Manasseh was one of the most corrupt kings of Israel, or Judah, and he was not content to keep the corruption to himself. The Bible says Manasseh deceived Judah and led them to commit more evil acts than the Canaanite nations the Lord had destroyed on behalf of Israel. In *Who is a God Like You?*, author Meshach Baptiste offers an analysis of how the Lord God dealt with Manasseh, the fourteenth king of the nation of Judah. Baptiste tells the story of this evil king who lived a life of sin and abandonment of God's commandments and instructions. *Who is a God Like You?* includes a select and brief summary of the nation Israel from the time it received the Ten Commandments at Mount Sinai until the reign of the last king of Judah. This narrative shares how the Lord rescued Manasseh, demonstrating that we serve a God full of mercy, grace, compassion, lovingkindness, and who is true to his word. He punishes wrongdoers, but he rescues those who truly repent of their sins.
