

Robert Bushman

Roman Wölfel

The Bushman Myth Robert Gordon,2018-02-07 The revised, updated version of this book includes an analysis of the sweeping political changes in South Africa since its original publication in 1992. Other new material covers more theoretical issues and contemporary developments in scholarship, including a reconsideration of the film ?The Gods Must Be Crazy?; a discussion of ?expos thnography? and its attendant political/moral positioning; and an examination of the political situation in Namibia, with a close study of the near collapse of the Nyae Nyae Development Foundation.

Picturing Bushmen Robert J. Gordon,1997 Gordon (anthropology, U. of Vermont) describes the expedition 16 Denver businessmen sponsored to make their city famous by bringing back a man and women who represented the missing link between humans and the lower animals. He presents the photographs that were nearly the only result of the effort, and interprets what they were intended to portray to their creator and his audience. Paper edition (unseen), \$24.95. Annotation copyrighted by Book News, Inc., Portland, OR

State of Grace Robert Timberg,2004-10-12 In his long-awaited follow-up to The Nightingale's Song, Timberg revives the powerful themes of courage, manhood, and loss in this in this autobiographical tale in which he rediscovers an earlier time (between the Good War and Vietnam) and an America now largely lost.

Ibid., '(notice resemblance to Bushman art'), possibly number II 74 Robert Sutherland Rattray,

Francis X. Bushman Richard J. Maturi,Mary Buckingham Maturi,1998 Before Burt Lancaster and Charlton Heston, before Bogart and Gable, even before Rudolph Valentino, there was Francis X. Bushman. Named the King of the Movies at San Francisco's Panama-Pacific Exposition of 1915, Bushman virtually created the Hollywood model of the male heartthrob that hundreds of others have sought to imitate over the years. Born in 1883, Bushman had his first acting jobs in stock companies in his hometown of Baltimore. His film career started in 1911 when he starred in a one-reeler entitled His Friend's Wife. Over the next seven years, he became one of the top stars in movies. But his divorce from his wife, Josephine, and subsequent remarriage to leading lady, Beverly Bayne, effectively ended his career. He did manage a triumphant return to the big screen as Messala in Ben Hur (1926), but mostly thereafter he had smaller parts or was on stage. From contemporary sources and conversations with many of Bushman's surviving relatives, this is the compelling tale of one of Hollywood's first superstars and how his career laid the foundation for the matinee idols who followed.

King of the Movies: Francis X. Bushman Lon and Debra Davis,2009-11 Francis X. Bushman had a life like no other. Most people remember him today as the villain, Messala, in the first full-length version of Ben-Hur (1925), but he had been in hundreds of silent movies before. He was the screen's first great romantic idol in more than 300 silent films made at Essanay in Chicago, Illinois. He went from being a bodybuilder and an artist's model to a Broadway and stock company actor. He was a husband (four times), a father (six times), and a dog breeder. He signed with Metro Pictures, the forerunner of MGM, and embarked on a lucrative career as one of Hollywood's A-list stars in an era characterized by Mary Pickford, Douglas Fairbanks, Charlie Chaplin, Buster Keaton, Harold Lloyd, and Lon Chaney, but then his affair with actress Beverly Bayne became known by the public, and his carrier toppled. He was allegedly blacklisted by Louis B. Mayer at MGM. He transitioned to talkies, but an equally prominent career in sound films eluded him. He found work during the Great Depression as a businessman, a songwriter, a Vaudeville headliner, and an Old Time Radio performer on the CBS Radio network's long-running dramatic soap opera serial entitled Those We Love with Robert Cummings. In later years, he made guest appearances on television, playing roles on Peter Gunn, Make Room for Daddy, The Many Loves of Dobie Gillis, and Dr. Kildare. In 1956, Bushman appeared in a Burns and Allen episode where he played himself. He made three guest appearances on Perry Mason, and he appeared in two science fiction films, 12 to the Moon (1960) released by Columbia Pictures and The Phantom Planet (1961) released by American International Pictures. He also appeared as a villain in two episodes of the Batman television series (1966). He lived an exaggerated life, both as a free-spending multi-millionaire star and a bankrupt has-been. After all the accolades and criticisms, he was that rare kind of man who had no regrets. Lon Davis and Debra Davis' richly researched book features many photographs and illustrations that capture the glamour and excitement of Hollywood 's Golden Years. 368 pages, including a Filmography.

Insider Trading Paul U. Ali,Greg N. Gregoriou,2008-08-22 Essential Reading on an Expanding Phenomenon The recent growth in mergers and acquisitions worldwide has been accompanied by a resurgence in insider trading on a scale not witnessed since the 1980s takeovers boom. Given the greater emphasis on insider trading in the global securities markets, this text combines the latest law and finance research on this ever-intriguing area with timely, expert perspectives to comprehensively cover the established US, European, and Asia-Pacific securities markets, as well as the key emerging markets of Brazil and the greater China region. Addresses These Fundamental Questions:

What are the relative costs and benefits of insider trading? What is the rationale for criminalizing insider trading? Should insider trading that causes security prices to rise be subjected to harsher criminal and civil sanctions than trading that decreases securities costs? Examines Newsworthy and Recent Case Histories This text brings together econometric analysis of insider trading with qualitative papers that focus on insider trading regulation. This combination of legal and economic perspectives makes Insider Trading: Regulation and Analysis a useful reference not only for financial academics, but also securities attorneys and managers and those involved with corporate governance. Recently, the SEC Chairman called insider trading a major risk for US financial markets – a public acknowledgement that the prosecution of insider trading is a priority for the US Securities and Exchange Commission. This speaks to the need for this publication as a guide to the wide-reaching and highly relevant area of insider trading. .
