It has been reprinted numerous times in the United States, and is now sold worldwide. No other book contains as much detailed and factual information on virtually every facet of cigar making and cigar smoking. And now this trendsetting book has been revised in this fourth edition for the aficionado of the future! Forget 1492. This book starts out in B. C. (Before Columbus) and transports the cigar enthusiast on a fun and fact-filled adventure into virtually every realm of today's popular and growing cigar smoking pastime. Written by one of the most knowledgeable and internationally-celebrated pipe and cigar authors of our time, Richard Carleton Hacker's well-known wit and wisdom will keep the reader enthralled with every turn of the page, as he takes you on an information-packed tour of cigars. Starting off with a history of cigar smoking, the author then shows us how cigars are made today (handmade, handrolled, and machine made), divulges the secrets of finding the "perfect" cigar, and discusses the ritual of smoking and how to properly care for and store our cigars. From there the book lists a number of innovative cigar accessories, suggests which beers, wines, whiskeys, brandies, and cognacs go with what cigars, enlightens us with a chapter on cigar smoking celebrities, and concludes with the world's first International Compendium of virtually every cigar brand known today, complete with histories and observations on taste, according to the author's HPH (Highly Prejudiced Hacker-Scale) ratings. If that was not enough, there is even a dictionary of CigarSpeak! The Ultimate Cigar Book is the most comprehensive, factual, and up-to-date book for the cigar smoker or for those who just want to learn more about the fascinating and popular world of cigar smoking.

The Haunted Bookshop Christopher Morley,2021-09-28 The Haunted Bookshop (1919) is a novel by Christopher Morley. Although less popular than Kitty Foyle (1939), a novel adapted into an Academy Award-winning film, The Haunted Bookshop is a fast-paced thriller that deserves a modern audience. From unassuming beginnings as a tale about a lovelorn advertising salesman who visits a charming bookstore, The Haunted Bookshop quickly morphs into a story of

paranoia, stalking, and kidnapping. “If you are ever in Brooklyn, that borough of superb sunsets and magnificent vistas of husband-propelled baby-carriages, it is to be hoped you may chance upon a quiet by-street where there is a very remarkable bookshop.” In need of a new client, Aubrey Gilbert steps into a bookstore on a quiet Brooklyn street. There, he meets Roger Mifflin, the store’s owner, who inundates the adman with information on the value of books. Although he fails to get Mifflin’s business, Gilbert is drawn to Titania Chapman, the man’s beautiful young assistant who just so happens to be the daughter of Gilbert’s most important client. As mysterious occurrences begin to pile up—a valuable book is stolen, Gilbert is assaulted, and a strange man is found lurking in the alleyway behind the store—it becomes clear that Titania is in grave danger. With a beautifully designed cover and professionally typeset manuscript, this edition of Christopher Morley’s *The Haunted Bookshop* is a classic of American literature reimagined for modern readers.

Random Acts of Badness Danny Bonaduce,2002-11-01 Danny Bonaduce, the former poster boy of bad behavior, became an 'amazingly well-adjusted adult human being' in his late 30s after kicking years of addictions. He embarked on a wonderfully successful marriage and second career as one of the country's top celebrity radio disc jockeys. 'People tend to ask me questions. I guess I'm just that kind of guy. I've been asked at least a million questions by thousands of people over the years and that doesn't even include the TV talk circuit. Still, after all that, there are some questions that give me pause. 1. Did the Partridge Family play their own instruments? 2. Did you know the hooker you picked up in Phoenix was a really a man? 3. Are you ever going to write a book? The answer to all three has always been an emphatic NO! Well, at least one of those answers is about to change.'

Perfect Fool Garry Berman,2011-11 Perfect Fool: The Life and Career of Ed Wynn is the first-ever biography of the master comedian, chronicling a legendary career that spanned over half a century. It was Ed who coined this famous definition: A comedian is not a man who says funny things; a comedian is a man who says things funny. Ed did both, first as a vaudeville and Ziegfeld Follies star, then as the Perfect Fool (so named from one of his many self-produced Broadway revues), as radio's Fire Chief on the popular Texaco-sponsored program, and as an early pioneer at the dawn of network television. He attained a level of praise and respect from his comedy peers, critics, and, of course, the public, rarely matched by any other comedian since. In his later years, he became a highly acclaimed dramatic character actor, much to the surprise and joy of all who didn't know he had it in him (including Ed himself). Yet for all his impressive achievements, this comedian/actor/director/writer has been too often overlooked in the years since his death in 1966. Perfect Fool is meant to help correct this injustice, with reviews, interviews, and never before published photos, some courtesy of grandson Tracy Keenan Wynn. This book is an appreciation of Ed Wynn's talents, foresight, and highly regarded ability to make people laugh virtually at will. About the Author: Garry Berman is an entertainment historian and freelance writer. His previous books include Best of the Britcoms, a celebration of the finest British situation comedies to appear on American television, and We're Going To See The Beatles!, an oral history of the Beatlemania era as told by the original generation of fans who lived it first-hand. Berman has also published a comic novel, Old Wave, and writes comedy scripts in between book projects. He lives in New Jersey with his wife Karen and their two spoiled dogs.
