20 1/2 Ways for a Woman to Please Her Man Rodney Pearson, 2011-07-14 20 1/2 Ways For a Woman to Please Her Man by Dr. Rodney Pearson is easy to read and fun book which focuses on the things a woman may not know or has forgotten about making a man happy. It takes more than food and sex to make a relationship healthy and long lasting. Many couples, engaged and married have found these 20 ½ points to be life changing and thought provoking. This book is not designed to help him. I repeat with emphasis, this book is not designed to help him! It is knowledge that you need most, if not all women, are ignorant of. You probably lack this knowledge because it was never taught to you by your mother. This is not the knowledge that he needs, although you may share with him some of the things you learn in this book. So, let me put this disclaimer in your head now before you read a single chapter, WARNING: THIS BOOK IS NOT ABOUT PLEASING YOU. READ WITH EXTREME CAUTION! As you learn more about the deeper needs of your man, execute the suggestions and develop the methods in this book, I pray that he will want to please you even more.

Read carefully. Underline words and phrases that you connect to. Be open to changes you may have to make that will make you a better mate for him. Whatever you do to enhance your relationship will ultimately make you a happier woman. The process will not happen overnight but with patience and consistency you will have the best chance possible for a fulfilling and happy relationship. You should both find mutual benefits and pleasure by working on this together.
