Pearson, 2009-06-01 Dr. Rodney Pearson, a former high school dropout from the streets of Compton California, became a published author in 1998 when MilliganBooks in Los Angeles California, published his first book, Exposing Manipulation. The book became a major seller and now it's time for a release of this second edition 10 years later and more powerful than ever! Learn about the ways manipulators take advantage of their victims. Everything from pimps to preacher and even the way children learn to manipulate from their parents! There is sexual manipulation, mass manipulation and of course political manipulation. **Taming Sacred Cows** Rodney Pearson, 2015-11-03 Taming Sacred Cows by Dr. Rodney Pearson, goes where the fundamentals of religion is being challenged, not just by those on the outside of the church but even more by those inside of the church. Dr. Pearson shares about his life growing up in the African American holiness church and how his matriculating in seminary lead to a Master's and a Doctorate in Ministry. He didn't stop there but earned a second Master's in Professional Counseling where he learned a formalized approach to human nature. Now with nearly 50 years of ministry Dr. Pearson puts it all together in his eleventh published book and ask you the question, Why do you believe what you believe? Read as issues that divide the church like racism, women in ministry, homosexuality and gay marriage are examined from different points of view. If you're set in your doctrinal ways and not interested in other views points, then don't read this book but if you're open to learn what could be alternative positions, this will be a great and thought provoking read for you!

**20 1/2 Ways for a Woman to Please Her Man** Rodney Pearson, 2011-07-14 20 1/2 Ways For a Woman to Please Her Man by Dr.

Rodney Pearson is easy to read and fun book which focuses on the things a woman may not know or has forgotten about making a man happy. It takes more than food and sex to make a relationship healthy and long lasting. Many couples, engaged and married have found these 20 ½ points to be life changing and thought provoking. This book is not designed to help him. I repeat with emphasis, this book is not designed to help him! It is knowledge that you need most, if not all women, are ignorant of. You probably lack this knowledge because it was never taught to you by your mother. This is not the knowledge that he needs, although you may share with him some of the things you learn in this book. So, let me put this disclaimer in your head now before you read a single chapter, WARNING: THIS BOOK IS NOT ABOUT PLEASING YOU. READ WITH EXTREME CAUTION! As you learn more about the deeper needs of your man, execute the suggestions and develop the methods in this book, I pray that he will want to please you even more. Read carefully. Underline words and phrases that you connect to. Be open to changes you may have to make that will make you a better mate for him. Whatever you do to enhance your relationship will ultimately make you a happier woman. The process will not happen overnight but with patience and consistency you will have the best chance possible for a fulfilling and happy relationship. You should both find mutual benefits and pleasure by working on this together. May God's blessing ever be upon you as you seek to be the best woman you can be firstly for yourself and secondly for the man of your dreams forever Chapter titles include: 1. Don't Make Your Man Your Woman 2. Control those Emotions 3. Keep it Simple Sister 4. Know How to Talk Man 5. Let Him Fix It (Especially if it is not Broken) 6. See What He Sees 7. **I Got 99 Problems But a Bill Ain't One** Rodney B. Pearson, 2020-02-11 From the moment that the doctor spanked our little bottoms, we are programmed to understand the importance of education. We are continuously taught about all of the necessary things in life. We are taught how to speak, how to walk, how to exist in a social environment, and even how to conjugate verbs or differentiate functions. Education is gaining knowledge and knowledge is awareness. We spend years learning information that is needed for us to attain a career and live what most people feel is a happy life...the perfect life. Usually our idea of a perfect life includes a spouse, children, a home, two cars, yearly vacations, a career, and working forty years until you can actually enjoy the relatively small amount of money that you may have saved... if possible. The perfect life is not living... it is surviving. The road to financial freedom is necessary if we want to truly live. In this book, we will begin Thinkin' of a Master Plan, our roadmap to understanding where we are and where we want to go as it pertains to our personal portfolios. The Golden Rule states He who rules the gold makes the rules. In this book, we will study ways of making our own Golden Rule. My adaptation of the Golden Rule would say Rod who rules his own gold, makes his own rules! Now that my friend is living!!! Financial freedom does not come easy and anyone that says different is not being truthful. There is very little chance that you will come across an opportunity that will allow you to gain

financial freedom overnight...not impossible, just not likely. The Bible says, The race is not given to the swift nor the strong, but he who endures until the end (Ecclesiastes 9:11). If you design and ENACT your Master Plan, your end will result in you gaining the freedom to do all of the things in this life that you have always dreamed. We all have situations that arise in our life that cause issues. Life is filled with trials and tribulations, but if we develop our Master Plan and work the plan, we may have 99 PROBLEMS, BUT A BILL AIN'T ONE!!!
