Primeira parte, (Segunda parte,) da Historia ecclesiastica dos Arcebispos de Braga, e dos santos, e varoes illustres, que florecerão neste Arcebispado Rodrigo da CUNHA (successively Bishop of Portalegre and of Oporto, and Archbishop of Braga and of Lisbon.), 1635

Entiendes? Emilie L. Bergmann, 1995 ¿Entiendes? is literally translated as Do you understand? Do you get it? But those who do get it will also hear within this question a subtler meaning: Are you queer? Are you one of us? The issues of gay and lesbian identity represented by this question are explored for the first time in the context of Spanish and Hispanic literature in this groundbreaking anthology. Combining intimate knowledge of Spanish-speaking cultures with contemporary queer theory, these essays address texts that share both a common language and a concern with lesbian, gay, and bisexual identities. Using a variety of approaches, the contributors tease the homoerotic messages out of a wide range of works, from chronicles of colonization in the Caribbean to recent Puerto Rican writing, from the work of Cervantes to that of the most outrageous contemporary Latina performance artists. This volume offers a methodology for examining work by authors and artists whose sexuality is not so much open as an open secret, respecting, for example, the biographical privacy of writers like Gabriela Mistral while responding to the voices that speak in their writing. Contributing to an archeology of queer discourses, ¿Entiendes? also includes important studies of terminology and encoded homosexuality in Argentine literature and

Caribbean journalism of the late nineteenth century. Whether considering homosexual panic in the stories of Borges, performances by Latino AIDS activists in Los Angeles, queer lives in turn-of-the-century Havana and Buenos Aires, or the mapping of homosexual geographies of 1930s New York in Lorca's Ode to Walt Whitman, ¿Entiendes? is certain to stir interest at the crossroads of sexual and national identities while proving to be an invaluable resource.

Delícias da Cozinha Extra Delícias da Cozinha, Culinária, On Line Editora, A ceia de Natal, para muitas famílias, é uma das poucas ocasiões em que todos se reúnem em volta da mesa para, em clima de paz, relembrar histórias do passado, trocar presentes e compartilhar momentos de muita alegria e amor. E para deixar a celebração ainda mais especial, não podem faltar os tradicionais pratos natalinos, que são decorados com tanto carinho pelos anfitriões da festa. Então, que tal preparar um delicioso Chester com Recheio de Farofa, Lombo de Porco Recheado com Copa e Damasco, Peru ao Vinho Branco e Ervas Frescas, Pernil com Coco ou um irresistível Tender à Califórnia para servir aos seus convidados? As sobremesas não ficam atrás. Simples ou elaboradas, elas são uma verdadeira tentação. Amora Natalia Borges Polessso, 2020-05-19 From an emerging talent comes an exquisite collection of stories exploring the complexity of love between women, each a delicate piece in a mosaic transcending the boundaries of literary romance. Amora dares explore the way women love each other—the atrophy and healing of the female spirit in response to sexual desire and identity. These thirty-three short stories and poems, crafted with a deliberate delicacy, each capture the candid, private moments of women in love. Together, these stories and the women who inhabit them reveal an illuminating portrait of the sacred female romance, with all its nuances, complexities, burdens, and triumphs revealed. Violence, sickness, chaos, tenderness, beauty, and freedom adorn these pages in a mosaic of unforgettable moments, including a lesbian granddaughter discovering unexpected commonalities with her grandmother, a teenager's tryst with her friend after disenchanted sex with a boy, and an old couple's dreamy Sunday-morning ritual. Sweeping nearly every major Brazilian literary prize in 2016—including the Prêmio Jabuti and Prêmio Açorianos de Literatura—Amora has propelled Natalia Borges Polessso to the forefront of the international literary world.

Rethinking Sustainable Development in Terms of Justice Lorena Martínez Hernández, Daniel Iglesias Márquez, Beatriz Felipe Pérez, 2019-01-29 The need to reassess the discourse of sustainable development in terms of equity and justice has grown rapidly in the last decade. This book explores renewed and distinctive approaches to the sustainability and justice debate, integrating a

range of perspectives that include moral philosophy, sociology and law. By bringing together young and senior scholars from the field of global environmental law and governance from around the world, this work is divided into three sections, covering sustainable development and justice, sustainable development in context, and sustainable development and judiciaries. This book will appeal to academics, law practitioners and policy-makers interested in shaping future socio-legal research on global environmental law and governance.
