Revisualizing Visual Culture Ms Hazel Gardiner, Professor Chris Bailey, 2012-10-01 In the past twenty years digital technology has had a radical impact on all the disciplines associated with the visual arts - this book provides expert views of that impact. By looking at the advanced ICT methods now being employed, this volume details the long-lasting effects and advances now made possible in art history and its associated disciplines. The authors analyze the most advanced and significant tools and technologies, from the ongoing development of the Semantic Web to 3D visualization, focusing on the study of art in the various contexts of cultural heritage collections, digital repositories and archives. They also evaluate the impact of advanced ICT methods from technical, methodological and philosophical perspectives, projecting supported theories for the future of scholarship in this field. The book not only charts the developments that have taken place until now but also indicates which advanced methods promise most for the future.

Plunkett's Entertainment & Media Industry Almanac 2006: The Only Complete Guide to the Technologies and Companies Changing the Way the World Shares En Jack W. Plunkett, 2006 The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business

and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.
