Blood Money Shaun Stafford,2014-11-27 Alex Savage is an asset. He's been an asset all of his life, usually carrying out jobs for the British government. Jobs that they ultimately want to deny responsibility for. A former SAS corporal, and one-time operator for the Firm, Alex is now burnt out, jaded, with a whole truckload of baggage, and he doesn't care what he does or who he kills for money. For the last few years, Alex has branched out into the private sector, where the pay is more lucrative, and the risks are less. Then comes the offer of a big payday for Alex, a job for the British government. The fee is unusually high, but then this is an unusual contract. They want him to kill a British politician who's visiting Washington, DC, and they want her killing as soon as possible. They assure him the risks are low. But if there's one thing Alex has learnt, it's that the British government rarely tell the truth about anything, and he soon finds himself embroiled in the murky world of white supremacist organizations.

**The Exit Club** Shaun Clarke,1996 A novel about the men of the SAS: their selection and training; the wars they fight; the women they love; the dreams they share along the ways; and the dreams they lose.

Gabriel Mike Evans,Shaun Phelps,2015-02-11 Mike Evans Gabriel: Only one gets out alive In 2013 terrorists struck the Chicago Marathon. It took more than just people; it took their peace of mind and security for the entire country. For Jacob August it took his entire family. After the bombing his life was changed forever. Abandoning his parents' dreams for him of medical school, he became America's most deadly CIA assassin. No one was safe from Gabriel, Jacob's working persona. Exhausted of being let down by the CIA, Gabriel went independent. He became a killer for hire with one exception; he still had morals. Now 10 years later Gabriel has been reunited with the CIA yet again to stop those that plan to cripple America to an end. Gabriel is an adrenaline filled roller coaster ride that never stops! If you are into the Mitch Rapp, Jack Reacher, or Atticus Kodiak series, then this book is for you! Shaun Phelps - Overcoming Fear: Molly Shaun was your average college student: a single parent, poor, and scared to death of his internship. When the work becomes personal and his family is threatened Shaun is forced to make a difficult choice. But how far is he willing to go?

**Debt** Shaun Morris,2012-07-23 Mike is a man in a spin. Downwards. His life is a car crash that seems to keep on happening. He skirts the edges of crime but never gets a break. Jonah has a major drug dependancy that carries with it the associated risks. And debt. When his debts become too much he is given an ultimatum, a job. A once in a lifetime opportunity. An offer he can't refuse. To do so is suicide. Staines is a vicious criminal of the Glasgow underworld. When a major opportunity presents itself he needs front men, or victims, to place in the firing line. Joanne is a mother who has seen death. Her children dying in front of her. Her mind shattered, her world destroyed, she struggles to escape the clutches of her tormentor. Different people. Different lives. However lives that collide together in an explosion of chance and misfortune leading to a devastating climax. Not all of them would make it.
