Concierge Confidential Michael Fazio,Michael Malice,2011-02-01 New York City's top concierge gives up a keyhole view into the luxe hotel rooms, private dining and dressing rooms of the ridiculous, rich and demanding Michael Fazio is the ultimate behind-the-scenes support man. Want two orchestra tickets to the Broadway musical that just won the Tony? Call Fazio. How about an upgrade to first class on an overbooked overnight flight to Tokyo? Call Fazio. Or a roomful of fresh hydrangeas-in winter? That's right. Call Fazio. From his early start as the harried and neglected personal assistant to a typical L.A. casting agent, Fazio took what he learned there and moved into concierge work at New York City's Intercontinental Hotel, where he was eventually able to parlay his services into a large and successful business of his own. In Concierge Confidential, Fazio reveals the behind-the-scenes madness that goes into getting the rich and famous what they want, and shares some great insider knowledge on how to get access to the unattainable without making the concierge, waiters and other service people crazy. A few of Fazio's tips include: • When and how much to palm in tips • How to get a seat or ticket to the hottest thing in town • How to avoid being labeled a rube the minute you walk through the door • How you can become your favorite store or restaurant's most beloved customer • And much more

Long May She Wave Kit Hinrichs,Delphine Hirasuna,2013-06-11 From one of the world's leading graphic designers comes a stunning tribute to America's most enduring icon-the Stars and Stripes.The Revolutionary Congress resolved in 1777 that the flag of the United States be 13 stripes, alternate red and white, that the Union be 13 white stars in a blue field representing a new constellation. Since that time, the American flag has been raised high in wartime triumph and peacetime celebration; burned in fervent protest; sewn lovingly onto quilts, caps, pillows, and bags; appropriated by the commercial sphere to sell goods as varied as cigars, and designer clothing, and rock-and-roll albums; and faithfully honored every 4th of July to celebrate America's independence. This collection of more than 3,000 Stars and Stripes artifacts ranges from Civil War-era banners and Native American braided moccasins to an early 20th-century friendship kimono and original flag art by several of the world's leading designers. In its deluxe format with over 500 illustrations, LONG MAY SHE WAVE gives wide berth to the flag in all its manifestations, and the result is a stunning visual history of America's most treasured symbol.Full-color throughout, with over 500 illustrations in a deluxe 11 x 14-inch volume-LONG MAY SHE WAVE is the perfect gift for folk-art appreciators, history buffs, and collectors.Features the 3,000-piece exhibit that was displayed at the American Institute of Graphic Arts and the San Jose Museum of Art in 2000. From toy soldiers to collectable spoons, cigar blankets to historic flags-the breadth of the collection is unrivaled.For a list of appearances by this author, check out our Calendar of Events.

A History of Silicon Valley - Almost a 3rd Edition Piero Scaruffi,2014-06-19 This book is the first history of Silicon Valley from 1900 to the 2010s. It is a comprehensive study of the greatest creation of wealth in the history of the world, from the establishment of Stanford University to the age of social media. The underlying objective is to find the reason why it was Silicon Valley, and not some place on the East Coast or in Europe, that became the creative technological hub of

the 21st century.Silicon Valley did not happen in a vacuum: the book also explores the surrounding social and cultural environment of the Bay Area.This green book follows the “red book” od 2012, which was the (sold out) first edition coauthored with Arun Rao, and the blue book, which was Arun's proof-edited and expanded second edition of all chapters. The 600-page blue book is still available and contains both my old chapters and Arun's chapters. This 400-page green edition contains only my chapters (basically, the chronology) updated to 2014 and with many additions to early chapters and a new chapter on Asia.

The Cult of Eden Bill Halpin,2019-09-27 Newlywed Will Battese finds himself homesick and overwhelmed after following his ambitious wife, Shannon, to New York City. When a surprise pregnancy shreds their already meager budget, Will drops out of college and settles for work at a low-end diner. There, a small act of kindness draws the attention of Victor Degas, a man with an unsettling presence and deformed eyes. Unbeknownst to Will, Degas belongs to an ancient, sophisticated cult known as the Edens and believes Will to be the key to gaining otherworldly power. As the sun sets on Good Friday, Degas orchestrates a home invasion in which Will and his baby boy, Gideon, are kidnapped, leaving Shannon to join forces with an unreliable agent from the Roman Catholic Church. While Will struggles to save other innocents from the Eden parish below the city, Shannon discovers that the cult plans to use her family for an unimaginable demonic ritual, and that the Vatican may let it happen. With no one to trust but themselves, Shannon and Will must fight not only to survive, but to keep their humanity intact. THE CULT OF EDEN is the first volume in The Unrisen saga.
