*Satan's Counterfeit Healing* Lawrence E. Burkholder,2019-09-30 The Christian church worldwide has been taken prisoner by Satan's counterfeit healing. This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

**Taking the Measure of Christianity** George McCullough,2010-04-27 Why write this book In the 2000 years that Christianity has had the privilege of having met Jesus and has been given His written word, what have they done with it? Within the boundaries of Christianity, Having been given the “Unity of Spirit” have they been able to transform it into the “Unity of Faith?” Also understanding what Christianity is will hopefully move people closer to a more correct relationship with our Creator. Who should it reach? It is my intent and hopes to mainly reach all Christians who are limited in their understanding of why Christianity is the right way to go and how it’s intended to work. I would also hope that it would entice the inquisitive to take a good look at the value of the Christian faith. Why is this book different? Just about every topic under the sun relevant to our Christian faith has been written about, talked about, taught about and sung about. Even with all of the theological dissertations from early church fathers to today’s creeds and denominational doctrines I have not found a book that simply tells what Christianity is meant to be, the responsibility we have as Christians and the impact our inability to unite in the faith has on the world. Too many of today’s Christians do not have a working knowledge of their religion to the same degree that Islam or Judaism followers do. Maybe this book will help.

A House Built on Love ED WALKER, 2020-10-22 Hope into Action, a charity founded by Ed Walker has a vision – of the church at the forefront of the fight against homelessness. Since 2010 it has worked in partnership with churches to supply homes, support, friendship and love for the homeless and marginalized, earning the Guardian's Public Service Award in 2017 and an award from the Centre for Social Justice. Here, Ed tells his story of faith and struggle as he and his wife Rachel stepped out in faith, developed a new theology of sharing and saw both tragic and wonderful outcomes. Visionary, inspiring and touching, Ed's experiences show how we can meet and grow in Christ as we interact with those in the shadows and those hidden in darkness.

Deuteronomy Ajith Fernando, 2012-05-31 The book of Deuteronomy is a call to obedience—the proper response to God's faithfulness and love. Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land, Moses' words proclaimed God's covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture. The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life. We wonder: How can we be faithful to God? And how do we help our children and the people we lead to be faithful? This book tells us how Moses tackled these challenges and, as Paul confirms in the New Testament, Deuteronomy serves as an example...written down for our instruction (1 Cor. 10:11). Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty-five years of ministry to first-generation Christians in Sri Lanka. He offers concrete examples of how the truths contained in Deuteronomy can be applied, and he teaches us that obedience is the necessary response to the God who loves and saves us. Part of the Preaching the Word series.
