Real Estate Law and Asset Protection For Texas Real Estate Investors 2022 Edition David J. Willis,2022-11-07 This book is a pragmatic and creative approach to legal and asset protection issues faced by investors in Texas real estate, particularly investors in residential and smaller commercial properties. It is not intended to be a textbook or comprehensive academic treatise. Rather, it contains practical perspectives and techniques developed over the years in the course of advising and representing investors. Since there are usually as many opinions as there are lawyers in a room, it should be no surprise if other lawyers disagree with at least some of my conclusions. In response, I would point out that there is nothing theoretical in this book. Every strategy I describe has been tried and has succeeded in the real world. Having said that, every reader should consult his or her attorney prior to implementing any of my suggestions in order to insure compatibility with individual circumstances. Business plans vary and so do investments and asset protection strategies. This book does not offer legal guidance to any particular person with regard to any particular case. Note also that the law changes and evolves, often rapidly. While cases and statutes are cited in this book, the reader should do independent research to ascertain the current status of the law before relying on any of these citations. If you are a real estate investor who owns (or aspires to own) 10, 20, or 50 or more properties, then you should consider reading this book. If you use creative methods such as wraparounds and subject to transactions then you may find this volume very useful indeed. However, if your goal is to assemble an international consortium to purchase Rockefeller Center or Trump Tower, then this is probably not the volume for you. All real estate investors should form the habit of doing thorough due diligence prior to investing in real estate. This includes consulting attorneys, accountants, insurance advisors, and other qualified professionals on overall methods and goals as well as specific transactions. Every investor should have a team of seasoned professionals available to answer questions, offer input, and provide customized services. A professional investor will also acquire a basic level of competence in searching and obtaining information and copies from real property and appraisal district records. On the subject of transactional documentation, I urge readers to avoid most standard forms, especially those obtained from the Internet, except for contracts and addenda promulgated by the Texas Real Estate Commission and the Texas Association of Realtors. Consider all others suspect. Lastly, it has been my experience that good ethics make for good business.

Avoid any transaction that even hints of fraud or deception. If it appears too good to be true it probably is. I welcome comments and criticism. *Shirley Shahan* Patrick Foster,2021-12-06 Meet drag racing legend and pioneer Shirley Shahan, the Drag-On Lady! As the first woman to win an NHRA national event when she was named Top Stock Eliminator at the 1966 Winternationals, Shahan blazed a trail for women in drag racing. During the golden era of drag racing, it was rare to find diversity in the sport. Shahan is what's commonly known as a living legend. In a career that spanned the 1950s and into the early 1970s, Shahan drove 1956 and 1958 Chevys and was one of the lucky few who was able to purchase one of the rare 1963 Chevrolet RP0 Z11 Super Stockers. Later, when she was driving for Plymouth and Dodge, Shahan made the name Drag-On Lady both famous and feared. She then moved to American Motors and raced very successfully with the new SS/AMX. From 1958 to 1972, Shahan set records and won numerous awards. She was inducted into the International Drag Racing Hall of Fame, Super Stock Magazine Hall of Fame, and Mopar Hall of Fame, and she was honored with a lifetime achievement award at the Bakersfield racetrack. In addition, Shirley won the Top Stock category at the very first March Meet at the legendary the Famoso Raceway track near Bakersfield, California, which made her the first person (male or female) to do so. In 1966, she was the named one of Hot Rod magazine's Top 10 Drivers. She raced against the best drivers during the golden age of drag racing and more often than not blew off the doors of her opponents. She had a fierce passion for winning, and in this book, you'll feel what it was like to be behind the wheel as she steers you through her illustrious career. Fasten your seat belt; it's going to be a wild ride.
