Chinese Phrase A Day Practice Volume 1 Sam Brier,Xia Lu,2014-11-18 A Chinese Phrase A Day is a fun, less-intimidating way to learn Chinese! Part of Tuttle's best-selling page-a-day line, this new edition teaches useful everyday phrases and words. Although more people are studying the Chinese language than ever before, others are still wary of starting because they believe, it's too difficult. But A Chinese Phrase A Day will show absolute beginners that Chinese is in many ways much easier than other languages and it will help intermediate Chinese learners review and improve upon their past studies and practice Chinese everyday. With almost no grammar or tense, no verb conjugation and a consistency that English, Spanish, French and Japanese learners can only wish for, Chinese enables you to start conversing relatively quickly. After a few weeks of gradual progress your ability to read Chinese, write Chinese and speak Chinese will grow tremendously. This calendar like desk companion is divided into monthly topics and builds upon itself, one day at a time. Chinese phrases are kept short, simple and functional. Each of the 365 pages include these four components: The simplified Chinese characters. The romanized Chinese (hanyu pinyin). The English phrase. A related cultural note to put the phrase into context. Audio for all of the A Chinese Phrase A Day entries is available online. Listening and repeating after the native speakers in the audio files will help you to practice Chinese regularly and polish your spoken Mandarin Chinese and Mandarin listening comprehension. To get started, turn to Day One and begin studying the phrase, its meaning, pronunciation and cultural context. Then tear off the sheet and practice writing it a few times. In a matter of days you'll be on your way to reading and writing Chinese!

To Plead Our Own Cause Kevin Bales,Zoe Trodd,2013-09-30 Boys strapped to carpet looms in India, women trafficked into sex slavery across Europe, children born into bondage in Mauritania, and migrants imprisoned at gunpoint in the United States are just a few of the many forms slavery takes in the twenty-first century. There are twenty-seven million slaves alive today, more than at any point in history, and they are found on every continent in the world except Antarctica. To Plead Our Own Cause contains ninety-five narratives by slaves and former slaves from around the globe. Told in the words of slaves themselves, the narratives movingly and eloquently chronicle the horrors of contemporary slavery, the process of becoming free, and the challenges faced by former slaves as they build a life in freedom. An editors' introduction lays out the historical, economic, and political background to modern slavery, the literary tradition of the slave narrative, and a variety of ways we can all help end slavery today. Halting the contemporary slave trade is one of the great human-rights issues of our time. But just as slavery is not over, neither is the will to achieve freedom, plead the cause of liberation, and advocate abolition. Putting the slave's voice back at the heart of the abolitionist movement, To Plead Our Own Cause gives occasion for both action and hope.
