Sasebo Mack Samples,2007-03-06 Sasebo is the story of young Mason McCabe, an enlisted sailor whose leisurely tour of duty at the U.S. Naval Base in Sasebo, Japan during the 1950's is turned upside down when he comes face to face with the realities of the Cold War. His work with classified documents brings an offer from a communist undercover organization, headed by a Nisei with a grudge against America, to buy military secrets. Mason shrugs off the early offers, but his work as a courier of top secret documents eventually gets him into a situation where he is fighting for his very life on a mountain outside Sasebo. During the course of his tour he also becomes involved in a swing band comprised of both Japanese and Americans. The band experience brings him into contact with Laura Robbins, a beautiful young officer's wife. Even though he knows that a relationship with her could have tragic consequences, he is unable to fend off the temptation. His involvement with a Japanese bar girl further complicates the situation. Mason McCabe's adventures reveal what life was like for young servicemen in the Far East during the 1950's when America had all the money and the Seventh Fleet was the Bull of the Pacific.

Summer of the Dark Moon William Saffell,2007-04-01 Summer of the Dark Moon 1956 - The Dark Moon is a venerable bar on the outskirts of Sasebo, a port city in Southern Japan. In the face of economic decline, it may be forced to close by summer's end. This is the background for the story of Yuka, an individualistic young woman who works there. Having drifted through the devastated landscape of Post-War Japan, she settles in Sasebo. While there, she finds a home at the Dark Moon and a surrogate mother in Yukari, its owner. Yuka's eventful summer passes while she struggles to retain both her livelihood and the sense of belonging Yukari has given her. In the midst of this, she allows herself to become close to Tom Wyatt, a veteran reporter haunted by wartime memories. She finds both comfort in Wyatt's kindness toward her and despair in his erratic grip on sobriety. As autumn approaches, the Dark Moon is in transition, Yukari is in failing health, and Yuka begins to see she may gain more than she ever thought possible, yet she may lose much of what she values most.
